In case neither distributor code is mentioned nor ‘ICICI Prudential Asset Allocator Fund - Direct Plan’ is selected in the application form, the application will be processed under the ‘ICICI Prudential Asset Allocator Fund - Direct Plan’.

ICICI Prudential Asset Allocator Fund - Direct Plan is only for investors who purchase /subscribe units in a Scheme directly with the Fund.

The Scheme will not accept any fresh subscriptions/switch-ins in any other plan than mentioned above. The other plans under the Scheme will continue till the existing investors remain invested in such plans.

Investors under the ICICI Prudential Asset Allocator Fund - have the choice of a Growth Option or a Dividend Option. Dividend Reinvestment facility is also available.

Further, investors shall note that fresh subscriptions through any investment mode/facility including lumpsum investment/switches, etc. or fresh enrolment under any systematic facilities which facilitates subscription, such as systematic investment plan, systematic transfer plan (as a target scheme), Dividend Transfer plan (as a target scheme), etc. has been discontinued from closure of business hours on March 05, 2019, till further notice, under Dividend option of the Scheme.

The Trustee reserves the right to declare dividends under the dividend option of the Scheme depending on the net distributable surplus available under the Scheme. It should, however, be noted that actual distribution of dividends and the frequency of distribution will depend, inter-alia, on the availability of distributable surplus and will be entirely at the discretion of the Trustee.

The Trustee may, at a later date, decide to introduce any other options under the Scheme, as is considered necessary.
I. INTRODUCTION
A. RISK FACTORS

Standard Risk Factors:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price/value/interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down.
- The NAVs of the Scheme may be affected by changes in the general market conditions, factors and forces affecting market in particular, level of interest rates, various market related factors and trading volumes, settlement periods and transfer procedures. As with any securities investment, the NAV of the Units issued under the Scheme can go up or down depending on the factors and forces affecting the markets.
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the scheme.
- The name of the Scheme does not in any manner indicate either the quality of the Scheme or their future prospects and returns.
- The Sponsors are not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 22.2 lakhs made by them towards setting up the Fund and such other accretions and additions to the corpus set up by the Sponsors.
- The present scheme is not a guaranteed or assured return scheme.
- In the event of receipt of inordinately large number of redemption requests or of a restructuring of any of the Scheme’s portfolio, there may be delays in the redemption of Units.
- The liquidity of the Scheme’s investments is inherently restricted by trading volumes in the securities in which it invests.
- Changes in Government policy in general and changes in tax benefits applicable to mutual funds may impact the returns to Investors in the Scheme.
- Investors in the Scheme are not being offered any guaranteed/indicated returns.
- Mutual Funds being vehicles of securities investments are subject to market and other risks and there can be no guarantee against loss resulting from investing in the Scheme. The various factors which impact the value of the Scheme investments include but are not limited to fluctuations in the equity and bond markets, fluctuations in interest rates, prevailing political and economic environment, changes in government policy, factors specific to the issuer of securities, tax laws, liquidity of the underlying instruments, settlements periods, trading volumes etc. and there is no assurance or guarantee that the objectives of the Scheme will be achieved.
- As the liquidity of the Scheme’s investments could at times, be restricted by trading volumes and settlement periods, the time taken by the Fund for redemption of units may be significant in the event of an inordinately large number of redemption requests or of a restructuring of the Scheme’s portfolio. In view of this, the Trustee has the right, at their sole discretion to limit redemptions (including suspending redemption) under certain circumstances, as described under the section titled “Right to limit Redemptions”.
- From time to time and subject to the regulations, the sponsors, the mutual funds and investment Companies managed by them, their affiliates, their associate companies, subsidiaries of the sponsors and the AMC may invest in either directly or indirectly in the Scheme. The funds managed by these affiliates, associates and/or the AMC may acquire a substantial portion of the Scheme. Accordingly, redemption of units held by such funds, affiliates/associates and sponsors may have an adverse impact on the

Scheme Information Document
ICICI Prudential Asset Allocator Fund
units of the Scheme because the timing of such redemption may impact the ability of other unit holders to redeem their units.

- From time to time and subject to the regulations, the AMC may invest in the Scheme. Further, as per the Regulation, in case the AMC invests in any of the Scheme managed by it, it shall not be entitled to charge any fees on such investments.
- The liquidity of the Scheme’s investments is inherently restricted by trading volumes in the securities in which it invests.
- Investors in the Scheme are not offered any guaranteed or assured returns. Mutual Funds being vehicles of securities investments are subject to market and other risks and there can be no guarantee against loss resulting from investing in the schemes. The various factors which impact the value of scheme investments include but are not limited to fluctuations in the equity and bond markets, fluctuations in interest rates, prevailing political and economic environment, changes in government policy, factors specific to the issuer of securities, tax laws, liquidity of the underlying instruments, settlements periods, trading volumes etc. and securities investments are subject to market risks and there is no assurance or guarantee that the objectives of the Scheme will be achieved.
- Although, the Scheme per se will make investments in underlying schemes of domestic or offshore Mutual Funds, such underlying schemes may consider investments in ADRs/GDRs, equity of overseas companies listed on recognized stock exchanges overseas and other securities in accordance with the provisions of SEBI Circulars. The limit of 5% of Net Assets and the prohibition of charging of fees shall not be applicable to investments in mutual funds in foreign countries made in accordance with the guidelines as per the above circular. However, management fees and other expenses charged by the mutual fund (s) in foreign countries along with the management fee and recurring expenses charged to the domestic mutual fund shall not exceed the total limits on expenses as prescribed under Regulation 52 (6).

**Scheme Specific Risk Factors**

Investors may please note that they will be bearing the recurring expenses of the Scheme in addition to the expenses of the underlying schemes in which the fund of fund scheme makes investment.

1. **Risks associated with investing in Fund of Funds schemes:**

- As the investors are incurring expenditure at both the Fund of Funds level and the schemes into which the Fund of Funds invests, the returns that they may obtain may be materially impacted or may at times be lower than the returns that investors directly investing in such schemes obtain.
- Again as the Fund of Funds scheme may shift the weightage of investments between schemes into which it invests, the expenses charged being dependent on the structure of the underlying schemes (being different) may lead to a non-uniform charging of expenses over a period of time.
- As the Fund of Funds (FOF) factsheets and disclosures of portfolio will be limited to providing the particulars of the schemes invested at FOF level, investors may not be able to obtain specific details of the investments of the underlying schemes.
- While it would be the endeavour of the Fund Manager of the Fund of Funds scheme(s) to invest in the target schemes in a manner, which will seek to maximize returns, the performance of the underlying schemes may vary which may lead to the returns of the Fund of Funds being adversely impacted.
- The scheme specific risk factors of each of the underlying schemes become applicable where a fund of funds invests in any underlying scheme. Investors who intend to invest in Fund of Funds are required to and are deemed to have read and understood the risk factors.
of the underlying schemes relevant to the Fund of Funds scheme that they invest in. Copies of the Scheme Information Documents pertaining to the various schemes of ICICI Prudential Mutual Fund, which disclose the relevant risk factors, are available at the Customer Service Centers or may be accessed at www.icicipruamc.com.

- A Fund Manager managing any one of the Fund of Funds schemes may also be the Fund Manager for any underlying schemes.

2. Risk associated with Investing in money market instruments:

a. Interest Rate risk: This risk is associated with movements in interest rate, which depend on various factors such as government borrowing, inflation, economic performance etc. The values of investments will appreciate/depreciate if the interest rates fall/rise.

b. Credit risk: This risk arises due to any uncertainty in counterparty’s ability or willingness to meet its contractual obligations. This risk pertains to the risk of default of payment of principal and interest.

c. Liquidity risk: The liquidity of a security may change depending on market conditions leading to changes in the liquidity premium linked to the price of the security. At the time of selling the security, the security can become illiquid leading to loss in the value of the portfolio.

3. Risks associated with investing in Tri Party Repo through CCIL (TREPS):

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments.

CCIL maintains prefunded resources in all the clearing segments to cover potential losses arising from the default member. In the event of a clearing member failing to honour his settlement obligations, the default Fund is utilized to complete the settlement. The sequence in which the above resources are used is known as the “Default Waterfall”.

As per the waterfall mechanism, after the defaulter’s margins and the defaulter’s contribution to the default fund have been appropriated, CCIL’s contribution is used to meet the losses. Post utilization of CCIL’s contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members.

Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member).

However, it may be noted that a member shall have the right to submit resignation from the membership of the Security segment if it has taken a loss through replenishment of its contribution to the default fund for the segments and a loss threshold as notified have been reached. The maximum contribution of a member towards replenishment of its contribution to the default fund in the 7 days (30 days in case of securities segment) period immediately after the afore-mentioned loss threshold having been reached shall not exceed 5 times of its contribution to the Default Fund based on the last re-computation of the Default Fund or specified amount, whichever is lower.

Further, it may be noted that, CCIL periodically prescribes a list of securities eligible for contributions as collateral by members. Presently, all Central Government securities and
Treasury bills are accepted as collateral by CCIL. The risk factors may undergo change in case the CCIL notifies securities other than Government of India securities as eligible for contribution as collateral.

The underlying schemes having exposure to the fixed income securities and/or equity and equity related securities will be subject to the following risks and in turn the Scheme’s/Plans’ performance will be affected accordingly.

4. Risk factors pertaining to investment in Equities –

- The value of the Schemes’ investments, may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets. Consequently, the NAV of the Units of the Schemes may fluctuate and can go up or down.

- Investors may note that AMC/Fund Manager’s investment decisions may not be always profitable, as actual market movements may be at variance with anticipated trends. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of these investments. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The inability of the Schemes to make intended securities purchases due to settlement problems could cause the Schemes to miss certain investment opportunities.

- Investors may note that dividend is due only when declared and there is no assurance that a company (even though it may have a track record of payment of dividend in the past) may continue paying dividend in future. As such, the schemes are vulnerable to instances where investments in securities may not earn dividend or where lesser dividend is declared by a company in subsequent years in which investments are made by schemes. As the profitability of companies are likely to vary and have a material bearing on their ability to declare and pay dividend, the performance of the schemes may be adversely affected due to such factors.

- The schemes will also be vulnerable to movements in the prices of securities invested by the schemes which again could have a material bearing on the overall returns from the schemes.

- Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk. Within the Regulatory limits, the AMC may choose to invest in unlisted securities. This may however increase the risk of the portfolio.

- While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges. The liquidity of the Schemes’ investments is inherently restricted by trading volumes in the securities in which it invests.

- Fund manager endeavours to generate returns based on certain past statistical trend. The performance of the schemes may get affected if there is a change in the said trend. There can be no assurance that such historical trends will continue.

- In case of abnormal circumstances it will be difficult to complete the square off transaction due to liquidity being poor in stock futures/spot market. However fund will aim at taking exposure only into liquid stocks where there will be minimal risk to square
The schemes are also vulnerable to movements in the prices of securities invested by the schemes which again could have a material bearing on the overall returns from the schemes. These stocks, at times, may be relatively less liquid as compared to growth stocks.

10. Changes in Government policy in general and changes in tax benefits applicable to mutual funds may impact the returns to investors in the Schemes or business prospects of the Company in any particular sector.

5. Risk factors pertaining to investment in Fixed Income Securities

- **Market Risk:** The Net Asset Value (NAV) of the Scheme(s), to the extent invested in Debt and Money Market securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme(s) is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates.

- **Liquidity Risk:** Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the Scheme(s) and may lead to the Scheme(s) incurring losses till the security is finally sold.

- **Credit Risk:** Investments in Debt Securities are subject to the risk of an issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer.

- **Price Risk:** Government securities where a fixed return is offered run price-risk like any other fixed income security. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. The new level of interest rate is determined by the rates at which government raises new money and/or the price levels at which the market is already dealing in existing securities. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However, Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.

- **Reinvestment Risk:** This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the “interest on interest” component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.

- Different types of fixed income securities in which the Scheme(s) would invest as given in the Scheme Information Document carry different levels and types of risk. Accordingly, the Scheme(s) risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher level of risk than Government securities. Further even among corporate bonds, bonds, which are AAA rated, are comparatively less risky than bonds, which are AA rated.

- The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute level of risk of the portfolio.

- As zero coupon securities does not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to
invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.

- Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. The AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio.

- The Scheme(s) at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.

- Scheme’s performance may differ from the benchmark index to the extent of the investments held in the debt segment, as per the investment pattern indicated under normal circumstances.

- Investment in unrated instruments may involve a risk of default or decline in market value higher than rated instruments due to adverse economic and issuer-specific developments. Such investments display increased price sensitivity to changing interest rates and to a deteriorating economic environment. The market values for unrated investments tends to be more volatile and such securities tend to be less liquid than rated debt securities.

- Changes in government policy in general and changes in tax benefits applicable to Mutual Funds may impact the returns to investors in the Schemes.

- The inability of the Schemes to make intended securities purchases due to settlement problems could cause the Schemes to miss certain investment opportunities. By the same rationale, the inability to sell securities held in the Schemes’ portfolio due to the extraneous factors that may impact liquidity would result, at times, in potential losses to the Scheme, in case of a subsequent decline in the value of securities held in the Schemes’ portfolio.

6. Risks attached with investments in ADRs/GDRs/Other Overseas Investment:

It is AMC’s belief that the investment in ADRs/GDRs/overseas securities offers new investment and portfolio diversification opportunities into multi-market and multi-currency products. However, such investments also entail additional risks. Such investment opportunities may be pursued by the AMC provided they are considered appropriate in terms of the overall investment objectives of the Schemes. Since the Schemes would invest only partially in ADRs/GDRs/overseas securities, there may not be readily available and widely accepted benchmarks to measure performance of the Schemes. To manage risks associated with foreign currency and interest rate exposure, the Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by SEBI/RBI from time to time.

To the extent that the assets of the Schemes will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by the changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital also may be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of the other restrictions on investment.

Offshore investments will be made subject to any/all approvals, conditions thereof as may be stipulated by SEBI/RBI and provided such investments do not result in expenses to the Fund in excess of the ceiling on expenses prescribed by and consistent with costs and

Scheme Information Document

expenses attendant to international investing. The Fund may, where necessary, appoint other intermediaries of repute as advisors, custodian/sub-custodians etc. for managing and administering such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses. The fees and expenses would illustratively include, besides the investment management fees, custody fees and costs, fees of appointed advisors and sub-managers, transaction costs, and overseas regulatory costs.

Investors are requested to note that the costs associated with overseas investments like advisory fees (other than those expenses permissible under regulation 52 of SEBI Regulations) would not be borne by the scheme.

7. Risks associated with Investing in Derivatives -

1. The Schemes may use various derivative products as permitted by the Regulations. Use of derivatives requires an understanding of not only the underlying instrument but also of the derivative itself. Other risks include the risk of mis-pricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

2. The Fund may use derivatives instruments like Stock/Index Futures, Interest Rate Swaps, Forward Rate Agreements or other derivative instruments for the purpose of hedging and portfolio balancing, as permitted under the Regulations and guidelines. Usage of derivatives will expose the Schemes to certain risks inherent to such derivatives.

3. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

4. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have a large impact on their value. Also, the market for derivative instruments is nascent in India.

5. The risks associated with the use of derivatives are different from or possibly greater than the risks associated with investing directly in securities and other traditional investments.

6. The specific risk factors arising out of a derivative strategy used by the Fund Manager may be as below:

- Lack of opportunity available in the market.
- The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Execution Risk: The prices which are seen on the screen need not be the same at which execution will take place.
- Basis Risk: This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying asset being hedged.
- Exchanges could raise the initial margin, variation margin or other forms of margin on derivative contracts, impose one sided margins or insist that margins be placed in cash. All of these might force positions to be unwound at a loss, and might materially impact returns.
RISK FACTORS WITH RESPECT TO IMPERFECT HEDGING USING INTEREST RATE FUTURES

An Interest Rate Futures is an agreement to buy or sell a debt instrument at a specified future date at a price that is fixed today. Interest Rate Futures are Exchange traded. These future contracts are cash settled.

1. Perfect Hedging means hedging the underlying using IRF contract of same underlying.
2. Imperfect hedging means the underlying being hedged and the IRF contract has correlation of closing prices of more than 90%.

In case of imperfect hedging, the portfolio can be a mix of:
1) Corporate Bonds and Government securities or
2) Only Corporate debt securities or
3) Only government securities with different maturities

Risk associated with imperfect hedging includes:

Basis Risk: The risk arises when the price movements in derivative instrument used to hedge the underlying assets does not match the price movements of the underlying assets being hedged. Such difference may potentially amplify the gains or losses, thus adding risk to the position.

Price Risk: The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Risk of mismatch between the instruments: The risk arises if there is a mismatch between the prices movements in derivative instrument used to hedge, compared to the price movement of the underlying assets being hedged. For example when IRF which has government security as underlying is used, to hedge a portfolio that contains corporate debt securities.

Correlation weakening and consequent risk of regulatory breach: SEBI Regulation mandates minimum correlation criterion of 0.9 (calculated on a 90 day basis) between the portfolio being hedged and the derivative instrument used for hedging. In cases where the correlation falls below 0.9, a rebalancing period of 5 working days has been permitted. Inability to satisfy this requirement to restore the correlation level to the stipulated level, within the stipulated period, due to difficulties in rebalancing would lead to a lapse of the exemption in gross exposure computation. The entire derivative exposure would then need to be included in gross exposure, which may result in gross exposure in excess of 100% of net asset value.

8. Risk associated with investing in securitised debt

A securitization transaction involves sale of receivables by the originator (a bank, non-banking finance company, housing finance company, microfinance companies or a manufacturing/service company) to a Special Purpose Vehicle (SPV), typically set up in the form of a trust. Investors are issued rated Pass Through Certificates (PTCs), the proceeds of which are paid as consideration to the originator. In this manner, the originator, by selling his loan receivables to an SPV, receives consideration from investors much before the maturity of the underlying loans. Investors are paid from the collections of the underlying loans from borrowers. Typically, the transaction is provided with a limited amount of credit enhancement (as stipulated by the rating agency for a target rating), which provides protection to investors against defaults by the underlying borrowers. Generally available asset classes for securitization in India are:

- Commercial vehicles
In pursuance to SEBI communication dated: August 25, 2010, given below are the requisite details relating to investments in Securitized debt..

- Risk profile of securitized debt vis-à-vis risk appetite of the scheme:

The Scheme aims to provide reasonable returns to investors with a long-term investment horizon. To ensure the scheme targets only long term investors, the scheme has exit loads of up to 1 year which acts as a deterrent to short term investors. Securitized debt instruments are relatively illiquid in the secondary market and hence they are generally held to maturity which would match with the long-term investment horizon of these investors. Investment in these instruments will help the fund in aiming at reasonable returns. These returns come with a certain degree of risks which are covered separately in the Scheme Information Document. Accordingly, the medium risk profile of the securitised debt instruments matches that of the prospective investors of these funds.

- Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc.

- Risk mitigation strategies for investments with each kind of originator

For a complete understanding of the policy relating to selection of originators, we have first analysed below risks attached to a securitization transaction.

In terms of specific risks attached to securitization, each asset class would have different underlying risks, however, residential mortgages are supposed to be having lower default rates as an asset class. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Some of the asset classes such as personal loans, credit card receivables etc., being unsecured credits in nature, may witness higher default rates. As regards corporate loans/receivables, depending upon the nature of the underlying security for the loan or the nature of the receivable the risks would correspondingly fluctuate. However, the credit enhancement stipulated by rating agencies for such asset class pools is typically much higher, which helps in making their overall risks comparable to other AAA/AA rated asset classes.

The Scheme may invest in securitized debt assets. These assets would be in the nature of Asset Backed securities (ABS) and Mortgage Backed securities (MBS) with underlying pool of assets and receivables like housing loans, auto loans and single corporate loan originators. The Scheme intends to invest in securitized instruments rated AAA/AA by a SEBI recognized credit rating agency.

Before entering into any securitization transaction, the risk is assessed based on the information generated from the following sources:

(1) Rating provided by the rating agency
(2) Assessment by the AMC
Assessment by a Rating Agency

In its endeavor to assess the fundamental uncertainties in any securitization transaction, a credit rating agency normally takes into consideration following factors:

Credit Risk:

Credit risk forms a vital element in the analysis of securitization transaction. Adequate credit enhancements to cover defaults, even under stress scenarios, mitigate this risk. This is done by evaluating following risks:

- Asset risk
- Originator risk
- Portfolio risk
- Pool risks

The quality of the pool is a crucial element in assessing credit risk. In the Indian context, generally, pools are ‘cherry-picked’ using positive selection criteria. To protect the investor from adverse selection of pool contracts, the rating agencies normally take into consideration pool characteristics such as pool seasoning (seasoning represents the number of installments paid by borrower till date: higher seasoning represents better quality), over dues at the time of selection and Loan to Value (LTV). To assess its risk profile vis-à-vis the overall portfolio, the pool is analyzed with regard to geographical location, borrower profile, LTV, and tenure.

Counterparty Risk:

There are several counterparties in a securitization transaction, and their performance is crucial. Unlike in the case of credit risks, where the risks emanate from a diversified pool of retail assets, counterparty risks result in either performance or non-performance. The rating agencies generally mitigate such risks through the usage of stringent counterparty selection and replacement criteria to reduce the risk of failure. The risks assessed under this category include:

- Servicer risk
- Commingling risk
- Miscellaneous other counterparty risks

Legal Risks:

The rating agency normally conducts a detailed study of the legal documents to ensure that the investors' interest is not compromised and relevant protection and safeguards are built into the transaction.

Market Risks:

Market risks represent risks not directly related to the transaction, but other market related factors, stated below, which could have an impact on transaction performance, or the value of the investments to the investors.

- Macro-economic risks
- Prepayment risks
- Interest rate risks
Other Risks associated with investment in securitized debt and mitigation measures

Limited Liquidity and Price Risk:

There is no assurance that a deep secondary market will develop for the Certificates. This could limit the ability of the investor to resell them.

Risk Mitigation: Securitized debt instruments are relatively illiquid in the secondary market and hence they are generally held to maturity. The liquidity risk and HTM nature is taken into consideration at the time of analyzing the appropriateness of the securitization.

Limited Recourse, Delinquency and Credit Risk:

The Credit Enhancement stipulated represents a limited loss cover to the Investors. These Certificates represent an undivided beneficial interest in the underlying receivables and do not represent an obligation of either the Issuer or the Seller or the originator, or the parent or any affiliate of the Seller, Issuer and Originator. No financial recourse is available to the Certificate Holders against the Investors' Representative. Delinquencies and credit losses may cause depletion of the amount available under the Credit Enhancement and thereby the Investor Payouts to the Certificate Holders may get affected if the amount available in the Credit Enhancement facility is not enough to cover the shortfall. On persistent default of an Obligor to repay his obligation, the Servicer may repossess and sell the Asset. However many factors may affect, delay or prevent the repossession of such Asset or the length of time required to realise the sale proceeds on such sales. In addition, the price at which such Asset may be sold may be lower than the amount due from that Obligor.

Risk Mitigation: In addition to careful scrutiny of credit profile of borrower/pool additional security in the form of adequate cash collaterals and other securities may be obtained to ensure that they all qualify for similar rating.

Risks due to possible prepayments: Weighted Tenor / Yield

Asset securitisation is a process whereby commercial or consumer credits are packaged and sold in the form of financial instruments Full prepayment of underlying loan contract may arise under any of the following circumstances;

- Obligor pays the Receivable due from him at any time prior to the scheduled maturity date of that Receivable; or
- Receivable is required to be repurchased by the Seller consequent to its inability to rectify a material misrepresentation with respect to that Receivable; or
- The Servicer recognizing a contract as a defaulted contract and hence repossessing the underlying Asset and selling the same
- In the event of prepayments, investors may be exposed to changes in tenor and yield.

Risk Mitigation: A certain amount of prepayments is assumed in the calculations at the time of purchase based on historical trends and estimates. Further a stress case estimate is calculated and additional margins are built in.

Bankruptcy of the Originator or Seller:

If originator becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the sale from originator to Trust was not a sale then an Investor...
could experience losses or delays in the payments due. All possible care is generally taken in structuring the transaction so as to minimize the risk of the sale to Trust not being construed as a “True Sale”. Legal opinion is normally obtained to the effect that the assignment of Receivables to Trust in trust for and for the benefit of the Investors, as envisaged herein, would constitute a true sale.

Risk Mitigation: Normally, specific care is taken in structuring the securitization transaction so as to minimize the risk of the sale to the trust not being construed as a ‘true sale’. It is also in the interest of the originator to demonstrate the transaction as a true sell to get the necessary revenue recognition and tax benefits.

**Bankruptcy of the Investor’s Agent:**

If Investor’s agent becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the recourse of Investor’s Agent to the assets/receivables is not in its capacity as agent/ Trustee but in its personal capacity, then an Investor could experience losses or delays in the payments due under the swap agreement. All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by Investor’s Agent is held as agent and in Trust for the Investors and shall not form part of the personal assets of Investor’s Agent. Legal opinion is normally obtained to the effect that the Investors Agent’s recourse to assets/receivables is restricted in its capacity as agent and trustee and not in its personal capacity.

Risk Mitigation: All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by Investor’s Agent is held as agent and in Trust for the Investors and shall not form part of the personal assets of Investor’s Agent.

**Credit Rating of the Transaction / Certificate:**

The credit rating is not a recommendation to purchase, hold or sell the Certificate in as much as the ratings do not comment on the market price of the Certificate or its suitability to a particular investor. There is no assurance by the rating agency either that the rating will remain at the same level for any given period of time or that the rating will not be lowered or withdrawn entirely by the rating agency.

**Risk of Co-mingling:**

With respect to the Certificates, the Servicer will deposit all payments received from the Obligors into the Collection Account. However, there could be a time gap between collection by a Servicer and depositing the same into the Collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the Loan Agreements may not be segregated from other funds of originator. If originator in its capacity as Servicer fails to remit such funds due to Investors, the Investors may be exposed to a potential loss.

(2) **Assessment by the AMC**

**Mapping of structures based on underlying assets and perceived risk profile**

The scheme will invest in securitized debt originated by Banks, NBFCs and other issuers of investment grade credit quality and established track record. The AMC will evaluate
following factors, while investing in securitized debt:

**Originator:**

Acceptance Evaluation Parameters (For Pool Loan and Single Loan Securitization Transactions)

**Track record:**

The AMC ensures that there is adequate past track record of the Originator before selection of the pool including a detailed look at the number of issuances in past, track record of issuances, experience of issuance team, etc.

**Willingness to pay:**

As the securitized structure has underlying collateral structure, depending on the asset class, historical NPA trend and other pool / loan characteristics, a credit enhancement in the form of cash collateral, such as fixed deposit, bank, guarantee etc. is obtained, as a risk mitigation measure.

**Ability to pay:**

This assessment is based on a strategic framework for credit analysis, which entails a detailed financial risk assessment. Management analysis is used for identifying company specific financial risks. One of the most important factors for assessment is the quality of management based on its past track record and feedback from market participants. In order to assess financial risk a broad assessment of the issuer’s financial statements is undertaken to review its ability to undergo stress on cash flows and asset quality. Business risk assessment, wherein following factors are considered:

- Outlook for the economy (domestic and global)
- Outlook for the industry
- Company specific factors

In addition a detailed review and assessment of rating rationale is done including interactions with the company as well as agency

**Critical Evaluation Parameters (For Pool Loan and Single Loan Securitization Transactions)**

Typically the AMC would avoid investing in securitization transaction (without specific risk mitigant strategies / additional cash/security collaterals/ guarantees) if there are concerns on the following issues regarding the originator / underlying issuer:

- High default track record/ frequent alteration of redemption conditions / covenants
- High leverage ratios – both on a standalone basis as well on a consolidated level/ group level
- Higher proportion of reschedulement of underlying assets of the pool or loan, as the case may be
- Higher proportion of overdue assets of the pool or the underlying loan, as the case may be
- Poor reputation in market
- Insufficient track record of servicing of the pool or the loan, as the case may be.
Advantages of Investments in Single Loan Securitized Debt

- Wider Coverage: A Single Loan Securitized Debt market offers a more diverse range of issues / exposures as the Banks / NBFCs lend to larger base of borrowers.
- Credit Assessment: Better credit assessment of the underlying exposure as the Banks / NBFCs ideally co-invest in the same structure or take some other exposure on the same borrower in some other form.
- Better Structuring: Single Loan Securitized Debt investments facilitates better structuring than investments in plain vanilla debt instruments as it is governed by Securitization guidelines issued by RBI.
- Better Legal documentation: Single Loan Securitized Debt structures involve better legal documentation than Non-Convertible Debenture (NCD) investments.
- End use of funds: Securitized debt has better standards of disclosures as well as limitation on end use of funds as compared to NCD investments wherein the end use is general corporate purpose.
- Yield enhancer: Single Loan Securitized Debt investments give higher returns as compared to NCD investments in same corporate exposure.
- Regulator supervision: Macro level supervision from RBI in Securitization Investments as compared to NCD investments.
- Tighter covenants: Single Loan Securitized Debt structures involve tighter financial covenants than NCD investments.

Disadvantages of Investments in Single Loan Securitized Debt

- Liquidity risk: Investments in Single Loan Securitized Debts have relatively less liquidity as compared to investments in NCDs.
- Co-mingling risk: Servicers in a securitization transaction normally deposit all payments received from the obligors into a collection account. However, there could be a time gap between collection by a servicer and depositing the same into the collection account. In this interim period, collections from the loan agreements by the servicer may not be segregated from other funds of the servicer. If the servicer fails to remit such funds due to investors, investors in the Scheme may be exposed to a potential loss.

Table below illustrates the framework that will be applied while evaluating investment decision relating to a pool securitization transaction:

## Notes:

1. Retail pools are the loan pools relating to Car, 2 wheeler, micro finance and personal loans, wherein the average loan size is relatively small and spread over large number of borrowers.
2. Information illustrated in the Tables above, is based on the current scenario relating to Securitized Debt market and is subject to change depending upon the change in the related factors.
3. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments
4. Majority of our securitized debt investments shall be in asset backed pools wherein we’ll have underlying assets as Medium and Heavy Commercial Vehicles, Light Commercial Vehicles (LCV), Cars, and Construction Equipment etc. Where we invest in Single Loan Securitization, as the credit is on the underlying issuer, we focus on the credit review of the borrower. A credit analyst sets up limit for various issuers based on independent research taking into account their historical track record, prevailing rating and current financials.

In addition to the framework as per the table above, we also take into account following factors, which are analyzed to ensure diversification of risk and measures identified for less diversified investments:

- **Size of the Loan:**

  We generally analyze the size of each loan on a sample basis and analyze a static pool of the originator to ensure the same matches the Static pool characteristics. Also indicates whether there is excessive reliance on very small ticket size, which may result in difficult and costly recoveries. To illustrate, the ticket size of housing loans is generally higher than that of personal loans. Hence in the construction of a housing loan asset pool for say Rs.1,00,00,000/- it may be easier to construct a pool with just 10 housing loans of Rs.10,00,000 each rather than to construct a pool of personal loans as the ticket size of personal loans may rarely exceed Rs.5,00,000/- per individual. Also to amplify this illustration further, if one were to construct a pool of Rs.1,00,00,000/- consisting of personal loans of Rs.1,00,000/- each, the larger number of contracts (100 as against one of 10 housing loans of Rs.10 lakh each) automatically diversifies the risk profile of the pool as compared to a housing loan based asset pool.

- **Average Original Maturity of the Pool:**

  Indicates the original repayment period and whether the loan tenors are in line with industry averages and borrower’s repayment capacity. To illustrate, in a car pool consisting of 60-month contracts, the original maturity and the residual maturity of the pool viz. number of remaining installments to be paid gives a better idea of the risk of default of the pool itself. If in a pool of 100 car loans having original maturity of 60 months, if more than 70% of the contracts have paid more than 50% of the installments and if no default has been observed in such contracts, this is a far superior portfolio than a similar car loan pool where 80% of the contracts have not even crossed 5 installments.
• **Default Rate Distribution:**

We generally ensure that all the contracts in the pools are current to ensure zero default rate distribution. Indicates how much % of the pool and overall portfolio of the originator is current, how much is in 0-30 DPD (days past due), 30-60 DPD, 60-90 DPD and so on. The rationale here being, as against 0-30 DPD, the 60-90 DPD is certainly a higher risk category.

• **Geographical Distribution:**

Regional/state/branch distribution is preferred to avoid concentration of assets in a particular region/state/branch.

• **Loan to Value Ratio:**

Indicates how much % value of the asset is financed by borrower’s own equity. The lower LTV, the better it is. This Ratio stems from the principle that where the borrowers own contribution of the asset cost is high, the chances of default are lower. To illustrate for a Truck costing Rs.20 lakhs, if the borrower has himself contributed Rs.10 lakh and has taken only Rs.10 lakh as a loan, he is going to have lesser propensity to default as he would lose an asset worth Rs.20 lakhs if he defaults in repaying an installment. This is as against a borrower who may meet only Rs.2 lakh out of his own equity for a truck costing Rs.20 lakh. Between the two scenarios given above, the latter would have higher risk of default than the former.

• **Average seasoning of the pool:**

Indicates whether borrowers have already displayed repayment discipline. To illustrate, in the case of a personal loan, if a pool of assets consist of those who have already repaid 80% of the installments without default, this certainly is a superior asset pool than one where only 10% of installments have been paid. In the former case, the portfolio has already demonstrated that the repayment discipline is far higher.

• **Risk Tranching:**

Typically, we would avoid investing in mezzanine debt or equity of Securitized debt in the form of sub ordinate tranche, without specific risk mitigant strategies / additional cash / security collaterals/ guarantees, etc.

9. **Risks associated with Short Selling and Securities Lending:**

Securities lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed.

The risks in security lending consist of the failure of intermediary / counterparty, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the intermediary / counterparty. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The scheme may not be able to sell lent out securities, which can lead to temporary illiquidity & loss of opportunity.
Investors are requested to refer to section “How will the Scheme allocate its assets?” for maximum permissible exposure to Securities Lending & Borrowing.

The AMC shall report to the Trustee on a quarterly basis as to the level of lending in terms of value, volume and the names of the intermediaries and the earnings/losses arising out of the transactions, the value of collateral security offered etc. The Trustees shall offer their comments on the above aspect in the report filed with SEBI under sub-regulation 23(a) of Regulation 18.

The Scheme will not engage in Short Selling activity.

10. Risk Factors Associated with Investments in REITs and InvITs:

Market Risk:

REITs and InvITs are volatile and prone to price fluctuations on a daily basis owing to market movements. Investors may note that AMC/Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with the anticipated trends. The NAV of the Scheme is vulnerable to movements in the prices of securities invested by the scheme, due to various market related factors like changes in the general market conditions, factors and forces affecting capital market, level of interest rates, trading volumes, settlement periods and transfer procedures. The scheme will undertake active portfolio management as per the investment objective to reduce the marker risk.

Liquidity Risk:

As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk. The fund will try to maintain a proper asset-liability match to ensure redemption payments are made on time and not affected by illiquidity of the underlying units.

Reinvestment Risk:

Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns. However, the reinvestment risk will be limited as the proceeds are expected to be a small portion of the portfolio value.

The above are some of the common risks associated with investments in REITs & InvITs. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis.

11. Risk Factors associated with investments in Gilt Securities

Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in prices is a function of the existing coupon, days to maturity and the increase or decrease in interest rates. Price-risk is not unique to government securities but is true for all fixed income securities. The default risk however, in respect of Government securities is zero. Therefore, their prices are influenced only by movement in interest rates in the financial system. On the other hand, in the case of corporate or institutional fixed income securities, such as bonds or debentures, prices are influenced by credit standing of the issuer as well as the general level of interest rates.
Even though the Government securities market is more liquid compared to other debt instruments, on occasions, there could be difficulties in transacting in the market due to extreme volatility or unusual constriction in market volumes or on occasions when an unusually large transaction has to be put through.

12. Risk associated with investments in Gold and Gold ETF’s

The scheme would invest in Gold ETFs / Schemes. Accordingly the NAV of the scheme will react to Gold price movements.

Several factors that may affect the price of gold are as follows:

- Global gold supplies and demand, which is influenced by factors such as forward selling by gold producers, purchases made by gold producers to unwind gold hedge positions, central bank purchases and sales, productions and cost levels in major gold producing countries such as the South Africa, the United States and Australia.
- Investors’ expectations with respect to the rate of inflation
- Currency exchange rates
- Interest rates
- Investment and trading activities of hedge funds and commodity funds
- Global or regional political, economic or financial events and situations
- Changes in indirect taxes or any other levies

• Investors should be aware that there is no assurance that gold will maintain its long-term value in terms of purchasing power in the future. In the event that the price of gold declines, the value of investment is expected to decline proportionately.
• The returns from physical gold may underperform returns from the various general securities markets or different asset classes other than gold. Different types of securities tend to go through cycles of out-performance and under-performance in comparison to the general securities markets.
• The scheme may invest in Gold ETFs. The units may trade above or below their NAV. The NAV of the Scheme will fluctuate with changes in the market value of the holdings. The trading prices will fluctuate in accordance with changes in their NAV as well as market supply and demand. However, given that units of Gold ETFs can be created and redeemed in Creation Units, it is expected that large discounts or premiums to the NAV will not sustain due to arbitrage opportunity available.
• Value of Gold ETF Units could decrease if unanticipated operational or trading problems arise.

In case of investment in Gold ETFs, the scheme can subscribe to the units of Gold ETFs according to the value equivalent to unit creation size as applicable. If subscriptions received are not adequate enough to invest in creation unit size, the subscriptions may be deployed in debt and money market instruments which will have a different return profile compared to gold returns profile.

• Risk management strategies

The underlying schemes having exposure to the fixed income securities and/or equity and equity related securities will be subject to the following risks and in turn the Scheme’s/ Plans’ performance will be affected accordingly.

All currency derivatives trade, if any will be done only through the stock exchange platform.

### Derivatives Risk

As and when the Scheme trades in the derivatives market there are risk factors and issues concerning the use of derivatives since derivative products are specialized instruments that require investment techniques and risk analyses different from those associated with stocks and bonds. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the “counter party”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

The underlying schemes may invest in derivative for the purpose of hedging, portfolio balancing and other purposes as may be permitted under the Regulations. Interest Rate Swaps will be done with approved counter parties under pre-approved ISDA agreements. Interest rate swaps and other derivative instruments will be used as per local (RBI and SEBI) regulatory guidelines.

### B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.
C. SPECIAL CONSIDERATIONS, if any

- Investors in the Scheme are not being offered any guaranteed returns.
- Investors are advised to consult their Legal /Tax and other Professional Advisors in regard to tax/legal implications relating to their investments in the Plan/s and before making decision to invest in or redeem the Units.
- Investors may please note that they will be bearing the expenses of the relevant fund of fund scheme in addition to the expenses of the underlying schemes in which the fund of fund scheme makes investment.
- The AMC is also engaged in portfolio management services (PMS) since October 2000 under SEBI Registration No. INP000000373. The AMC is also rendering Advisory Services to SEBI registered foreign portfolio investors (FPIs) and their sub-accounts. The AMC is also providing investment management services to Alternative Investment Funds registered under SEBI (Alternative Investment Funds) Regulations, 2012. The AMC has a common research team. These activities are not in conflict with the activities of the Mutual Fund. In the situations of unavoidable conflicts of interest, the AMC undertakes that it shall satisfy itself that adequate disclosures are made of sources of conflict, potential ‘material risk or damage’ to investor interest and develop parameters for the same.
- The Mutual Fund may disclose details of the investor's account and transactions thereunder to those intermediaries whose stamp appears on the application form. In addition, the Mutual Fund may disclose such details to the bankers / its agents, as may be necessary for the purpose of effecting payments to the investor. Further, the Mutual Fund may disclose details of the investor's account and transactions thereunder to any Regulatory/Statutory entities as per the provisions of law.

II. INFORMATION ABOUT THE SCHEME

A. TYPE OF THE SCHEME

An open ended fund of funds scheme investing in equity oriented schemes, debt oriented schemes and gold ETFs/schemes.

B. WHAT IS THE INVESTMENT OBJECTIVE OF THE SCHEME?

The primary objective of the Scheme is to generate capital appreciation primarily from a portfolio of equity, debt, and gold schemes accessed through the diversified investment styles of underlying schemes.

However, there can be no assurance or guarantee that the investment objective of the Scheme would be achieved.

C. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation under the Scheme will be as follows:

<table>
<thead>
<tr>
<th>Type of Security</th>
<th>Indicative allocations (% of corpus) under normal circumstances</th>
<th>Risk Profile</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>

</tr>
</tbody>
</table>

* or similar instruments as may be permitted by RBI/SEBI

The Scheme can invest in the schemes managed by ICICI Prudential Mutual Fund or any other Mutual Fund(s) as per the above stated asset allocation. The cumulative gross exposure should not exceed 100% of the net assets of the Scheme.

At all points of time, the scheme will remain invested at least 95% (minimum allocation) in the underlying schemes. However, on account of rebalancing or certain liquidity requirements, the exposure to the underlying mutual fund schemes may fall below 95%. In such cases the same shall be rebalanced as per the provisions stated below. The portfolio would be rebalanced periodically to address any deviations from the aforementioned allocations due to market changes.

In case of the situation specified in the aforesaid paragraph or in the event of change in the asset allocation, the fund manager will carry out portfolio rebalancing within 30 Days. Further, in case the portfolio is not rebalanced within the period of 30 days, justification for the same shall be placed before the Internal Investment Committee and reasons for the same shall be recorded in writing. The Internal Investment Committee shall then decide on the future course of action.
Change in Investment Pattern

Subject to the Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and defensive considerations.

Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

D. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme will be invested in the schemes of domestic or offshore Mutual Funds that invest in debt, money market instruments and equity and equity related instruments depending on the asset allocation pattern and Investment Objective of FOF as indicated in this document. As per the SEBI guidelines, a Fund of funds scheme shall not invest its assets other than in schemes of mutual funds, except to the extent of funds required for meeting the liquidity requirements for the purpose of repurchases or redemptions. Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1) Units of various schemes of onshore or offshore Mutual Fund(s).
2) Obligations/ Term Deposits of banks (both public and private sector) and development financial institutions.
3) Money market instruments permitted by SEBI/RBI
4) The Scheme may make investments in Gold Exchange Traded Fund and other Exchange Traded Fund. The Scheme will make investments in onshore Gold Exchange Traded Fund and in case of other Exchange Traded Fund(s) ETF(s) the investments will be made both in on shore and off shore ETF(s)

The units of the schemes of the Mutual Funds in which the Scheme propose to make investments in could be listed or unlisted, open/closed ended. The units may be acquired through subscription to the units during the New Fund Offer of the schemes or by subscriptions on on-going basis in case of open-ended schemes.

E. WHAT ARE THE INVESTMENT STRATEGIES?

Subject to the Regulations and other prevailing laws as applicable, the Scheme can invest in any (but not exclusively) of the following category of the schemes:

1. Units of Equity oriented Schemes;
2. Units of Debt oriented Schemes;
3. Units of Gold ETF/Schemes;

The scheme allocates its net assets dynamically between equity oriented / debt oriented /gold schemes. The scheme invests in Money Market Securities as per the prevailing regulations from time to time, only for the purpose of liquidity requirements. The Scheme will allocate its assets between equity oriented, debt oriented and gold ETF/schemes depending on the in-house valuation model. The valuation model consists of following broad parameters such as:
- Earning Yield of Equity
- Bond Yield
- Currency
- Crude

Post analyzing the above mentioned parameters, the Fund Manager will determine the relative allocation to equity oriented, debt oriented and gold ETF/schemes.

POSITION OF EQUITY MARKET IN INDIA

The Indian stock market is one of the world’s largest stock markets on the basis of investor base and has a collective pool of about 27 million investor accounts.

There are two leading stock exchanges in India, i.e. BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). BSE was established in 1875 and is the oldest stock exchange in Asia. NSE, a more recent establishment which came into existence in 1992, is the largest and most advanced stock market in India and is also one of the biggest stock exchanges in Asia in terms of transactions. NSE's flagship index, NIFTY 50, is used extensively by investors in India and around the world to take exposure to the Indian equities market.

BSE has a large number of scrips which are listed. The Indian stock market scene really picked up after the opening up of the economy in the early nineties. NSE changed the way the Indian markets function, in the early nineties, by replacing floor based trading with nationwide screen based electronic trading, which took trading to the doorstep of the investor. NSE was mainly set up to bring in transparency in the markets. Instead of trading membership being confined to a group of brokers, NSE ensured that anyone who was qualified, experienced and met minimum financial requirements was allowed to trade. The price information which could earlier be accessed only by a handful of people could now be seen by a client in a remote location with the same ease. The paper based settlement was replaced by electronic depository based accounts and settlement of trades was always done on time. One of the most critical changes was that a robust risk management system was set in place, so that settlement guarantees could protect investors against broker defaults. The corporate governance rules were gradually put in place which initiated the process of bringing the listed companies at a uniform level.

Movement of Nifty 50 Index since inception:*
POSITION OF DEBT MARKET IN INDIA

Indian debt markets, in the early nineties, were characterised by controls on pricing of assets, segmentation of markets and barriers to entry, low levels of liquidity, limited number of players, near lack of transparency, and high transactions cost. Financial reforms have significantly changed the Indian debt markets for the better. Most debt instruments are now priced freely on the markets; trading mechanisms have been altered to provide for higher levels of transparency, higher liquidity, and lower transactions costs; new participants have entered the markets, broad basing the types of players in the markets; methods of security issuance, and innovation in the structure of instruments have taken place; and there has been a significant improvement in the dissemination of market information. There are three main segments in the debt markets in India, viz., Government Securities, Public Sector Units (PSU) bonds, and corporate securities. A bulk of the debt market consists of Government Securities. Other instruments available currently include Corporate Debentures, Bonds issued by Financial Institutions, Commercial Paper, Certificates of Deposits and Securitized Debt. Securities in the Debt market typically vary based on their tenure and rating. Government Securities have tenures from one year to thirty years whereas the maturity period of the Corporate Debt now goes upto sixty years and more (perpetual). Perpetual bonds are now issued by banks as well. Securities may be both listed and unlisted and there is increasing trend of securities of maturities of over one year being listed by issuers. While in the corporate bond market, deals are conducted over telephone and are entered on principal-to-principal basis, due to the introduction of the Reserve Bank of India’s NDS- Order Matching system a significant proportion of the government securities market is trading on the new system.

The yields and liquidity on various securities as on March 31, 2019 are as under:

I. WHAT ARE THE INVESTMENT RESTRICTIONS?

Pursuant to the Regulations and amendments thereto, the following investment restrictions are presently applicable to the Scheme:

1) Transfer of investments from one scheme to another scheme in the same Mutual Fund is permitted provided:
   a) Such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
   b) The securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.

Further the inter Scheme transfer of investments shall be in accordance with the provisions contained in clause Inter-Scheme transfer of investments, contained in Statement of Additional Information.

2) The Fund shall get the securities purchased transferred in the name of the Fund on account of the concerned scheme, wherever investments are intended to be of a long-term nature.

3) The Fund may buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relative securities and in all cases of sale, deliver the securities and will not make any short sales or engage in carry forward transaction or badla finance. Provided that mutual funds shall enter into derivatives transactions in a recognised stock exchange for the purpose of hedging and portfolio balancing, in accordance with the guidelines issued by SEBI.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the RBI in this regard

4) No loans for any purpose can be advanced by the Scheme.

5) No mutual fund scheme shall make any investments in;
   a) any unlisted security of an associate or group company of the sponsor; or
   b) any security issued by way of private placement by an associate or group company of the Sponsor; or
   c) the listed securities of group companies of the Sponsor which is in excess of 25% of the net assets of the scheme of the Mutual Fund.

6) The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase/ redemption of units or payment of interest and dividend to the Unitholders. Such borrowings shall not exceed more than 20% of the net assets of the individual scheme and the duration of the borrowing shall not exceed a period of 6 months.
7) Subject to SEBI Circular No. SEBI/IMD/CIR No.7/129592/08 dated June 23, 2008 and in accordance with SEBI Circular no SEBI/IMD/CIR No. 1/91171/07 dated 16th April 2007 and SEBI/IMD/CIR No. 8 / 107311 /07 October 26, 2007, following guidelines shall be followed for parking of funds in short term deposits of Scheduled commercial Banks pending deployment

a. “Short Term” for such parking of funds by mutual funds shall be treated as a period not exceeding 91 days.

b. Such short term deposits shall be held in the name of the concerned scheme.

c. No mutual fund scheme shall park more than 15% of the net assets in Short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with prior approval of the trustees. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the mutual fund in short term deposits.

d. No mutual fund scheme shall park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.

e. Trustees shall ensure that no funds of a scheme may be parked in short term deposit of a bank which has invested in that scheme.

f. Asset Management Company (AMC) shall not be permitted to charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks in case of liquid and debt oriented schemes.

g. All funds parked in short term deposit(s) shall be disclosed in half yearly portfolio statements under a separate heading. Details such as name of the bank, amount of funds parked, percentage of NAV may be disclosed.

h. Trustees shall certify in the half-yearly reports that the provision of the Regulation pertaining to parking of funds in short term deposits - pending deployment is being complied with at all points of time. Further the AMC shall also certify the same in its bi-monthly compliance test report.

8) The Mutual Fund having an aggregate of securities which are worth Rs.10 crores or more, as on the latest balance sheet date, shall subject to such instructions as may be issued from time to time by the Board, settle their transactions entered on or after January 15, 1998 only through dematerialised securities. Further, all transactions in government securities shall be in dematerialised form.

9) This Scheme shall not invest in any other Fund of Funds Scheme.

10) A fund of funds scheme shall not invest its assets other than in schemes of mutual funds, except to the extent of funds required for meeting the liquidity requirements for the purpose of repurchases or redemptions, as disclosed in the Scheme Information Document.

11) The scheme will comply with any other regulation applicable to the investments of mutual funds from time to time.

12) All investment restrictions shall be applicable at the time of making investments.

The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow or as deemed fit in the general interest of the Unitholders.

ICICI Prudential Regular Gold Savings Fund is a fund of funds scheme with the primary objective to generate returns by investing in units of ICICI Prudential Gold ETF. However, there can be no assurance that the investment objectives of the Scheme will be realized.

The investments into underlying funds under the Scheme would, inter alia, be governed by:

- The investment management style of such scheme
- The tolerance and the risk profile of such schemes
- The asset allocation (such as equity or debt) of such schemes.

ICICI Prudential Global Stable Equity Fund is an open-ended fund of funds scheme that seeks to provide adequate returns by investing in the units of overseas mutual fund schemes, which have the mandate to invest globally. Currently, the Scheme intends to invest in the units/shares of Nordea 1 – Global Stable Equity Fund – Unhedged (N1 – GSEF - U) and/or other overseas mutual funds. The fund manager may also invest in one or more other overseas mutual fund schemes, with similar investment policy/fundamental attributes and risk profile and is in accordance with the investment strategy of the Scheme.

The Scheme may also invest a certain portion of its corpus in domestic money market securities and/or money market/liquid schemes of domestic mutual funds including that of ICICI Prudential Mutual Fund, in order to meet liquidity requirements from time to time.

However, there can be no assurance that the investment objective of the Scheme will be realized.

### III. UNITS AND OFFER

This section provides details you need to know for investing in the scheme.

#### A. New Fund Offer Details – Not Applicable

This section does not apply to the Scheme covered in this SID, as the ongoing offer of the Scheme has commenced after the NFO, and the units are available for continuous subscription and redemption.

#### B. ONGOING OFFER DETAILS

| Ongoing price for subscription (purchase)/switch-in (from other schemes/plans of the mutual fund) by investors. | The purchase price of the Units will be based on the Applicable NAV.  
Purchase Price = Applicable NAV (for respective plan and option of the Scheme)  
**Example:** An investor invests ₹ 20,000/- and the current NAV is ₹ 20/- then the purchase price will be ₹ 20/- and the investor receives 20000/20 = 1000 units.  
The Scheme will comply with SEBI circular No. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009 regarding applicability of entry load. |
| Ongoing price for redemption (sale) /switch outs (to other schemes/plans of the Mutual Fund) by investors. | The Redemption Price of the Units will be based on the Applicable NAV (for respective plan and option of the Scheme) subject to the prevalent exit load provisions. The Redemption Price of the Units will be computed as follows:  
Redemption Price = Applicable NAV (for respective plan and option of the Scheme) * (1-Exit Load as applicable to the investor).  
Applicable exit load shall be subject to the tenure of investment of the investor in the scheme vis-à-vis the exit load structure applicable when investor had invested in the scheme.  
**Example:** An investor invests on April 1, 2017 when the applicable exit load for the scheme was 2% if redeemed within 1 year, else nil.  
**Scenario 1)** In case investor redeems before April 1, 2018, then applicable exit load would be 2%. Now suppose the same investor decides to redeem his 1000 units. The prevailing NAV is ₹ 25/-. Hence, the sale or redemption |

difference between the Redemption Price and Purchase Price of the Units shall not exceed the permissible limit of 7% of the Purchase Price, as provided for under the Regulations.

Notice of the changes in the load structure (exit load) shall be made by a suitable display in the Customer Service Centres of the AMC and will be published in at least one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated.

**Payment of proceeds**
All redemption requests received prior to the cut-off time on any Business Day at the Official Points of Acceptance of Transactions will be considered accepted on that Business Day, subject to the redemption requests being complete in all respects, and will be priced on the basis of Redemption Price for that day. Requests received after the cut-off time will be treated as though they were accepted on the next Business Day.

As per the Regulations, the Fund shall dispatch redemption proceeds within 10 Business Days (working days) of receiving the redemption request.

Trustees reserve the right to alter or modify the number of days taken for redemption of Units under the Fund after taking into consideration the actual settlement cycle, when announced, as also the changes in the settlement cycles that may be announced by the Principal Stock Exchanges from time to time.

As per the guidelines issued by SEBI, in the event of failure to dispatch the redemption or repurchase proceeds within 10 working days, the AMC is liable to pay interest to the Unit holders @ 15% p.a. SEBI has further advised the mutual funds that in the event of payment of interest to the Unit holders, such Unit holders should be informed about the rate and the amount of interest paid to them.

If the Unit holder fails to provide the Bank mandate, the request for redemption would be considered as not valid and the Fund retains the right to reject/withhold the redemption until a proper bank mandate is furnished by the Unitholder and the provision with respect of penal interest in such cases will not be applicable/entertained.

The mode of payment may be direct credit/ECS/cheque or any other mode as may be decided by AMC in the interest of investors.

**Suspension of Sale and Redemption of Units**
Suspension or restriction of repurchase/ redemption facility under any scheme of the mutual fund shall be made applicable only after obtaining the approval from the Boards of Directors of the AMC and the Trustees.
Additionally, the following requirements shall need to be observed before imposing restriction on redemptions:

a) Restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:
   i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security.
   ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies.
   iii. Operational issues – when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems.

b) Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period.

c) Any imposition of restriction would require specific approval of Board of AMC and Trustees and the same should be informed to SEBI immediately.

d) When restriction on redemption is imposed, the following procedure shall be applied:
   1. No redemption requests up to INR 2 lakh shall be subject to such restriction.
   2. Where redemption requests are above INR 2 lakh, AMCs shall redeem the first INR 2 lakh without such restriction and remaining part over and above INR 2 lakh shall be subject to such restriction.

Right to Limit Redemptions

Any Units, which by virtue of these limitations are not redeemed on a particular Business Day, will be carried forward for Redevelopment to the next Business Day, in order of receipt. Redemptions so carried forward will be priced on the basis of the Applicable NAV (subject to the prevailing load) of the Business Day on which Redevelopment is made. Under such circumstances, to the extent multiple Redevelopment requests are received at the same time on a single Business Day, Redemptions will be made on pro-rata basis, based on the size of each Redevelopment request, the balance amount being carried forward for Redevelopment to the next Business Day(s).

Suspension or restriction of repurchase/ redemption facility under any scheme of the mutual fund shall be made applicable only after obtaining the approval from the Boards of Directors of the AMC and the Trustees. After obtaining the approval from the AMC Board and the
Trustees, intimation would be sent to SEBI in advance providing details of circumstances and justification for the proposed action shall also be informed.

Where can the applications for purchase/redemption switches be submitted?

Computer Age Management Services Private Limited (CAMS), New No 10, Old No. 178, Opp. to Hotel Palm Grove, MGR Salai (K.H.Road) Chennai - 600 034 has been appointed as Registrar for the Scheme. The Registrar is registered with SEBI under registration No: INR000002813. As Registrar to the Scheme, CAMS will handle communications with investors, perform data entry services and dispatch Account Statements. The AMC and the Trustee have satisfied themselves that the Registrar can provide the services required and have adequate facilities and the system capabilities.

Investors can submit the application forms at the Details of official points of acceptance of CAMS and Branches of AMC are provided on back cover page.

Investors can also subscribe and redeem units from the official website of AMC i.e. www.icicipruamc.com.

*In case the date chosen for SIP falls on a Non-Business Day or on a date which is not available in a particular month, the SIP will be processed on the immediate next Business Day.

Investors can subscribe through SIP by using NACH facilities offered by the Banks. The cheques should be in favor of “ICICI Prudential Asset Allocator Fund” and crossed “Account Payee Only”, and the cheques must be payable at the center where the applications are submitted to the Customer Service Centre. In case of fresh/additional purchases, if the name of the Scheme on the application form/transaction slip differs with the name on the Cheque/Demand Draft, then the AMC will allot units under the Scheme mentioned on the application form/transaction slip.

In case of fresh/additional purchases, if the Scheme name is not mentioned on the application form/transaction slip, then the units will be allotted under the Scheme mentioned on the Cheque/Demand Draft. The Option that will be considered in such cases if not specified by the customer will be the default option of the Scheme as per the SID. However, in case additional purchase is under the same scheme as fresh purchase, then the AMC reserves the right to allot units in the option under which units were allotted at the time of fresh purchase.

Further, Investors/unitholders subscribing for SIP are required to submit SIP request at least 30 days prior to the date of first debit date and SIP start date shall not be beyond 100 days from the date of submission of request for SIP.

All terms and conditions for SIP/STP, including Exit Load, if any, prevailing in the date of SIP/STP enrolment/registration by the fund shall be levied in the Schemes.

Units will be allotted for the amount net of the bank charges, if any. On receipt of the post-dated cheques, the Registrar/AMC will send a letter to the Unitholder confirming that his/her name has been included in the Systematic Investment Plan. The cheques will be presented on the dates mentioned on the cheque and Units will be allotted accordingly. Within 3 Business Days of such allotment, a fresh Account Statement/Transaction Confirmation will be mailed to the Unitholder, indicating the new balance to his/her credit in the Account. An investor will have the right to discontinue the Systematic Investment Plan, subject to giving 30 days prior notice to the subsequent SIP date.

**Terms and conditions for SIP:**

- New Investor - If the investor fails to mention the
scheme name in the SIP Mandate Form, then the Fund reserves the right to register the SIP as per the scheme name available in the main application. Incase multiple schemes are mentioned in the main application form, Fund reserves the right to reject the SIP request.

- **Existing Investor** - If the investor fails to mention the scheme name in the SIP Mandate Form, then the Fund reserves the right to register the SIP in the existing scheme (Eligible for SIP) available in the investor's Folio. Incase Multiple Schemes or Equity Linked Savings Scheme (ELSS) are available in the folio then Fund reserves the right to reject the SIP request.

- In case SIP date is not selected, then the SIP will be registered on 10\(^{th}\) (default date) of each Month/Quarter, as applicable. Further if multiple SIP dates are opted for or if the selection is not clear, then the sip will be registered for 10th of each Month/Quarter, as applicable.

- If the investor has not mentioned the SIP start Month, SIP will start from the next applicable month, subject to completion of 30 days lead time from the receipt of SIP request.

- In case the SIP 'End period' is incorrect OR not mentioned by the investor in the SIP form, then 5 years from the start date shall be considered as default End Period.

**SIP TOP UP Facility:**

a. Investors can opt for SIP TOP UP facility with Fixed Top Up option or Variable Top Up option, wherein the amount of the SIP can be increased at fixed intervals. In case the investor opts for both options, the Variable Top Up option shall be triggered.

b. The Fixed TOP UP amount shall be in multiples of Rs. 100/-.

c. Variable TOP UP would be available in at 10%, 15% and 20% and such other denominations (over and above 10%, 15% and 20%) as opted by the investor in multiples of 5%.

d. The frequency is fixed at Yearly and Half Yearly basis. In case the TOP UP facility is not opted by ticking the appropriate box and frequency is not selected, the TOP UP facility may not be registered.

e. In case of Quarterly SIP, only the Yearly frequency is available under SIP TOP UP.

f. SIP Top-Up facility shall also be available for the existing investors who have already registered for SIP facility without Top-Up option.
**Top-Up Cap amount or Top-Up Cap month-year:**
Top-Up Cap amount: Investor has an option to freeze the SIP Top-Up amount once it reaches a fixed predefined amount. The fixed pre-defined amount should be same as the maximum amount mentioned by the investor in the bank mandate. In case of difference between the Cap amount & the maximum amount mentioned on Bank mandate, then amount which is lower of the two amounts shall be considered as the default amount of SIP Cap amount.

Top-Up Cap month-year: It is the date from which SIP Top-Up amount will cease and last SIP installment including Top-Up amount will remain constant from Cap date till the end of SIP tenure.

Investor shall have flexibility to choose either Top-Up Cap amount or Top-Up Cap month-year. In case of multiple selection, Top-Up Cap amount will be considered as default selection.

Top-Up Cap is applicable for Fixed Top Up option as well as Variable Top Up option.

All the investors of the fund availing the facility under SIP Variable Top-Up feature are hereby requested to select either Top-Up Cap amount or Top-Up Cap month-year. In case of no selection, the SIP Variable Top-Up amount will be capped at a default amount of Rs. 10 Lakhs.

Under the said facility, SIP amount will remain constant from Top-Up Cap date/amount till the end of SIP Tenure.

**Micro Systematic Investment Plan (Micro SIP):**
The unit holder will have the facility of MicroSIP under the current Systematic Investment Plan facility. The Minimum Investment amount per installment will be as per applicable minimum investment amount of the respective Scheme. The total investment under MicroSIP cannot exceed Rs. 50,000/-.

Micro Investment: With effect from October 30, 2012, where the aggregate of the lump sum investment (fresh purchase & additional purchase) and Micro SIP installments by an investor in a financial year i.e April to March does not exceed 50,000/- it shall be exempt from the requirement of PAN. However, requirements of Know Your Customer (KYC) shall be mandatory. Accordingly, investors seeking the above exemption for PAN still need to submit the KYC Acknowledgement, irrespective of the amount of investment. This exemption will be available only to Micro investment made by the individuals being
Indian citizens (including NRIs, Joint holders, minors acting through guardian and sole proprietary firms). PIOs, HUFs, QFIs and other categories of investors will not be eligible for this exemption.

**Mode of Payment for SIP:**
In case of SIP with payment mode as Standing Instruction / NACH, Investors shall be required to submit a cancelled cheque or a photocopy of a cheque of the bank account for which the debit mandate is provided.

The details of scheme-wise availability of SIP facility, minimum amount under SIP, minimum installments etc. are stated in para “Highlights of the Scheme”

Investors are requested to note that holding of units through Demat Option is also available under all open-ended equity and Debt schemes wherein SIP facility is available.

The units will be allotted based on the applicable NAV as per the SID and will be credited to investors’ Demat account on weekly basis upon realization of funds. For e.g. Units will be credited to investors’ Demat account every Monday for realization status received in last week from Monday to Friday.

The investors shall note that for holding the units in demat form, the provisions laid down in the SID and guidelines, procedural requirements as laid by the Depositories (NSDL/CDSL) shall be applicable. In case the investor wishes to convert the units held in non-demat mode to demat mode or vice versa at a later date, such request along with the necessary form should be submitted to their Depository Participant(s).

Units held in demat form will be freely transferable, subject to the applicable regulations and the guidelines as may be amended from time to time.

Investors/unitholders subscribing for SIP are required to submit SIP request at least 30 days prior to the date of first debit date and SIP start date shall not be beyond 100 days from the date of submission of request for SIP.

**Facility of National Automated Clearing House (NACH) Platform in Systematic Investment Plan (SIP):**

In addition to existing facility available for payments through Postdated cheques/Standing Instructions for investments in SIP, the NACH facility can also be used to make payment of SIP installments NACH is a centralized system, launched by National Payments Corporation of India (NPCI) with an aim to consolidate multiple Electronic
Clearing Service (ECS) mandates. This facility will enable the unit holders of the Fund to make SIP investments through NACH by filling up the SIP Registration cum mandate form. A Unique number will be allotted to every mandate registered under NACH called as Unique Mandate Reference Number ("UMRN") which can be used for SIP transactions.

The NACH facility shall be available subject to terms and conditions contained in the Easy Pay Debit Mandate Form and as prescribed by NPCI from time to time.

**Systematic Transfer Plan (STP)**

1. Systematic Transfer Plan (STP) is an option wherein Unit holders of designated schemes (Source Schemes) can opt to transfer a fixed amount at regular intervals and provide standing instructions to the AMC to switch the same into the designated schemes (Target Schemes).

2. The source schemes refer to all open ended schemes* [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education].

*ICICI Prudential Long Term Equity Fund (Tax Saving) shall act as source scheme for this facility, subject to completion of lock-in period for units allotted.

3. The target schemes refer to all open ended schemes where subscription is allowed [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education].

4. The amount transferred under STP from Source scheme to the Target Scheme shall be done by redeeming Units of Source scheme at Applicable NAV, subject to exit load, if any; and subscribing to the Units of the Scheme at Applicable NAV as on specified date as given below:

*In case the date chosen for STP falls on a non-
business day or on a day which is not available in a particular month, the STP will be processed on the immediate next business day.

5. In case of nil balance in the Source Scheme, STP for that particular due date will not be processed. STP will cease to be active upon five consecutive unsuccessful transactions or if all units are pledged or upon receipt of intimation of death of Unit holder.

6. All requests for registering or discontinuing Systematic Transfer Plans shall be subject to an advance notice of 7 (seven) working days.

7. The provision of “Minimum Redemption Amount” specified in Scheme Information Document (SID) of the respective Designated Source schemes and “Minimum Application Amount” applicable to the Scheme as specified in this document will not be applicable for Systematic Transfer Plan.

8. At the time of registration the minimum amount for this facility is Rs. 1,000/- and in multiples of Re.1 for weekly, monthly and quarterly frequency and Rs.250 and in multiples of Rs.50 for daily frequency. Minimum no. of installments for daily, weekly and monthly frequency will be 6 and for quarterly frequency will be 4.

9. The Fund reserves the right to include/remove any of its Schemes under the category of ‘Designated Schemes available for STP’ from time to time by suitable display of notice on AMC’s Website.

10. The Scheme is available as a both Source and Target Scheme under this facility.

**Value STP**

The AMC has introduced ICICI Prudential Value Systematic Transfer Plan (Value STP) for the benefit of the Unitholders.

1) In this facility, unit holder(s) can opt to transfer an amount at regular intervals from a designated source scheme(s) of ICICI Prudential Mutual Fund (“Transferor Scheme”) to the Growth option of designated target Scheme(s) of ICICI Prudential Mutual Fund (“Transferee Scheme”). It includes a feature of a ‘Reverse Transfer’ from the Transferee Scheme into the Transferor Scheme, in order to achieve the specified Target Investment Value [(first installment amount) X (number of installments paid; including the current installment)] on each transfer date in the Transferee Scheme, subject to the terms and conditions of Value STP.

2) In Value STP, transfers into the Transferee Scheme from the Transferor Scheme are made to achieve the Total Target Investment Value [first installment amount) X (total no. of installments specified by the unitholders)] in the Transferee Scheme. This is done by transferring an amount at regular intervals in a way that it increases the Target Investment Value of units in
the Transferee Scheme systematically, by a fixed amount (i.e. the first installment amount specified by the Unitholder) on the date of each transfer for the tenure of the Value STP. The amount to be transferred will be arrived at on the basis of the difference between the Target Investment Value and the Market Value of the holdings in the Transferee Scheme on the date of transfer.

3) Value STP is available at Daily, Weekly, Monthly and Quarterly Intervals. The Unit holder is free to choose the frequency of such transfers.

<table>

<td>Any Date*</td>
</tr>
</tbody>
</table>

*In case the date chosen for STP falls on a non-business day or on a day which is not available in a particular month, the STP will be processed on the immediate next business day.

4) Value STP has the following features:

i. **Transfer:** The first Value STP installment will be processed for the first installment amount specified by the Unitholder at the time of enrollment. From the second Value STP installment onwards, the transfer amount may be higher/lower than the first installment amount, as derived by the formula stated below:

\[
\text{((First installment amount) x (Number of installments paid including the current installment))} - \text{ (Market Value of the investments transferred through VALUE STP in the Transferee Scheme on the date of transfer)}
\]

In case the amounts (as specified above) to be transferred are not available in the Transferor Scheme in the unit holder's account, the residual amount will be transferred to the Transferee Scheme.

ii. **Reverse Transfer:** On the date of transfer, if the market value of the investments in the Transferee Scheme through Value STP is higher than the Target Investment Value for that month \([\text{(first installment amount) x (number of installments paid; including the current installment)}]\), then a reverse transfer will be effected from the Transferee Scheme to the Transferor Scheme, to the extent of the difference in the amount, in order to arrive at the Target Investment Value for that month.

5) 

a. The minimum amount per Value STP installment at the time of registration, shall be as follows:

- Weekly, Monthly and quarterly frequency: Rs. 1,000 and in multiples of Re.1
- Daily frequency: Rs. 250 and in multiples of Rs.50.

b. There should be a minimum of 6 installments for
enrolment under daily, Weekly and Monthly Value STP and 4 installments for Quarterly Value STP.

c. The minimum unit holder's account balance or a minimum amount of application at the time of Value STP enrolment should be Rs. 12,000 in the Transferor Scheme.

6) Load Structure: In respect of units created under Value STP enrollments made in the above-mentioned Transferor and Transferee Scheme(s) (and in Transferor Scheme for instances of Reverse Transfer), the Load Structure prevalent at the time of enrolment shall govern the investors during the tenure of the Value STP.

7) The Scheme acts as both transferor and Transferee Scheme under this facility.

8) The redemption/switch-out of units allotted in the Transferee Scheme shall be processed on the ‘First In First Out’ (FIFO) basis. In case there is a redemption / switch-out of any units allotted under Value STP in the Transferee Scheme by the Unit Holder, the balance installments under VALUE STP will be processed as a normal STP for the remaining installments by investing the amount indicated as first installment amount, on the date of each transfer over the balance tenure of the Value STP, subject to availability of unit balance in the Transferor Scheme.

9) In case of nil balance in the Transferor Scheme, Value STP for that particular due date will not be processed. Value STP will cease to be active upon five consecutive unsuccessful transactions or if all units are pledged or upon receipt of intimation of death of Unit holder.

10) Only one registration (either Flex STP or Value STP) per target scheme in a folio would be allowed.

This facility is available only for units held / to be held in a Non-demat Mode in the Transferor and the Transferee Scheme.

The Trustee reserves the right to change/modify the terms and conditions of Value STP or withdraw the Value STP at a later date. For the terms and conditions of Value STP, contact the nearest ISC or visit our website www.icicipruamc.com.

Flex STP

The AMC has introduced ICICI Prudential Flex Systematic Transfer Plan (Flex STP). Under this facility unit holder(s) can opt to transfer variable amount(s) linked to value of investments under Flex STP on the date of transfer at predetermined intervals from designated source Scheme(s) [referred to as Transferor Scheme(s)] to the Growth option of designated target Scheme(s) [referred to as

c. There should be a minimum of 6 installments for enrollment under daily, Weekly and Monthly Flex STP and 4 installments for Quarterly Flex STP. The minimum balance in unit holder's account or minimum amount of application at the time of enrollment for Flex STP should be Rs. 12,000/-.

d. Flex STP with Daily, Weekly, Monthly and Quarterly Frequency shall commence if the application is submitted at least 7 business days prior to the applicable date.

e. Under Flex STP, the amount sought to be transferred shall be calculated as follows:

Fixed Amount to be transferred per Installment or the amount as determined by the following formula [(fixed amount to be transferred per installment X by the number of installments including the current installment) - market value of the investments through Flex STP in the Transferee Scheme on the date of transfer] whichever is higher.

In case the amount (as calculated basis above) to be transferred is not available in the Transferor Scheme in the unit holder's account, the residual amount will be transferred to the Transferee Scheme and Flex STP will be closed.

g. The total Flex STP amount invested in the Transferee Scheme shall not exceed the total enrollment amount i.e. amount per installment X number of installments.

h. The redemption / switch-out of units allotted in the Transferee Scheme shall be processed on First In First Out (FIFO) basis. In case there is a redemption / switch-out of any units allotted under Flex STP, the balance installments under Flex STP will be processed for the fixed installment amount specified by the unitholder at the time of enrollment.

i. If the Flex STP Date and/or Frequency has not been indicated or multiple frequencies are selected, Monthly frequency shall be treated as Default frequency and last business day of the month shall be treated as Default Date.

j. Flex STP shall be applicable subject to payment of exit load, if any, in the Transferor Schemes.

k. In case of nil balance in the Transferor Scheme, Flex STP for that particular due date will not be processed. Flex STP will cease to be active upon five consecutive unsuccessful transactions or if all units are pledged or upon receipt of intimation of death of Unit holder.

l. In order to discontinue the facility, a written request must be submitted at least 7 business days prior to the next applicable transfer date for daily/Weekly/Monthly/Quarterly frequency.

m. For availing this facility, investors are required to submit ICICI Prudential Flex STP form duly complete in all respects.

n. The Scheme acts as both transferor and Transferee Scheme under this facility.

o. Only one registration (either Flex STP or Value STP) per target scheme in a folio would be allowed.

Trustees reserve the right to change/modify the terms and conditions or withdraw this facility.

The provision of “Minimum Redemption Amount” specified in the SID(s) of the respective Designated Source Schemes and “Minimum Application Amount” applicable to the Scheme as specified in this document will not be applicable for STP.

This facility will ensure that the Unit Holder is able to systematically invest into equity Schemes and balanced Scheme without having to give any post dated cheque, unlike under SIP. The above list is subject to change from time to time. The Trustee reserves the right to change/modify the terms and conditions of Flex STP or withdraw the Flex STP at a later date. For the terms and
conditions of Flex STP, contact the nearest ISC or visit our website www.icicipruamc.com

All terms and conditions for SIP/STP, including Exit Load, if any, prevailing in the date of SIP/STP enrolment/registration by the fund shall be levied in the Scheme.

Monthly, Quarterly, Half Yearly and Annual frequencies are available under this facility. Minimum number of installments for all the frequencies will be 2. Investors can choose any date of his/her preference as SWP withdrawal date to register under any frequency available. In case the date chosen for SWP falls on a Non-Business Day or on a date which is not available in a particular month, the SWP will be processed on the immediate next Business Day.

In case none of the frequencies has been selected then Monthly frequency shall be considered as the Default frequency and where no withdrawal date is selected, 1st business day of the month shall be considered as the default SWP date.

Unitholders may change the amount indicated in the SWP, subject to a minimum amount of Rs.500 and in multiples of Re. 1/-. The SWP may be terminated on a written notice by a Unitholder of the Scheme and it will terminate automatically if all Units are liquidated or withdrawn from the account or upon the Funds’ receipt of notification of death or incapacity of the Unitholder.

The amount thus withdrawn by Redemption will be equated into Units at Applicable NAV based prices and the number of Units so arrived at will be subtracted from the Units balance to the credit of that Unitholder.

All terms and conditions for SIP/STP, including Exit Load, if any, prevailing in the date of SIP/STP enrolment/registration by the fund shall be levied in the Scheme.

2. For folios not included in the Consolidated Account Statement (CAS), the AMC shall henceforth issue account statement to the investors on a monthly basis, pursuant to any financial transaction in such folios on or before tenth day of succeeding month. In case of a New Fund Offer Period (NFO), the AMC shall send confirmation specifying the number of units allotted to the applicant by way of a physical account statement or an email and/or SMS’s to the investor’s registered address and/or mobile number not later than five business days from the date of closure of the NFO.

3. In case of a specific request received from the unit holder, the AMC shall provide the account statement to the investors within 5 business days from the receipt of such request.

4. In the case of joint holding in a folio, the first named Unit holder shall receive the CAS/account statement. The holding pattern has to be same in all folios across Mutual Funds for CAS.

Further, in case if no transaction has taken place in a folio during the period of six months ended September 30 and March 31, the CAS detailing the holdings across all Schemes of all mutual funds, shall be emailed at the registered email address of the unitholders on half yearly basis, on or before tenth day of succeeding month, unless a specific request is made to receive the same in physical form.

Each CAS issued to the investors shall also provide the total purchase value / cost of investment in each scheme.

Further, CAS issued for the half-year(September/ March) shall also provide:

a. The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor’s total investments in each MF scheme. The term ‘commission’ here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods and Services Tax (wherever applicable, as per existing rates), operating expenses, etc.

b. The scheme’s average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme’s applicable plan where the concerned
investor has actually invested in.

Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

In case of the units are held in dematerialized (demat) form, the statement of holding of the beneficiary account holder will be sent by the respective Depository Participant periodically.

CAS for investors having Demat account:

• Investors having MF investments and holding securities in Demat account shall receive a single Consolidated Account Statement (CAS) from the Depository.

• Consolidation of account statement shall be done on the basis of Permanent Account Number (PAN). In case of multiple holding, it shall be PAN of the first holder and pattern of holding. The CAS shall be generated on a monthly basis.

• If there is any transaction in any of the Demat accounts of the investor or in any of his mutual fund folios, depositories shall send the CAS within ten days from the month end. In case, there is no transaction in any of the mutual fund folios and demat accounts then CAS with holding details shall be sent to the investor on half yearly basis.

• In case an investor has multiple accounts across two depositories, the depository with whom the account has been opened earlier will be the default depository.

The dispatch of CAS by the depositories would constitute compliance by the AMC/ the Mutual Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations.

However, the AMC reserves the right to furnish the account statement in addition to the CAS, if deemed fit in the interest of investor(s).

Dividend Policy

i) Growth Option

The Scheme will not declare any dividends under this option. The income earned by the Scheme will remain reinvested in the Scheme and will be reflected in the Net Asset Value. This option is suitable for investors who are not looking for regular income but who have invested with the intention of capital appreciation.

ii) Dividend Option

This option is suited for investors seeking regular income through dividends declared by the Scheme. The Trustee may approve the distribution of dividends by the AMC out of the net surplus of the
Scheme Information Document  
ICICI Prudential Asset Allocator Fund  

Scheme. To the extent the net surplus is not distributed, the same will remain invested in the Scheme and be reflected in the NAV. It should be noted that pursuant to payment of dividend, the NAV of the dividend option of the scheme would fall to the extent of dividend payout and statutory, levy, if any.

iii) Dividend Payout:

As per the SEBI (MF) Regulations, the Mutual Fund shall dispatch to the Unit Holders, dividend warrants within 30 days of declaration of the Dividend. Dividends will be payable to those Unit Holders whose names appear in the Register of Unit Holders on the date (Record Date). Dividends will be paid by cheque, net of taxes as may be applicable. Unit Holders will also have the option of direct payment of dividend to the bank account. The cheques will be drawn in the name of the sole/first holder and will be posted to the Registered address of the sole/first holder as indicated in the original application form. To safeguard the interest of Unit Holders from loss or theft of dividend cheques, investors should provide the name of their bank, branch and account number in the application form. Dividend cheques will be sent to the Unit Holder after incorporating such information. In case the unit holder has opted for dividend payout option. The minimum amount for dividend payout shall be Rs.100 (net of dividend distribution tax and other statutory levy, if any), else dividend would be mandatorily reinvested.

iv) Dividend Reinvestment facility

The investors opting for Dividend Option may choose to reinvest the dividend to be received by them in additional Units of the Scheme. Under this provision, the dividend due and payable to the Unitholders will be compulsorily and without any further act by the Unitholders reinvested in the Scheme (under the respective Plans of Dividend Option, at the first ex-dividend NAV). The dividends so reinvested shall be constructive payment of dividends to the Unitholders and constructive receipt of the same amount from each Unitholder for reinvestment in Units.

On reinvestment of dividends, the number of units to the credit of Unitholder will increase to the extent of the dividend reinvested divided by the NAV applicable as explained above.

v) Dividend Transfer Plan (DTP)

Dividend Transfer Plan facility will be available under the Scheme.

The source schemes refer to all schemes where dividend option is available [except (i) Exchange Traded Funds (ETFs) (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed...
Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education and the target schemes refer to all open ended schemes where subscription is allowed [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education].

Note: Investors are requested to note that any change in dividend sub-option, due to additional investment or on the basis of a request received from the investor, will be applicable to all existing units in the dividend option of the Scheme under the respective folio.

Both Growth and Dividend Options under one particular Fund will have common portfolio.

Transaction Charges

Distributors may or may not charge the transaction cost for all the investors. However, their option to charge the transaction cost for all the investors is subject to change at their discretion.

Pursuant to SEBI Circular No. Cir/ IMD/ DF/13/ 2011 dated August 22, 2011 the transaction charge per subscription of Rs.10,000/- and above may be charged in the following manner:

i. The existing investors may be charged Rs. 100/- as transaction charge per subscription of Rs.10,000/- and above;

ii. A first time investor may be charged Rs.150/- as transaction charge per subscription of Rs.10,000/- and above.

There shall be no transaction charge on subscription below Rs. 10,000/- and on transactions other than purchases/ subscriptions relating to new inflows.

In case of investment through Systematic Investment Plan (SIP), transaction charges shall be deducted only if the total commitment through SIP amounts to Rs. 10,000/- and above. The transaction charges in such cases shall be deducted in 4 equal installments.

However, the option to charge “transaction charges” is at the discretion of the distributors. Investors may note that distributors can opt to receive transaction charges based on ‘type of the Scheme’. Accordingly, the transaction charges would be deducted from the subscription amounts, as applicable.

Transaction charges shall also be deducted on purchases/subscriptions received through non-demat mode from the investors investing through a valid ARN holder i.e. AMFI Registered Distributor (provided the distributor has opted-in to receive the transaction charges) in respect of transactions routed through Stock Exchange(s) platform viz. NSE Mutual Fund Platform (“NMF-II”) and BSE Mutual Fund Platform (“BSE STAR MF”).
The aforesaid transaction charge shall be deducted by the Asset Management Company from the subscription amount and paid to the distributor, as the case may be and the balance amount shall be invested subject to deduction of Goods and Services tax. However, upfront commission to distributors will be paid by the investor directly to the distributor, based on his assessment of various factors including the service rendered by such distributor.

**Transaction Charges shall not be deducted if:**
- Purchase/Subscription made directly with the fund through any mode (i.e. not through any distributor/agent).
- Purchase/subscription made in demat mode through stock Exchange, irrespective of investment amount.

CAS/Statement of account shall state the net investment (i.e. gross subscription less transaction charge) and the number of units allotted against the net investment.

| Cash Investments in the Scheme | Currently, the AMC is not accepting cash investments. Notice shall be provided in this regard as and when the facility is made available. |
| Dividend | The dividend warrants shall be dispatched to the unitholders within 30 days of the date of declaration of the dividend. |
| Deployment of unclaimed dividend / redemption | The treatment of unclaimed redemption & dividend amount will be as per SEBI circular dated Feb 25, 2016. |
| Delay in payment of redemption / repurchase proceeds | The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum). |
Bank Account Details

As per the directives issued by SEBI, it is mandatory for applicants to mention their bank account numbers in their applications for purchase or redemption of Units. If the Unit-holder fails to provide the Bank mandate, the request for redemption would be considered as not valid and the Fund retains the right to withhold the redemption until a proper bank mandate is furnished by the Unit-holder and the provision with respect of penal interest in such cases will not be applicable/entertained.

Bank Mandate Requirement

For all fresh purchase transactions made by means of a cheque, where the account on which the cheque is drawn for purchase of units differs from the bank mandate account provided in the application, any one of the documents shall be submitted in respect of mandated bank account as mentioned in the application form:

1. Original cancelled cheque having the First Holder Name printed on the cheque.
2. Original bank statement reflecting the First Holder Name, Bank Account Number and Bank Name as specified in the application.
3. Photocopy of the bank statement duly attested by the bank manager with designation, employee number and bank seal.
4. Photocopy of the bank pass book duly attested by the bank manager with designation, employee number and bank seal.
5. Photocopy of the bank statement/passbook/cheque duly attested by ICICI Prudential Asset Management Company Limited (the AMC) branch officials after verification of original bank statement/passbook shown by the investor or their representative.
6. Confirmation by the bank manager with seal, designation and employee number on the bank’s letter head confirming the investor details and bank mandate information.

In case the application is not accompanied by the above documents, the AMC reserves the right to reject the application, also the AMC will not be liable in case the redemption/dividend proceeds are credited to wrong account in absence of above documents.

In case the bank account details are not mentioned or found to be incomplete or invalid in a purchase application, then the AMC will consider the account details as appearing in the investment amount cheque and the same shall be updated under the folio as the payout bank account for the payment of redemption/dividend amount etc. The aforementioned updation of bank account shall however be subject to compliance with the third party investment guidelines issued by Association of Mutual Funds in India (AMFI) from time to time.

### Transactions without Scheme/Option Name

In case of fresh/additional purchases, if the name of the Scheme/Plan on the application form/transaction slip differs from the name on the Cheque/Demand Draft, then ICICI Prudential Asset Management Company Limited (the AMC) will process the application and allot units at the applicable Net Asset Value, under the Scheme/Plan which is mentioned on the application form/transaction slip duly signed by the investor(s). The AMC reserves the right to call for other additional documents as may be required, for processing such transactions. The AMC also reserves the right to reject such transactions.

The AMC thereafter shall not be responsible for any loss suffered by the investor due to the discrepancy of a Scheme/Plan name mentioned in the application form/transaction slip and Cheque/Demand Draft.

In case of fresh purchases, if the Plan name is not mentioned on the application form/transaction slip, then the units will be allotted under the Plan mentioned on the Cheque/Demand Draft. The Plan/Option that will be considered in such cases if not specified by the customer will be the default option of the Plan as per the SID.

### Redemption/Switch Requests

If an investor submits a redemption/switch request mentioning both the Number of Units and the Amount to be redeemed/switched in the transaction slip, the AMC reserves the right to process the redemption/switch for the Number of units and not for the amount mentioned.

If an investor submits a redemption/switch request by mentioning Number of Units or Amount to be redeemed and the same is higher than the balance Units/Amount available in the folio under the Scheme, then the AMC reserves the right to process the redemption/switch request for the available balance in the folio under the Scheme of the investor.

### Multiple Requests

In case an investor makes multiple requests in a transaction slip i.e. redemption/switch and Change of Address or redemption/switch and Change of Bank Mandate or any combination thereof, but the signature is appended only under one such request, then the AMC reserves the right to process the request under which signature is appended and reject the rest where signature is not appended.
### Processing of Systematic Investment Plan (SIP) cancellation request(s):

The AMC will endeavour to have the cancellation of registered SIP mandate within 30 days from the date of acceptance of the cancellation request from the investor. The existing instructions/mandate will remain in force till such date that it is confirmed to have been cancelled.

### Processing of Systematic Withdrawal Plan (SWP)/ Trigger facility request(s)

Registration / cancellation of SWP and Trigger facility request(s) will be processed within 7 days from the date of acceptance of the said request(s). Any existing registration will continue to remain in force until the instructions as applicable are confirmed to have been effected. All types of trigger will be available for all the plans/options/sub-options of the designated source and target schemes. The source schemes refer to all open ended schemes [except (i) Exchange Traded Funds (ETFs), (ii) ICICI Prudential Long Term Equity Fund (Tax Saving) and (iii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education] and the target schemes refer to all open ended schemes where subscription is allowed [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education].

### Submission of separate forms /transaction slips for Trigger Option/ Systematic Withdrawal Plan (SWP) / Systematic Transfer Plan (STP) facility

Investors who wish to opt for Trigger Option /Systematic Withdrawal Plan/Systematic Transfer Plan facility have to submit their request(s) in a separate designated forms/transaction slips. In case, if AMC do not receive such request in separate designated forms/transaction slips, it reserves the right to reject such request(s).
### Processing of Redemption/Switch/Systematic transaction request(s) where realization status is not available

The Fund shall place the units allotted to investor on hold for redemption / switch/ systematic transactions till the time the payment is realized towards the purchase transaction(s). The Fund also reserves the right to reject / partially process the redemption / switch /systematic transaction request, as the case may be, based on the realization status of the units held by the investor.

In both the above cases, intimation will be sent to the investor accordingly. Units which are not redeemed/switched will be processed upon confirmation of realization status and on submission of fresh redemption / switch request.

### Right to limit subscriptions

In the interest of the investors and in order to protect the portfolio from market volatility, the Trustees reserve the right to discontinue subscriptions under the Scheme for a specified period of time or till further notice.

### Folio(s) under Lien

If the units are under lien at the time of redemption of the Scheme, then the AMC reserves the right to pay the redemption amount to the person/entity/bank/financial institution in whose favour the lien has been marked. An intimation of such payment will be sent to the investor. The AMC thereafter shall not be responsible for any claims made by the investor/third party on account of such payments.

### Seeding of Aadhaar

Please refer to Statement of Additional Information (SAI).

### Non Acceptance/Processing of Purchase request(s) due to repeated Cheque Bounce

With respect to purchase request submitted by any investor, if it is noticed that there are repeated instances of two or more cheque bounces, the AMC reserves the right to, not to accept/allot units for all future purchase of such investor(s).

### Overwriting on application forms/transaction slips

In case of corrections/overwriting on key fields (as may be determined at the sole discretion of the AMC) of the application forms/transaction slips, the AMC reserves the right to reject the application forms/transaction slips in case the investor(s) have not countersigned in each place(s) where such corrections/overwriting have been made.

### Restriction on fresh purchases/additional purchases/switches in any Schemes of ICICI Prudential Mutual Fund

As per requirements of the U.S. Securities and Exchange Commission (SEC), A person who falls within the definition of the term “U.S. Person” under ‘Regulation S’ promulgated under the Securities Act of 1933 of the United States, as amended, and corporations or other entities organised under the laws of the U.S. are not eligible to invest in the schemes and apply for subscription to the units of the schemes, except for lump sum subscription, systematic transactions and switch transactions requests received from Non-resident Indians/Persons of Indian origin who at the time of such investment, are present in India and submit a physical transaction request along with such documents as may be prescribed by ICICI Prudential Asset Management Company Limited (the AMC)/ICICI Prudential Trust Limited (the Trustee) from time to time.
The AMC shall accept such investments subject to the applicable laws and such other terms and conditions as may be notified by the AMC/the Trustee. The investor shall be responsible for complying with all the applicable laws for such investments.

The AMC reserves the right to put the transaction requests on hold/reject the transaction request/reverse allotted units, as the case may be, as and when identified by the AMC, which are not in compliance with the terms and conditions notified in this regard.

However, existing investments will be allowed to be redeemed.

Trading and Demat

Pursuant to SEBI circular No. CIR/IMD/DF/9/2011 dated May 19, 2011, with effect from October 1, 2011, the unit holders who wish to hold the units in the demat form, should mention the demat account details of the first holder in the application form while subscribing for units and submit other necessary documents. In case if the demat details are not mentioned or details mentioned are incorrect, then the units will be issued in physical form. Investors may use the forms available at the branches for providing demat details, while subscription.

Investors are requested to note that holding of units through Demat Option is also available under all open ended equity and Debt scheme wherein SIP facility is available. The units will be allotted based on the applicable NAV as per the SID and will be credited to investors’ Demat account on weekly basis upon realization of funds. The AMC may send a communication to investors whose mode of payment has been changed to a new mode from the existing mode.

**Processing of Transmission-cum-Redemption request(s)**

If an investor submits redemption/switch out request(s) for transmission cases it will be processed after the units are transferred in the name of new unit holder and only upon subsequent submission of fresh redemption/switch-out request(s) from the new unit holder.

**How to Switch?**

On an on-going basis the Unitholders will have the option to switch all or part of their investment from the Scheme to any of the other schemes offered by the Fund provided the Scheme Information Document of the scheme to
which the holdings are to be switched in, permits such switch.

To effect a switch, a Unitholder must provide clear instructions. A request for a switch may be specified either in terms of amount or in terms of the number of units of the scheme from which the switch is sought. Such instructions may be provided in writing or by completing the Switch Request Slip provided in the transaction booklet and lodging the same on any Business Day at any of the Customer Service Centers. An Account Statement reflecting the new holdings is proposed to be despatched to the Unitholders within 5 Business Days of completion of switch transaction, except in case of switch transactions during the New Fund Offer of the Scheme.

The switch will be effected by redeeming Units from the scheme in which the Units are held and investing the net proceeds in the other scheme(s), subject to the minimum balance applicable for the respective scheme(s).

The price at which the Units will be switched out of the scheme will be based on the Applicable NAV of the relevant scheme(s) and considering any exit loads that the Trustee may approve from time to time.

For switches on an ongoing basis, the Applicable NAV for effecting the switch out of the existing open-ended funds will be the NAV of the Business Day on which the switch request, complete in all respects, is received by the AMC, subject to the cut-off time and other terms specified in the Scheme Information Document of the respective existing open-ended schemes.
## C. PERIODIC DISCLOSURES

### Net Asset Value

This is the value per unit of the scheme on a particular day. You can ascertain the value of your investments by multiplying the NAV with your unit balance.

The NAV will be calculated and disclosed at the close of every Business Day. The AMC shall prominently disclose the NAV of all schemes under a separate head on the AMC’s website and on the website of AMFI. NAV will be determined on every Business Day except in special circumstances. NAV of the Scheme shall be made available at all Customer Service Centers of the AMC.

### D. COMPUTATION OF NAV

The NAV of the Units of the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date. The Fund shall value its investments according to the valuation norms, as specified in Schedule VIII of the Regulations, or such norms as may be prescribed by SEBI from time to time and as stipulated in the valuation policy and procedures of the Fund, provided in Statement of Additional Information (SAI). The broad valuation norms are detailed in Statement of Additional Information:

The NAV of the Scheme shall be rounded off up to four decimals.

NAV of units under the Scheme shall be calculated as shown below:

\[
\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme’s investments} + \text{Current Assets} - \text{Current Liabilities and Provision}}{\text{No. of Units outstanding under Scheme}}
\]

The NAV of the Scheme will be calculated as of the close of every Business Day. The valuation of the Scheme’s assets and calculation of the Scheme’s NAV shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.
IV. FEES AND EXPENSES

This section outlines the expenses that will be charged to the schemes.

A. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid marketing and advertising, registrar expenses, printing and stationary, bank charges etc. As per SEBI circular SEBI/IMD/CIR No.1/64057/06 dated April 4, 2006, open ended scheme are not permitted to charge NFO Expenses to the scheme. In case of scheme launched after the date of the Circular, no NFO expenses were charged to the scheme. In case of scheme launched before the date of the aforementioned SEBI Circular, the NFO expenses did not exceed the regulatory limit of 6% (applicable at that time) of the initial resources mobilized.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents’ fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated the following percentage of the daily net assets of the Scheme will be charged to the Scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of the mutual fund. The mutual fund would update the current expense ratios on the website within at least three working days prior to the effective date of the change. Investor can refer [https://www.icicipruamc.com/Downloads/total-expense-ratio.aspx](https://www.icicipruamc.com/Downloads/total-expense-ratio.aspx) for Total Expense Ratio (TER) details.

Additional expenses for gross new inflows from specified cities* (more specifically elaborated below) | Up to 0.30

The aforesaid does not include Goods and Services tax on investment management and advisory fees. The same is more specifically elaborated below.

These estimates have been made in good faith as per information available to the AMC and the total expenses may be more than as specified in the table above. However, as per the Regulations, the total recurring expenses that can be charged to the Scheme in this Scheme Information Document shall be subject to the applicable guidelines.

All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in other than Direct Plan.

Investment Management and Advisory Fees charged by the AMC to the Scheme shall be within the total expense limit as prescribed under Regulation 52 of the Regulations with no sub-limits on said management and advisory fees.

Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc. as compared to other Plan and no commission for distribution of Units will be paid/charged under Direct Plan.

**Investors may please note that they will be bearing the recurring expenses of the Scheme in addition to the expenses of the underlying schemes in which the fund of fund scheme makes investment.**

The total expense ratio to be charged over and above the weighted average of total expense ratio of the underlying schemes shall not exceed two times the weighted average of the total expense ratio levied under the underlying schemes, subject to limit as specified above.

Pursuant to SEBI circulars no. CIR/IMD/DF/21/2012 dated September 13, 2012, SEBI/HO/IMD/DF2/CIR/P/2018/16 dated February 02, 2018, SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018 and SEBI (Mutual Funds) Second Amendment Regulations, 2012, following additional costs or expenses may be charged to the scheme, namely:

(i) The AMC may charge Goods and Services tax on investment and advisory fees to the scheme of the Fund in addition to the maximum limit of total expenses ratio as prescribed in Regulation 52 of the Regulations.
(ii) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from retail investors from B30 cities as specified by the Securities and Exchange Board of India, from time to time are at least –

- 30 per cent of the gross new inflows from retail investors into the scheme, or;
- 15 per cent of the average assets under management (year to date) of the scheme,

whichever is higher;

Provided that if inflows from retail investors from B30 cities are less than the higher of the above, such expenses on daily net assets of the scheme shall be charged on proportionate basis;

Provided further that expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from retail investors from B30 cities;

Provided further that amount incurred as expense on account of inflows from retail investors from B30 cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment.

(iii) Additional expenses, incurred towards different heads mentioned under sub-regulations (2) and (4) of Regulation 52 of the Regulations, not exceeding 0.05 per cent of daily net assets of the scheme. However, such additional expenses will not be charged if exit load is not levied or not applicable to the Scheme.

Additionally at least 2 basis points on daily net assets within the maximum limit of overall expense Ratio shall be annually set apart for investor education and awareness initiatives.

For above purposes, ‘B30 cities’ shall be beyond Top 30 cities as at the end of the previous financial year as communicated by AMFI. Retail investors would mean individual investors from whom inflows into the Scheme would amount upto Rs. 2,00,000/- per transaction.

Further, the brokerage and transaction cost incurred for the purpose of execution of trade may be capitalized to the extent of 12bps for cash market transactions. Any payment towards brokerage and transaction cost, over and above the said 12 bps for cash market transactions may be charged to the scheme within the maximum limit of Total Expense Ratio as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996. Goods and Services tax on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under regulation 52 of the Regulations.

Expenses over and above the prescribed limit shall be charged / borne in accordance with the Regulations prevailing from time to time.

1. All disclosures regarding penalties and action(s) taken against foreign Sponsor(s) may be limited to the jurisdiction of the country where the principal activities (in terms of income / revenue) of the Sponsor(s) are carried out or where the headquarters of the Sponsor(s) is situated. Further, only top 10 monetary penalties during the last three years shall be disclosed.

Nil

2. In case of Indian Sponsor(s), details of all monetary penalties imposed and/or action taken during the last three years or pending with any financial regulatory body or governmental authority, against Sponsor(s) and/or the AMC and/or the Board of Trustees /Trustee Company; for irregularities or for violations in the financial services sector, or for defaults with respect to share holders or debenture holders and depositors, or for economic offences, or for violation of securities law. Details of settlement, if any, arrived at with the aforesaid authorities during the last three years shall also be disclosed.

Cases pertaining to ICICI Bank Ltd. (the Bank):

2.1. In November 2017, an overseas regulator imposed a composition sum of approximately SGD 8 lacs for non-adherence of rules under AML regulations at one of ICICI Bank’s overseas branches, resulting from regulatory inspection conducted in 2013 and pursuant to consultant’s review of records, relating to the period of May 2012 to April 2014. There were no dealings with sanctioned entities and the remediation primarily required improvement to the branch’s AML/CFT controls, which has since been undertaken. The local regulator in that jurisdiction has also acknowledged the efforts undertaken by the branch in addressing the issues identified in these reports.

2.2. As mentioned by RBI in its press release dated March 29, 2018, RBI has through an order dated March 26, 2018, imposed a monetary penalty of ₹ 589.0 million on ICICI Bank for non-compliance with directions/guidelines issued by RBI. This penalty has been imposed in exercise of powers vested in RBI under the provisions of Section 47A(1) (c) read with Section 46(4)(i) of the Banking Regulation Act, 1949. The Bank has paid the penalty to RBI on April 9, 2018.

2.3. The Bank & ex-Compliance Officer had received a Notice from SEBI on July 31, 2018 under Rule 4(1) of SCR (Procedure for Holding Inquiry and imposing penalties by Adjudicating Officer) Rules 2005 requiring responses
on matters relating to alleged non-compliance with certain provisions of the erstwhile Listing Agreement with respect to delayed disclosure of an agreement relating to merger of the erstwhile Bank of Rajasthan with the Bank. The Bank is in the process of taking suitable action.

2.4. The Bank & it’s ex-Managing Director & CEO had received a Notice from SEBI on May 24, 2018 under Rule 4(1) of SCR (Procedure for Holding Inquiry and imposing penalties by Adjudicating Officer) Rules 2005 requiring responses on matters relating to alleged non-compliance with certain provisions of the erstwhile Listing Agreement and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Matter in this regard is under adjudication.

2.5. RBI has vide its order dated February 25, 2019, imposed a monetary penalty of ₹ 10 million on ICICI Bank for non-compliance with guidelines/directions issued by RBI on Time-bound implementation & strengthening of SWIFT related operational controls. This penalty has been imposed in exercise of powers vested in RBI under section 47(A)(1)(c) read with Section 46(4)(i) of the Banking Regulation Act, 1949.

2.6. The Overseas Branch of the Bank in Singapore had inadvertently claimed certain tax deductions from AY2013 to AY2015. This was self-identified by the branch in June 2016 and voluntary disclosure of the same was made along with revised tax computation for relevant Assessment Years. Owing to the above, Inland Revenue Authority of Singapore (IRAS) has levied a penalty of SGD 1,500 on the branch.

3. Details of all enforcement actions taken by SEBI in the last three years and/or pending with SEBI for the violation of SEBI Act, 1992 and Rules and Regulations framed there under including debarment and/or suspension and/or cancellation and/or imposition of monetary penalty/adjudication/enquiry proceedings, if any, to which the Sponsor(s) and/or the AMC and/or the Board of Trustees /Trustee Company and/or any of the directors and/or key personnel (especially the fund managers) of the AMC and Trustee Company were/ are a party. The details of the violation shall also be disclosed.

3.1 In connection with certain investments made by few schemes of ICICI Prudential Mutual Fund, the AMC has ensured compliance with the directions issued by SEBI. Further, in the same matter, quasi-judicial proceedings have been initiated by SEBI. The AMC had filed an application with SEBI for settling the adjudication proceedings, without admission or denial of findings. In this matter, the AMC has paid the full settlement amount to SEBI. In light of the above, SEBI vide its settlement order dated November 29, 2018 has disposed off the pending proceedings against the AMC.

3.2 Basis certain alleged violations observed during the inspection of ICICI Prudential Mutual Fund under SEBI (Mutual Funds) Regulations, 1996, for the period from April 01, 2014 to March 31, 2016, quasi-judicial proceedings have been initiated by SEBI, with respect to following matters:

a) Investment by schemes as per the investment objective;

b) Rebalancing of scheme portfolio in case of downgrade of securities; and

c) Determination of quantum of dividend and fixing of record date for declaration of dividend.
In reference to the above, the AMC and ICICI Prudential Trust Limited (the Trustee Company) have received a show cause notice on August 28, 2018. In response to the above, the AMC and the Trustee Company have taken suitable action.

3.3 Further, details as specified in para 2.3 and 2.4 above shall also form part of disclosure under this para.

4. Any pending material civil or criminal litigation incidental to the business of the Mutual Fund to which the Sponsor(s) and/ or the AMC and/ or the Board of Trustees /Trustee Company and/ or any of the directors and/ or key personnel are a party should also be disclosed separately.

4.1 As per the SEBI (Mutual Funds) Regulations, 1996, mutual fund schemes are permitted to invest in securitised debt. Accordingly, few schemes of ICICI Prudential Mutual Fund (“the Fund”) had made investment in Pass Through Certificates (PTCs) of certain special purpose vehicles / securitisation trusts (“the Trusts”). The returns filed by few of these securitisation Trusts whose PTCs were held by the Fund were taken up for scrutiny by the Income Tax Authorities for Assessment Years 2007-08, 2008-09, 2009-10 and 2010-11. Arising out of this, the Income Tax Authorities had raised a demand on such Trusts. On failure to recover the same from the Trusts, Income Tax Authorities sent demand notices to the Fund along with other Mutual Funds as beneficiaries / contributors to such Trusts. The Fund in consultation with its tax & legal advisors had contested the applicability of such demand and got the attachment order vacated by Hon’ble High Court of Bombay. The Trusts on their part had contested the matter and the Income Tax Appellate Tribunal upheld their appeal and dismissed the contentions and all the cross-appeals filed by the Tax Authorities. The Tax Authorities have now filed an appeal with Hon’ble High Court on the matter.

5. Any deficiency in the systems and operations of the Sponsor(s) and/ or the AMC and/ or the Board of Trustees/Trustee Company which SEBI has specifically advised to be disclosed in the SID, or which has been notified by any other regulatory agency, shall be disclosed.

GENERAL INFORMATION

- **Power to make Rules**
  Subject to the Regulations, the Trustee may, from time to time, prescribe such terms and make such rules for the purpose of giving effect to the Scheme with power to the AMC to add to, alter or amend all or any of the terms and rules that may be framed from time to time.

- **Power to remove Difficulties**
  If any difficulties arise in giving effect to the provisions of the Scheme, the Trustee may, subject to the Regulations, do anything not inconsistent with such provisions, which appears to it to be necessary, desirable or expedient, for the purpose of removing such difficulty.

- **Scheme to be binding on the Unitholders:**
Subject to the Regulations, the Trustee may, from time to time, add or otherwise vary or alter all or any of the features of investment plans and terms of the Scheme after obtaining the prior permission of SEBI and Unitholders (where necessary), and the same shall be binding on all the Unitholders of the Scheme and any person or persons claiming through or under them as if each Unitholder or such person expressly had agreed that such features and terms shall be so binding.

**Notwithstanding anything contained in this Scheme Information Document, the provisions of the SEBI (Mutual Funds) Regulations, 1996 and the guidelines there under shall be applicable.**

Note: The Scheme under this Scheme Information Document was approved by the Directors of ICICI Prudential Trust Limited by circulation on July 29, 2002. Further, it may be noted that the Scheme is a new product offered by ICICI Prudential Mutual Fund and not a minor modification of an existing scheme/fund/product.
