Note:

1. Risks associated with investing in Tri Party Repo through CCIL (TREPS)

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments.

CCIL maintains prefunded resources in all the clearing segments to cover potential losses arising from the default member. In the event of a clearing member failing to honour his settlement obligations, the default Fund is utilized to complete the settlement. The sequence in which the above resources are used is known as the "Default Waterfall".

As per the waterfall mechanism, after the defaulter's margins and the defaulter's contribution to the default fund have been appropriated, CCIL's contribution is used to meet the losses. Post utilization of CCIL's contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members.

Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member).

However, it may be noted that a member shall have the right to submit resignation from the membership of the Security segment if it has taken a loss through replenishment of its contribution to the default fund for the segments and a loss threshold as notified have been reached. The maximum contribution of a member towards replenishment of its contribution to the default fund in the 7 days (30 days in case of securities segment) period immediately after the afore-mentioned loss threshold having been reached shall not exceed 5 times of its contribution to the Default Fund based on the last re-computation of the Default Fund or specified amount, whichever is lower.

Further, it may be noted that, CCIL periodically prescribes a list of securities eligible for contributions as collateral by members. Presently, all Central Government securities and Treasury bills are accepted as collateral by CCIL. The risk factors may undergo change in case the CCIL notifies securities other than Government of India securities as eligible for contribution as collateral.

A notice-cum-addendum detailing all the modifications is also available on the AMC's website i.e. www.icicipruamc.com.

While the Board of Trustees of ICICI Prudential Mutual Fund has approved the above change, we would request you to note that the aforesaid changes constitutes change in the fundamental attributes of the Scheme and requires compliance with Regulation 18(15A) of Securities and Exchange Board of India (Mutual Fund) Regulations, 1996 (the Regulations). Securities and Exchange Board of India (SEBI) has communicated its no-objection for the above changes vide its letter no. IMD/DF3/OW/P/2018/34965/1 dated December 21, 2018.

In accordance with Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996 the existing unitholders (i.e. whose names appear in the register of unitholders as on close of business hours on December 27, 2018) under the Scheme are hereby given an option to exit, i.e. either redeem their investments or switch their investments to any other schemes of ICICI Prudential Mutual Fund, within 32 days (at least 30 days) exit period starting from January 1, 2019 till February 01, 2019 (both days inclusive and up to 3.00 pm on February 01, 2019) at Applicable NAV, without payment of any exit load. The Exit Option can be exercised during the Exit Option Period by submitting a valid redemption/switch request at any Official Point of Acceptance of the Fund. For list of Official Points of Acceptance, please visit our website. Unitholders who do not exercise the exit option by 3.00 pm on February 01, 2019 would be deemed to have consented to the proposed modification. It may also be noted that no action is required in case Unitholders are in agreement with the aforesaid changes, which shall be deemed as consent being given by them for the proposed changes. Kindly note that an offer to exit is merely optional and is not compulsory.

All the valid applications for redemptions/switch received under the Scheme shall be processed at Applicable NAV of the day of receipt of such redemption/switch request, without payment of any exit load, provided the same is received during the exit period mentioned above. Unitholders who have pledged or encumbered their units will not have the option to exit unless they procure a release of their pledges/encumbrances prior to the submission of redemption/switch requests. Unitholders should ensure that their change in address or bank details are updated in records of ICICI Prudential Mutual Fund as required by them, prior to exercising the exit option for redemption of units. Unit holders holding Units in dematerialized form may approach

their Depository Participant for such changes. In case units have been frozen/locked pursuant to an order of a government authority or a court, such exit option can be executed only after the freeze/lock order is vacated/revoked within the period specified above. The redemption proceeds shall be dispatched within 10 (ten) business days of receipt of valid redemption request to those unitholders who choose to exercise their exit option. Redemption/switch of units from the scheme, during the exit period, may entail capital gain/loss in the hands of the unitholder. Similarly, in case of NRI investors, TDS shall be deducted in accordance with the applicable Tax laws, upon exercise of exit option and the same would be required to be borne by such investor only. In view of individual nature of tax implications, unitholders are advised to consult their tax advisors.

The updated Scheme Information Document (SID) & Key Information Memorandum (KIM) of the Scheme containing the revised provisions shall be made available with our Investor Service Centres and also displayed on the website immediately after completion of duration of exit option.

We hope that you will provide us your support; in case of any queries you can reach our call centre on 18002006666/1800222999. We assure you that the proposed change is in line with our best endeavors to serve you better.

We shall continue to work towards your investment success and keep you updated on our views in the future.
