*These monthly payouts will grow every year by 3% or 4% or 5% annually

The above calculation is for illustration purpose. FSWP / Freedom SWP = ICICI Prudential Freedom SWP. The above calculation is for illustration purpose only, assuming monthly withdrawal of 6% p.a. (i.e. 0.50% every month) calculated on FSWP registration amount and with annual top-up of either 3% or 4% or 5% thereafter. ^ Starting payout is expressed as a % of initial investment amount. Note: FSWP registration amount and initial amount can be different. Freedom SWP withdrawal will be processed on monthly basis, till units are available in the scheme or till end date as specified, whichever is earlier. Past performance may or may not be sustained in future. FSWP registration amount is calculated with based on assumption of CAGR in range of 7%-8% during various investment time frame (i.e. 6, 9, 12, 15 years). Investors has an option to choose any FSWP date as available in form and T&G, the start date mentioned herein is only for illustration purpose. Exit Load, Stamp Duty, STT and Taxes are not considered while making the above calculations. Actual results may vary. FSWP is calculated at 6% p.a. on FSWP registration amount. In row 5 above, the same is shown as a % of the initial investment amount. Numbers are rounded-off to nearest decimal points.
