<tbody>
<tr>
<td><strong>Type of Scheme</strong></td>
<td>An open ended Index scheme replicating S&amp;P BSE Sensex Index</td>
</tr>
</tbody>
</table>
| **INVESTMENT OBJECTIVE** | An open-ended index linked growth scheme seeking to track the returns of S&P BSE Sensex Index through investments in a basket of stocks drawn from the constituents of the above index.  

The objective of the Scheme is to invest in companies whose securities are included in S&P BSE Sensex Index and subject to tracking errors, to endeavor to achieve the returns of the above index as closely as possible. This would be done by investing in all the stocks comprising the S&P BSE Sensex Index in approximately the same weightage that they represent in S&P BSE Sensex Index. The Scheme will not seek to outperform the S&P BSE Sensex Index or to underperform it. The objective is that the performance of the NAV of the Scheme should closely track the performance of the S&P BSE Sensex Index over the same period.  

However, there can be no assurance that the investment objective of the Scheme will be realized. |
| **LIQUIDITY** | The Scheme being offered is open ended scheme and will offer units for sale / switch-in and redemption / switch-out, on every business day at NAV based prices subject to applicable loads. As per SEBI (Mutual Funds) Regulations, 1996, the Mutual Fund shall despatch redemption proceeds within 10 business days from the date of redemption. A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within 10 business days from the date of redemption. Please refer to section 'Redemption of Units' for details. |
| **BENCHMARK** | The benchmark of the Scheme is S&P BSE Sensex Index.  

The Trustee reserves the right to change the benchmark in future if a benchmark better suited to the investment objective of the Scheme is available. |
| **TRANSPARENCY/NAV DISCLOSURE** | The NAV will be calculated and disclosed at the close of every business day in the manner specified by SEBI. NAV will be determined on every business day except in special circumstances. NAV of the Schemes shall be made available at all Customer Service Centres of the AMC. In addition, the AMC shall disclose the full portfolio of the Scheme on a half-yearly basis in the manner specified by SEBI. The AMC shall also disclose portfolio of the Scheme on the AMC website i.e. www.icicipruamc.com alongwith ISIN on a monthly basis as on last day of each month, on or before tenth day of the succeeding month. Top 10 Holdings and Sector wise holdings are also disclosed in this SID.  

AMC shall update the NAVs on the website of Association of Mutual Funds in India - AMFI (www.amfiindia.com) and AMC website (www.icicipruamc.com) by 9.00 p.m. on every business day. In case of any delay, the reasons for such delay would be explained to AMFI and SEBI by the next day. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund would be able to publish the NAVs. |

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under ICICI Prudential Sensex Index Fund. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under ICICI Prudential Sensex Index Fund – Direct Plan from the date of application without any exit load.

The investors opting for Dividend option may choose to reinvest the dividend to be received by them in additional Units of the Scheme. Under this provision, the dividend due and payable to the Unitholders will compulsorily and without any further act by the Unitholders be reinvested.
in the Scheme. On reinvestment of dividends, the number of units to the
credit of unitholder will increase to the extent of the amount of dividend
reinvested divided by the applicable NAV.

The Trustees reserve the right to declare dividend under the Dividend
Option. It should, however, be noted that actual distribution of dividends
and the frequency of distribution will be entirely at the discretion of the
Trustee.

No exit load shall be charged on units allotted on reinvestment of dividend.

The Trustees may at their discretion add one or more additional options
under the Scheme. The Trustees reserve the right to introduce any other
option(s)/sub-option(s) under the Scheme at a later date, by providing a
notice to the investors on the AMC’s website and by issuing a press
release, prior to introduction of such option(s)/ sub-option(s).

The Plans and Options stated above will have common portfolio. ICICI
Prudential Sensex Index Fund - Direct Plan is only for investors who
purchase /subscribe units in a Scheme directly with the Fund.

Dividends, if declared, will be paid (subject to deduction of tax at source, if
any) to those Unit holders whose names appear in the Register of Unit
holders on the record date. In case of Units held in dematerialized mode,
the Depositories (NSDL/CDSL) will give the list of demat account holders
and the number of Units held by them in electronic form on the Record
date to the Registrars and Transfer Agent of the Mutual Fund. Further, the
Trustee at its sole discretion may also declare interim dividend. However, it
must be distinctly understood that the actual declaration of dividend and
the frequency thereof will inter-alia, depend on the availability of
distributable profits as computed in accordance with SEBI Regulations. The
decision of the Trustee in this regard shall be final. On payment of
dividends, the NAV will stand reduced by the amount of dividend and
dividend tax (if applicable) paid.

REDEMPTION
PROCEEDS TO NRI
INVESTORS
NRI investors shall submit Foreign Inward Remittance Certificate (FIRC),
along with Broker contract note of the respective broker through whom the
transaction was effected, for releasing redemption proceeds on maturity.
Redemption proceeds shall not be remitted until the aforesaid documents
are submitted and the AMC/Mutual Fund/Registrar/Scheme shall not be
liable for any delay in paying redemption proceeds.

In case of non-submission of the aforesaid documents the AMC reserves
the right to deduct the tax at the highest applicable rate without any
intimation by AMC / Mutual Fund / Registrar.

REPATRIATION
Repatriation benefits would be available to NRIs/PIOs/FIs, subject to
applicable Regulations notified by Reserve Bank of India from time to time.
Repatriation of these benefits will be subject to applicable deductions in
respect of levies and taxes as may be applicable in present or in future.

ELIGIBILITY FOR
TRUSTS
Religious and Charitable Trusts are eligible to invest in certain securities,
under the provisions of Section 11(5) of the Income Tax Act, 1961 read
with Rule 17C of the Income-tax Rules, 1962 subject to the provisions of
the respective constitutions under which they are established permits to
invest.

ABOUT THE INDEX
The objective of the Scheme is to invest in companies whose securities are
included in S&P BSE Sensex Index and subject to tracking errors, to
endeavor to achieve the returns of the above index as closely as possible.
This would be done by investing in all the stocks comprising the S&P BSE
Sensex Index in approximately the same weightage that they represent in
S&P BSE Sensex Index.

As on June 14, 2018 the underlying Index complies with the below mentioned conditions:

a) The free float market cap of index is at least 15 % of free float market cap of Sensex – N.A. as the underlying index is S&P BSE Sensex

b) The index basket has a minimum of 10 stocks as its constituents – The Index basket has 31 stocks

c) The constituents of index which individually have less than 5 % weight in index should cumulatively have atleast 15% of total weight of index – 24 stocks have individual weightage of less than 5%. Their cumulative weightage in the index is 46.59%.

d) No single security in the index has more than 25% weight in index. – The security with highest weightage has 11.85% weightage.
SECTION I: INTRODUCTION

A. Risk Factors:

Standard Risk Factors:

- Investment in Mutual Fund units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the Scheme invest fluctuates, the value of your investment in the Scheme may go up or down.
- The NAV of the Scheme may be affected by changes in the general market conditions, factors and forces affecting capital market, in particular, level of interest rates, various markets related factors and trading volumes, settlement periods and transfer procedures.
- Past performance of the Sponsors/AMC/Mutual Fund does not guarantee the future performance of the Scheme.
- The name of the Scheme does not in any manner indicate either the quality of the Scheme or their future prospects and returns.
- The Sponsors are not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 22.2 lacs made by it towards setting up the Fund and such other accretions and additions to the corpus set up by the Sponsors.
- The Scheme is not a guaranteed or assured return Scheme.
- All Mutual Funds and securities investments are subject to market risks and there can be no assurance or guarantee that the objectives of the Scheme will be achieved.
- As the liquidity of the Schemes’ investments could at times, be restricted by trading volumes and settlement periods, the time taken by the Scheme for redemption of units may be significant or may also result in delays in redemption of the units in the event of an inordinately large number of redemption requests or of a restructuring of the Schemes’ portfolio. In view of this the Trustee has the right, at their sole discretion to limit redemptions (including suspending redemption) under certain circumstances, as described under the section titled “Right to limit Redemptions”.
- The liquidity of the Scheme’s investments is inherently restricted by trading volumes in the securities in which it invests.
- Changes in Government policy in general and changes in tax benefits applicable to mutual funds may impact the returns to Investors in the Scheme.
- Investors in the Scheme are not being offered any guaranteed/indicated returns.
- Mutual Funds being vehicles of securities investments are subject to market and other risk and there can be no guarantee against loss resulting from investing in the Scheme. The various factors which impact the value of the Scheme investments include but are not limited to fluctuations in the equity and bond markets, fluctuations in interest rates, prevailing political and economic environment, changes in government policy, factors specific to the issuer of securities, tax laws, liquidity of the underlying instruments, settlements periods, trading volumes etc. and there is no assurance or guarantee that the objectives of the Scheme will be achieved.
- From time to time and subject to the regulations, the sponsors, the mutual funds and investment Companies managed by them, their affiliates, their associate companies, subsidiaries of the sponsors and the AMC may invest in either directly or indirectly in the Scheme. The funds managed by these affiliates, associates and/ or the AMC may acquire a substantial portion of the Scheme. Accordingly, redemption of units held by such funds, affiliates/associates and sponsors may have an adverse impact on the units of the Scheme because the timing of such redemption may impact the ability of other unit holders to redeem their units.
- The Scheme may invest in other Scheme managed by the AMC or in the Scheme of any other Mutual Funds, provided it is in conformity to the investment objectives of the Scheme and in terms of the prevailing Regulations and guidelines. As per the Regulations, no investment management fees will be charged for such investments.
- Different types of securities in which the Scheme would invest as given in the Scheme information document carry different levels and types of risk. Accordingly the Schemes’ risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds which are AAA rated are comparatively less risky than bonds which are AA rated.
- Investors may note that AMC/Fund Manager’s investment decisions may not be always profitable as the actual market movement may be at variance with the anticipated trend.
Scheme Information Document  
ICICI Prudential Sensex Index Fund  

The Scheme proposes to invest substantially in equity and equity related securities. The Scheme will, to a lesser extent, also invest in debt and money market instruments. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. By the same rationale, the inability to sell securities held in the Schemes’ portfolio due to the absence of a well developed and liquid secondary market for debt securities would result, at times, in potential losses to the Scheme, in case of a subsequent decline in the value of securities held in the Schemes’ portfolio.

- **Liquidity risk** - In case of abnormal circumstances it will be difficult to complete the square off transaction due to liquidity being poor in stock futures/spot market. However, the Scheme will aim at taking exposure only into liquid stocks where there will be minimal risk to square off the transaction.
- The AMC may, considering the overall level of risk of the portfolio, invest in lower rated/unrated securities offering higher yields. This may increase the risk of the portfolio.

**Scheme Specific Risk Factors:**

**Market Risk**
The Scheme’s NAV will react to the stock market movements. The Investor could lose money over short periods due to fluctuation in the Scheme’s NAV in response to factors such as economic and political developments, changes in interest rates and perceived trends in stock prices market movements, and over longer periods during market downturns.

- **Settlement Risk**: In certain cases, settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities as in certain cases, settlement periods may be extended significantly by unforeseen circumstances. Similarly, the inability to sell securities held in the Scheme portfolio may result, at times, in potential losses to the Scheme, and there can be a subsequent decline in the value of the securities held in the Scheme portfolio.
- **Right to Limit Redemptions**: The Trustee, in the general interest of the Unit holders of the Scheme offered in this Document and keeping in view the unforeseen circumstances / unusual market conditions, may limit the total number of Units which can be redeemed on any Business Day.

**Passive Investments**
The Scheme is not actively managed. The Scheme may be affected by a general decline in the Indian markets relating to its Underlying Index. The Scheme invests in the securities included in its Underlying Index regardless of their investment merit. The AMC does not attempt to individually select stocks or to take defensive positions in declining markets.

**Tracking Error Risk**
Factors such as the fees and expenses of the Scheme, Corporate Actions, Cash balance, changes to the Underlying Indices and regulatory policies may affect AMC’s ability to achieve close correlation with the Underlying Index of the Scheme. The Scheme’s returns may therefore deviate from those of its Underlying Index. “Tracking Error” is defined as the standard deviation of the difference between daily returns of the index and the NAV of the Scheme. Tracking errors may result from a variety of factors including but not limited to:

- Any delay experienced in the purchase or sale of shares due to illiquidity of the market, settlement and realization of sale proceeds and the registration of any securities transferred and any delays in receiving cash and scrip dividends and resulting delays in reinvesting them.
- Securities trading may halt temporarily due to circuit filters.
- The underlying index reflects the prices of securities at close of business hours. However, the Fund may buy or sell the securities at different points of time during the trading session at the then prevailing prices which may not correspond to the closing prices on the exchange.
- Index Service Provider undertakes the periodical review of the scrips that comprise the underlying index and may either drop or include new securities. In such an event, the Fund will endeavor to reallocate its portfolio but the available investment/ disinvestment opportunities may not permit precise mirroring of the Index immediately.

11
• The potential for trades to fail which may result in the Scheme not having acquired shares at a price necessary to track the index.
• The holding of cash position to meet the redemptions and other liquidity requirements and accrued income prior to distribution and accrued expenses.
• Disinvestments to meet redemptions, recurring expenses, dividend payouts etc.

Under normal circumstances, such tracking errors are not expected to exceed 2% per annum. However, this may vary due to the reasons mentioned above or any other reasons that may arise and particularly when the markets are very volatile.

➢ Risk associated with Investing in Equities:

1. The value of the Schemes’ investments, may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets. Consequently, the NAV of the Units of the Schemes may fluctuate and can go up or down.

2. Investors may note that AMC/Fund Manager’s investment decisions may not be always profitable, as actual market movements may be at variance with anticipated trends. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of these investments. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The inability of the Schemes to make intended securities purchases due to settlement problems could cause the Schemes to miss certain investment opportunities.

3. Investors may note that dividend is due only when declared and there is no assurance that a company (even though it may have a track record of payment of dividend in the past) may continue paying dividend in future. As such, the schemes are vulnerable to instances where investments in securities may not earn dividend or where lesser dividend is declared by a company in subsequent years in which investments are made by schemes. As the profitability of companies are likely to vary and have a material bearing on their ability to declare and pay dividend, the performance of the schemes may be adversely affected due to such factors.

4. The schemes will also be vulnerable to movements in the prices of securities invested by the schemes which again could have a material bearing on the overall returns from the schemes.

5. Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk. Within the Regulatory limits, the AMC may choose to invest in unlisted securities. This may however increase the risk of the portfolio.

6. While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges. The liquidity of the Schemes’ investments is inherently restricted by trading volumes in the securities in which it invests.

7. Fund manager endeavours to generate returns based on certain past statistical trend. The performance of the schemes may get affected if there is a change in the said trend. There can be no assurance that such historical trends will continue.

8. In case of abnormal circumstances it will be difficult to complete the square off transaction due to liquidity being poor in stock futures/spot market. However fund will aim at taking exposure only into liquid stocks where there will be minimal risk to square off the transaction. The Schemes investing in foreign securities will be exposed to settlement risk, as different countries have different settlement periods.

9. The schemes are also vulnerable to movements in the prices of securities invested by the schemes which again could have a material bearing on the overall returns from the schemes. These stocks, at times, may be relatively less liquid as compared to growth stocks.

10. Changes in Government policy in general and changes in tax benefits applicable to mutual funds may impact the returns to investors in the Schemes or business prospects of the Company in any particular sector.

- **Risk factors pertaining to investment in Fixed Income Securities**
  - **Market Risk:** The Net Asset Value (NAV) of the Scheme(s), to the extent invested in Debt and Money Market securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme(s) is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates.
  - **Liquidity Risk:** Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the Scheme(s) and may lead to the Scheme(s) incurring losses till the security is finally sold.
  - **Credit Risk:** Investments in Debt Securities are subject to the risk of an issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer.
  - **Price Risk:** Government securities where a fixed return is offered run price-risk like any other fixed income security. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. The new level of interest rate is determined by the rates at which government raises new money and/or the price levels at which the market is already dealing in existing securities. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However, Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.
  - **Reinvestment Risk:** This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
  - **Different types of fixed income securities in which the Scheme(s) would invest as given in the Scheme Information Document carry different levels and types of risk. Accordingly, the Scheme(s) risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher level of risk than Government securities. Further even among corporate bonds, bonds, which are AAA rated, are comparatively less risky than bonds, which are AA rated.
  - The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute level of risk of the portfolio.
  - As zero coupon securities does not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.
  - Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. The AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio.
  - The Scheme(s) at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a
distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.

- Scheme’s performance may differ from the benchmark index to the extent of the investments held in the debt segment, as per the investment pattern indicated under normal circumstances.

- Investment in unrated instruments may involve a risk of default or decline in market value higher than rated instruments due to adverse economic and issuer-specific developments. Such investments display increased price sensitivity to changing interest rates and to a deteriorating economic environment. The market values for unrated investments tends to be more volatile and such securities tend to be less liquid than rated debt securities.

- Changes in government policy in general and changes in tax benefits applicable to Mutual Funds may impact the returns to investors in the Schemes.

- The inability of the Schemes to make intended securities purchases due to settlement problems could cause the Schemes to miss certain investment opportunities. By the same rationale, the inability to sell securities held in the Schemes’ portfolio due to the extraneous factors that may impact liquidity would result, at times, in potential losses to the Scheme, in case of a subsequent decline in the value of securities held in the Schemes’ portfolio.

- **Risks associated with Investing in Foreign Securities - ADRs/GDRs/other overseas investments:**

  The Scheme shall not invest in Foreign Securities - ADRs/GDRs/other overseas investments.

- **Risks associated with Investing in Derivatives:**

  1. The Schemes may use various derivative products as permitted by the Regulations. Use of derivatives requires an understanding of not only the underlying instrument but also of the derivative itself. Other risks include the risk of mis-pricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

  2. The Fund may use derivatives instruments like Stock Index Futures, Interest Rate Swaps, Forward Rate Agreements or other derivative instruments for the purpose of hedging and portfolio balancing, as permitted under the Regulations and guidelines. Usage of derivatives will expose the Schemes to certain risks inherent to such derivatives.

  3. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

  4. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have a large impact on their value. Also, the market for derivative instruments is nascent in India.

  5. The risks associated with the use of derivatives are different from or possibly greater than the risks associated with investing directly in securities and other traditional investments.

  6. The specific risk factors arising out of a derivative strategy used by the Fund Manager may be as below:

     - Lack of opportunity available in the market.
     - The risk of mispricing or improper valuation and the inability of derivatives to correlate
perfectly with underlying assets, rates and indices.

- **Execution Risk**: The prices which are seen on the screen need not be the same at which execution will take place.
- **Basis Risk**: This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying asset being hedged.
- **Exchanges could raise the initial margin, variation margin or other forms of margin on derivative contracts, impose one sided margins or insist that margins be placed in cash. All of these might force positions to be unwound at a loss, and might materially impact returns.**

- **Risks associated with investing in Securitised Debt**

The Scheme shall not invest in Securitised debt.

- **Risks associated with Securities Lending & Borrowing (SLB)**

Securities lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed.

The risks in security lending consist of the failure of intermediary / counterparty, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the intermediary / counterparty. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The scheme may not be able to sell lent out securities, which can lead to temporary illiquidity & loss of opportunity.

The Scheme shall not have exposure of more than 20% of its net assets in stock lending.

The AMC shall report to the Trustee on a quarterly basis as to the level of lending in terms of value, volume and the names of the intermediaries and the earnings/losses arising out of the transactions, the value of collateral security offered etc. The Trustees shall offer their comments on the above aspect in the report filed with SEBI under sub-regulation 23(a) of Regulation 18.

- **Risks associated with Short Selling**

The Scheme will not engage in Short Selling.

- **Risk associated with Investing in money market instruments:**

  a. **Interest Rate risk**: This risk is associated with movements in interest rate, which depend on various factors such as government borrowing, inflation, economic performance etc. The values of investments will appreciate/depreciate if the interest rates fall/rise.

  b. **Credit risk**: This risk arises due to any uncertainty in counterparty’s ability or willingness to meet its contractual obligations. This risk pertains to the risk of default of payment of principal and interest.

  c. **Liquidity risk**: The liquidity of a security may change depending on market conditions leading to changes in the liquidity premium linked to the price of the security. At the time of selling the security, the security can become illiquid leading to loss in the value of the portfolio.

- **Risks associated with investing in CBLOs/ Government Securities:**

CCIL maintains prefunded resources in all the clearing segments to cover potential losses arising from the default member. In the event of a clearing member failing to honour his settlement
obligations, the default Fund is utilized to complete the settlement. The sequence in which the above resources are used is known as the “Default Waterfall”.

As per the waterfall mechanism, after the defaulter’s margins and the defaulter’s contribution to the default fund have been appropriated, CCIL’s contribution is used to meet the losses. Post utilization of CCIL’s contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members.

Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member).

However, it may be noted that a member shall have the right to submit resignation from the membership of the CBLO/Security segment if it has taken a loss through replenishment of its contribution to the default fund for the segments and a loss threshold as notified have been reached. The maximum contribution of a member towards replenishment of its contribution to the default fund in the 7 days (30 days in case of securities segment) period immediately after the afore-mentioned loss threshold having been reached shall not exceed 5 times of its contribution to the Default Fund based on the last re-computation of the Default Fund or Specified amount, whichever is lower.

Apart from the risk factors mentioned above, the scheme is exposed to certain specific risks, which are as mentioned below –

1. Performance of the S&P BSE Sensex Index will have a direct bearing on the performance of the Scheme. In the event when the index is dissolved or is withdrawn, the Trustee reserves a right to modify the Scheme so as to track a different and suitable index and appropriate intimation will be sent to the unitholders of the Scheme. Provided that any change in the Underlying Index shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

2. Tracking errors are inherent in any indexed fund and such errors may cause the Scheme to generate returns which are not in line with the performance of the Index or one or more securities covered by / included in the Index. Provided that any change in the Underlying Index shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

3. In case of investments in derivative instruments like index, the risk/ reward would be the same as investments in portfolio of shares representing an index. However, there may be a cost attached to buying an index future. Further, there could be an element of settlement risk, which could be different from the risk in settling physical shares and there is a risk attached to the liquidity and the depth of the index futures market as it is relatively new market for Index and also it is relatively less popular as compared to the Index.

4. In the event of any of S&P BSE Sensex Index being dissolved or is withdrawn by Asia Index Private Limited (AIPL) or is not published due to any reason whatsoever, the Trustee reserves the right to modify the Scheme so as track a different and suitable index or to suspend tracking S&P BSE Sensex Index till such time it is dissolved/ withdrawn or not published and appropriate intimation will be sent to the Unitholders of the Scheme. In such a case, the investment pattern will be modified suitably to match the composition of the securities that are included in the new index to be tracked and the Scheme will be subject to tracking errors during the intervening period.

**RISK MANAGEMENT STRATEGIES**

The Fund by utilizing a holistic risk management strategy will endeavor to manage risks associated with investing in equity and debt markets. The risk control process involves identifying & measuring the risk through various risk measurement tools.

17
Liquidity or Marketability Risk
This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM).

The Scheme may invest in government securities, short to medium term debt and money market instruments. The liquidity risk for government securities, money market instruments is generally low.

Credit Risk
Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security).

Management analysis will be used for identifying company specific risks. Management’s past track record will also be studied. In order to assess financial risk a detailed assessment of the issuer’s financial statements will be undertaken to review its ability to undergo stress on cash flows and asset quality. A detailed evaluation of accounting policies, off-balance sheet exposures, notes, auditors’ comments and disclosure standards will also be made to assess the overall financial risk of the potential borrower.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEMES

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(C) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25% limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable NAV on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS, IF ANY

- Investors in the Scheme are not being offered any guaranteed returns.
- Investors are advised to consult their Legal /Tax and other Professional Advisors in regard to tax/legal implications relating to their investments in the Scheme and before making decision to invest in or redeem the Units.
- Investors are urged to study the terms of the SID carefully before investing in the Scheme, and to retain this SID for future reference.
- The Mutual Fund/AMC have not authorised any person to give any information or make any representations, either oral or written, not stated in this SID in connection with issue of Units under the Scheme. Prospective investors are advised not to rely upon any information or representations not incorporated in this SID as the same have not been authorised by the Mutual Fund or the AMC. Any subscription, purchase or sale made by any person on the basis of statements or representations which are not contained in this SID or which are inconsistent with the information contained herein shall be solely at the risk of the investor.
- Suspicious Transaction Reporting: If after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, the AMC shall report any such suspicious transactions to competent authorities under PMLA and rules / guidelines issued there under by SEBI and / or RBI, furnish of any such information in connection therewith to such authorities and take any other actions as may be required for the purposes of fulfilling its obligations under PMLA and rules / guidelines issued there under by SEBI and / or RBI without obtaining the prior approval of the investor / Unit Holder / any other person.
- Neither the SID and SAI, nor the Units have been registered in any jurisdiction. The
distribution of this SID in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this SID and the SAI in such jurisdictions are required to inform themselves about, and to observe, any such restrictions. No person receiving a copy of this SID or any accompanying application form in such jurisdiction may treat this SID or such application form as constituting an invitation to them to subscribe for Units, nor should they in any event use any such application form, unless in the relevant jurisdiction such an invitation could lawfully be made to them and such application form could lawfully be used without compliance of any registration or other legal requirements.

- The AMC is also engaged in portfolio management services (PMS) since October 2000 under SEBI Registration No. INP000000373. The AMC is also rendering Advisory Services to SEBI registered foreign portfolio investors (FPIs) and their sub-accounts. The AMC is also providing investment management services to Alternative Investment Funds registered under SEBI (Alternative Investment Funds) Regulations, 2012. The AMC has a common research team. These activities are not in conflict with the activities of the Mutual Fund. In the situations of unavoidable conflicts of interest, the AMC undertakes that it shall satisfy itself that adequate disclosures are made of sources of conflict, potential ‘material risk or damage’ to investor interest and develop parameters for the same.

- The Mutual Fund may disclose details of the investor's account and transactions thereunder to those intermediaries whose stamp appears on the application form. In addition, the Mutual Fund may disclose such details to the bankers / its agents, as may be necessary for the purpose of effecting payments to the investor. Further, the Mutual Fund may disclose details of the investor's account and transactions thereunder to any Regulatory/Statutory entities as per the provisions of law.

SECTION –II - INFORMATION ABOUT THE SCHEME

A. TYPE OF THE SCHEME -
An open ended Index scheme replicating S&P BSE Sensex Index

B. WHAT IS THE INVESTMENT OBJECTIVE OF THE SCHEME?

The objective of the Scheme is to invest in companies whose securities are included in S&P BSE Sensex Index and subject to tracking errors, to endeavor to achieve the returns of the above index as closely as possible. This would be done by investing in all the stocks comprising the S&P BSE Sensex Index in approximately the same weightage that they represent in S&P BSE Sensex Index. The Scheme will not seek to outperform the S&P BSE Sensex Index or to underperform it. The objective is that the performance of the NAV of the Scheme should closely track the performance of the S&P BSE Sensex Index over the same period.

C. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation under the Scheme will be as follows:

<table>
<thead>
<tr>
<th>Type of Security</th>
<th>Indicative allocation (% of total assets)</th>
<th>Risk Profile</th>
</tr>
</thead>
<tbody>
<tr>
<td>Particulars</td>
<td>Maximum</td>
<td>Minimum</td>
</tr>
<tr>
<td>Equity Stocks drawn from the components of the S&amp;P BSE Sensex Index and the exchange-traded derivatives on the S&amp;P BSE Sensex Index*</td>
<td>100%</td>
<td>95%</td>
</tr>
<tr>
<td>Debt &amp; Money Market Instruments</td>
<td>5%</td>
<td>0%</td>
</tr>
</tbody>
</table>

* Including derivatives instruments to the extent of 5% of the Net Assets.

The Scheme can take exposure up to 20% of its net assets in stock lending.

The Scheme may take exposure to equity derivatives of underlying index or constituents of the underlying index for short duration when securities of the underlying index are not readily available in needed quantities within the required time frame, or in case of corporate actions or for rebalancing at the time of change in underlying index.

Investment in derivatives shall be made in accordance with the SEBI Circular No. Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010 and such other guidelines on derivatives as issued by SEBI from time to time.

The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the scheme.

The margin money requirement for the purpose of derivative exposure may be held in the form of term deposits.

For the time duration of change in the index constituents, the Scheme may have to invest in Derivatives to maintain the respective weightages for the companies, constituting the index. Other than for purposes of portfolio rebalancing, the Scheme will not invest in Derivatives. These investments would be for a short period of time.

In case of any deviation from the above asset allocation, the portfolio shall be rebalanced within 7 Days to ensure adherence to the above norms. If owing to adverse market conditions or with the view to protect the interest of the investors, the fund manager is not able to rebalance the asset allocation within the above mentioned period, the same shall be reported to the Internal Investment Committee. The internal investment committee shall then decide on the future course of action.
Change in Investment Pattern

As index linked scheme, the policy is passive management. However, as elsewhere stated in this document the investment pattern is indicative and may change for short duration. In the event S&P BSE Sensex Index, as the case may be, is dissolved or is withdrawn by AIPL or is not published due to any reason whatsoever, the Trustee reserves the right to modify the Scheme so as to track a different and suitable index or to suspend tracking the respective index and appropriate intimation will be sent to the Unitholders of the Scheme.

In such a case, the investment pattern will be modified suitably to match the composition of the securities that are included in the new index to be tracked and the Scheme will be subject to tracking errors during the intervening period.

Provided that any change in the Underlying Index shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

Subject to the Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially within the maximum and minimum allocation limits, depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unitholders. Such changes in the investment pattern will be for short term and defensive considerations.

Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Schemes shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

Tracking Error:

The performance of the Scheme may not be commensurate with the performance of the underlying index on any given day or over any given period. Such variations are commonly referred to as the tracking error. Tracking errors may result from a variety of factors including but not limited to:

- Any delay experienced in the purchase or sale of shares due to illiquidity of the market, settlement and realization of sale proceeds and the registration of any securities transferred and any delays in receiving cash and scrip dividends and resulting delays in reinvesting them.
- Securities trading may halt temporarily due to circuit filters.
- The underlying index reflects the prices of securities at close of business hours. However, the Fund may buy or sell the securities at different points of time during the trading session at the then prevailing prices which may not correspond to the closing prices on the exchange.
- Index Service Provider undertakes the periodical review of the scrips that comprise the underlying index and may either drop or include new securities. In such an event, the Fund will endeavor to reallocate its portfolio but the available investment/ disinvestment opportunities may not permit precise mirroring of the Index immediately.
- The potential for trades to fail which may result in the Scheme not having acquired shares at a price necessary to track the index.
- The holding of cash position to meet the redemptions and other liquidity requirements and accrued income prior to distribution and accrued expenses.
- Disinvestments to meet redemptions, recurring expenses, dividend payouts etc.

Under normal circumstances, such tracking errors are not expected to exceed 2% per annum. However, this may vary due to the reasons mentioned above or any other reasons that may arise and particularly when the markets are very volatile.
D. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme will be invested in equity shares and in equity related securities as well as in debt and money market instruments. Subject to the Regulations, the corpus of the Schemes can be invested in any (but not exclusively) of the following securities:

1) Equity and equity related securities forming part of Underlying Index

2) Money market instruments permitted by SEBI, having maturities of up to one year, or in alternative investment for the call money market.

3) Certificate of Deposits (CDs)

4) Commercial Paper (CPs)

5) Any other domestic fixed income securities

6) Derivative instruments like Stock / Index Futures and such other derivative instruments permitted by SEBI.

Subject to the Regulations, the securities mentioned “Where will the Scheme invest” above could be listed, privately placed, secured, unsecured, rated or unrated and of varying maturity. The securities may be acquired through Public Offerings, secondary market operations, private placement, rights offers or negotiated deals.

For the purposes of this SID equity and equity related securities include debt securities convertible into shares and rights or warrants to purchase shares. It is the intention of this Scheme to trade in derivatives on the indices or the stocks comprising the index, as permitted by the Regulations.

The portion of the Scheme’s portfolio invested in each type of security may vary in accordance with economic conditions, interest rates, liquidity and other relevant considerations, including the risks associated with each investment. The Scheme will, in order to reduce the risks associated with any one security, utilize a variety of investments. Further the Scheme intends to participate in securities lending as permitted under the Regulations.

Negative list: The Scheme will not invest/ have exposure in the following:

1. Foreign securities
2. Repos in corporate debt securities
3. Credit Default Swaps transactions
4. Short Selling
5. Securitised Debt

DERIVATIVE

i) Trading in Derivatives

The Scheme may use derivatives instruments like Stock/ Index Futures, Interest Rate Swaps, Forward Rate Agreements or such other derivative instruments as may be introduced from time to time for the purpose of hedging and portfolio balancing, within a permissible limit as stated in the asset allocation of the Scheme, which may be increased as permitted under the Regulations and guidelines from time to time.

The following information provides a basic idea as to the nature of the derivative instruments proposed to be used by the Scheme and the risks attached there with.

Advantages of Derivatives:

The volatility in Indian markets both in debt and equity has increased over last few months. Derivatives provide unique flexibility to the Scheme to hedge part of its portfolio. Some of the advantages of specific derivatives are as under:
ii) Derivatives Strategy

Equity Derivative

The Scheme intends to use derivatives for purposes that may be permitted by SEBI Mutual Fund Regulations from time to time. Derivatives instruments may take the form of Futures, Options, Swaps or any other instrument, as may be permitted from time to time. SEBI has vide its Circular DNPD/Cir-29/2005 dated September 14, 2005 and DNPD/Cir-29/2005 dated January 20, 2006 and CIR/IMD/DF/11/2010 dated August 18, 2010 specified the guidelines pertaining to trading by Mutual Fund in Exchange trades derivatives. All Derivative positions taken in the portfolio would be guided by the following limits:

- **Position limit for the Fund in index options contracts**
  - The Fund position limit in all index options contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest of the market in index options, whichever is higher per Stock Exchange.
  - This limit would be applicable on open positions in all options contracts on a particular underlying index.

- **Position limit for the Fund in index futures contract**
  - The Fund position limit in all index futures contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest of the market in index futures, whichever is higher, per Stock Exchange.
  - This limit would be applicable on open positions in all futures contracts on a particular underlying index.

- **Additional position limit for hedging**
  In addition to the position limits at points above, Fund may take exposure in equity index derivatives subject to the following limits:
  - Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Fund’s holding of stocks.
  - Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Fund’s holding of cash, government securities, T-Bills and similar instruments.

- **Position limit for the Fund for stock based derivative contracts**
  The Fund position limit in a derivative contract on a particular underlying stock, i.e. stock option contracts and stock futures contracts, :-
  - The combined futures and options position limit shall be 20% of the applicable Market Wide Position Limit (MWPL).
  - The MWPL and client level position limits however would remain the same as prescribed

- **Position limit for the Scheme**
  - The position limits for the Scheme and disclosure requirements are as follow. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a Fund shall not exceed the higher of:
    - 1% of the free float market capitalisation (in terms of number of shares).
    - 5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).
  This position limit shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.
  For index based contracts, the Fund shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.”

i) Index Futures:

Benefits
a) Investment in Stock / Index Futures can give exposure to the index without directly buying the
individual stocks. Appreciation in Index stocks can be effectively captured through investment in Stock / Index Futures.

b) The Fund can sell futures to hedge against market movements effectively without actually selling the stocks it holds.

The Stock / Index futures are instruments designed to give exposure to the equity market indices. BSE Limited and National Stock Exchange of India Limited have started trading in index futures of 1, 2 and 3-month maturities. The pricing of an index future is the function of the underlying index and interest rates.

Illustration
Spot Index: 1070
1 month Index Future Price on day 1: 1075
Fund buys 100 lots
Each lot has a nominal value equivalent to 200 units of the underlying index

Let us say that on the date of settlement, the future price = Closing spot price = 1085

Profits for the Fund = (1085-1075)* 100 lots * 200 = Rs 200,000

Please note that the above example is given for illustration purposes only.

The net impact for the Fund will be in terms of the difference between the closing price of the index and cost price (ignoring margins for the sake of simplicity). Thus, it is clear from the example that the profit or loss for the Fund will be the difference of the closing price (which can be higher or lower than the purchase price) and the purchase price. The risks associated with index futures are similar to the one with equity investments. Additional risks could be on account of illiquidity and hence mispricing of the future at the time of purchase.

Basic Structure of a Stock & Index Future

The Stock / Index futures are instruments designed to give exposure to the equity markets indices.

BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) provide futures in select stocks and indices with maturities of 1, 2 and 3 months. The pricing of a stock/index future is the function of the underlying stock/index and short term interest rates.

Example using hypothetical figure
1 month Index Future
Say, Fund buys 1,000 futures contracts; each contract value is 50 times futures index price
Purchase Date: May 01, 2018
Spot Index: 6036.25
Future Price: 6081.90
Say, Date of Expiry: May 24, 2018
Say, Margin: 20%

Assuming the exchange imposes total margin of 20%, the Investment Manager will be required to provide total margin of approx. Rs. 6.08 Cr (i.e.20% * 6081.90 * 1000 * 50) through eligible securities and cash.

Date of Expiry
Assuming on the date of expiry, i.e. May 24, 2018, Index closes at 6100, the net impact will be a profit of Rs 9,05,000 for the fund i.e. (6100–6081.90)*1000*50
Futures price = Closing spot price = 6100.00
Profits for the Fund = (6100–6081.90)*1000*50 = Rs. 9,05,000

Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity.

The net impact for the Fund will be in terms of the difference of the closing price of the index and cost price. Thus, it is clear from the example that the profit or loss for the Fund will be the
difference of the closing price (which can be higher or lower than the purchase price) and the purchase price. The risks associated with index futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures.

ii) Buying Options:
Benefits of buying a call option:
Buying a call option on a stock or index gives the owner the right, but not the obligation, to buy the underlying stock / index at the designated strike price. Here the downside risks are limited to the premium paid to purchase the option.

Illustration
For example, if the fund buys a one month call option on ABC Limited at a strike of Rs. 150, the current market price being say Rs.151. The fund will have to pay a premium of say Rs. 15 to buy this call. If the stock price goes below Rs. 150 during the tenure of the call, the fund avoids the loss it would have incurred had it straightaway bought the stock instead of the call option. The fund gives up the premium of Rs. 15 that has to be paid in order to protect the fund from this probable downside. If the stock goes above Rs. 150, it can exercise its right and own ABC Limited at a cost price of Rs. 150, thereby participating in the upside of the stock.

Benefits of buying a put option
Buying a put option on a stock originally held by the buyer gives him/her the right, but not the obligation, to sell the underlying stock at the designated strike price. Here the downside risks are limited to the premium paid to purchase the option.

Illustration
For example, if the fund owns ABC Limited and also buys a three month put option on ABC Limited at a strike of Rs. 150, the current market price being say Rs.151. The fund will have to pay a premium of say Rs. 12 to buy this put. If the stock price goes below Rs. 150 during the tenure of the put, the fund can still exercise the put and sell the stock at Rs. 150, avoiding therefore any downside on the stock below Rs. 150. The fund gives up the fixed premium of Rs. 12 that has to be paid in order to protect the fund from this probable downside. If the stock goes above Rs. 150, say to Rs. 170, it will not exercise its option. The fund will participate in the upside of the stock, since it can now sell the stock at the prevailing market price of Rs. 170.

Basic Structure of an Equity Option
An option gives a buyer the right but does not cast the obligation to buy or sell the underlying. An option is a contract between two parties wherein the buyer receives a privilege for which he pays a fee (premium) and the seller accepts an obligation for which he receives a fee. The premium is the price negotiated and set when the option is bought or sold. A person who buys an option is said to be long in the option. A person who sells (or writes) an option is said to be short in the option.
In India, National Stock Exchange (NSE) became the first exchange to launch trading in options on individual securities. Trading in options on individual securities commenced from July 2, 2001. All stock/index Option contracts are European style (w.e.f. January 2011) and cash settled as stipulated by the Securities and Exchange Board of India (SEBI).

Example using hypothetical figures on Index Options:

```
Market type: N
Instrument Type: OPTIDX
Underlying: Nifty
Purchase date: May 01, 2018
Expiry date: May 24, 2018
Option Type: Put Option (Purchased)
Strike Price: Rs. 6,000.00
Spot Price: Rs. 6036.00
Premium: Rs. 6036.00
Lot Size: 50
```
No. of Contracts: 100

Say, the Fund purchases on May 01, 2018, 1 month Put Options on Nifty on the NSE i.e. put options on 5000 shares (100 contracts of 50 shares each) of Nifty.

Date of Exercise

As these are European style options, they can be exercised only on the exercise date i.e. May 24, 2018. If the share price of Nifty falls to Rs.5,500 on expiry day, the net impact will be as follows:

Premium expense = Rs.84*100* 50 Rs. 4,20,000
Option Exercised at = Rs. 5,500
Profits for the Fund = (6000.00-5,500.00) * 100*50 = Rs. 25,00,000
Net Profit = Rs. 25,00,000 – Rs. 4,20,000 = Rs. 20,80,000

In the above example, the Investment Manager hedged the market risk on 5000 shares of Nifty Index by purchasing Put Options.

Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity. Certain factors like margins have been ignored. The purchase of Put Options does not increase the market risk in the fund as the risk is already in the fund's portfolio on account of the underlying asset position. The premium paid for the option is treated as an expense. Additional risks could be on account of illiquidity and potential mis-pricing of the options.

iii) Interest Rate Swaps and Forward rate Agreements

Benefits
Bond markets in India are not very liquid. Investors run the risk of illiquidity in such markets. Investing for short-term periods for liquidity purposes has its own risks. Investors can benefit if the Fund remains in call market for the liquidity and at the same time take advantage of fixed rate by entering into a swap. It adds certainty to the returns without sacrificing liquidity.

Illustration
The following are illustrations how derivatives work:

Basic Structure of an Interest Rate Swap

Floating Interest Rate

Counter Party 1

Fixed Interest Rate

Counter Party 2

In the above illustration,

Basic Details : Fixed to floating swap
Notional Amount : Rs. 5 Crores
Benchmark : NSE MIBOR
Deal Tenor : 3 months (say 91 days)

Documentation : International Securities Dealers Association (ISDA).
Let us assume the fixed rate decided was 10%.

At the end of three months, the following exchange will take place:

Counter party 1 pays : compounded call rate for three months, say 9.90%
Counter party 2 pays fixed rate: 10%

In practice, however, the difference of the two amounts is settled. Counter party 2 will pay:
Rs 5 Crores *0.10%* 91/365 = Rs. 12,465.75

Thus the trade off for the Fund will be the difference in call rate and the fixed rate payment and this can vary with the call rates in the market. Please note that the above example is given for illustration purposes only and the actual returns may vary depending on the terms of swap and market conditions.

iv) Interest rate futures (IRF):

IRF means a standardized interest rate derivative contract traded on a recognized stock exchange to buy or sell a notional security or any other interest bearing instrument or an index of such instruments or interest rates at a specified future date, at a price determined at the time of the contract.

The underlying security for IRF could be either Government Securities or Treasury Bills. Currently, exchange traded Interest Rate Futures traded on exchange are standardized contracts based on 10-Year Government of India Security and 91 day Treasury bill. IRF contracts are cash settled.

IRFs give an opportunity in the fixed income market to hedge interest rate risk or rebalance the portfolio by using them. By locking into a price, the IRF contract can help to eliminate the interest rate risk. Thus, in order to protect against a fall in the value of the portfolio due to falling bond prices, one can take short position in IRF contracts.

Example:

Date: May 01, 2018
Spot price of the Government Security: Rs.108.83
Price of IRF– May contract: Rs. 108.90

On May 01, 2018, Fund buys 1000 units of the Government security from the spot market at Rs. 108.83. Subsequently, it is anticipated that the interest rate will rise in the near future. Therefore to hedge the exposure in underlying Government security, Fund sells May 2018 Interest Rate Futures contracts at Rs. 108.90.

On May 15, 2018 due to increase in interest rate:

Futures Price of IRF Contract: Rs.107.30

Loss in underlying market will be (107.24 – 108.83)*1000 = (Rs. 1,590)
Profit in the Futures market will be (107.30 – 108.90)*1000 = Rs. 1,600

In case of Equity and Derivatives Fund:
The fund will use derivatives instruments for the purpose hedging or portfolio rebalancing or for any other stock and / or index derivative strategies as allowed under the SEBI regulations.

Example of Hedging using Index Futures
The scheme holds stock at current market price of Rs. 100. To hedge the exposure, the scheme will index futures for Rs. 100.

The stock will make a gain or a loss subject to its relative out-performance or underperformance of the markets.

Stock A falls by 10% and market index also falls by 10%.
Profit/(Loss) on stock A will be = (Rs. 10)
Profit/(Loss) on Short Nifty futures = Rs. 10
Net Profit/(Loss) = Nil

Therefore, hedging allows the scheme to protect against market falls.

Please note that the above examples are only for illustration purposes.
**Valuation of Derivative Products**

a) The traded derivatives shall be valued at market price in conformity with the stipulations of sub clauses (i) to (v) of clause 1 of the Eighth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended from time to time.

b) The valuation of un-traded derivatives shall be done in accordance with the valuation method for un-traded investments prescribed in sub clauses (i) and (ii) of clause 2 of the Eighth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 as amended from time to time.

**Various Derivatives Strategies:**

If and where Derivative strategies are used under the scheme the Fund Manager will employ a combination of the following strategies:

1. **Index Arbitrage:**

   As the S&P BSE Sensex Index derives its value from fifty underlying stocks, the underlying stocks can be used to create a synthetic index matching the Index levels. Also, theoretically, the fair value of a stock/ index futures is equal to the spot price plus the cost of carry i.e. the interest rate prevailing for an equivalent credit risk, in this case is the Clearing Corporation of the BSE.

   Theoretically, therefore, the pricing of Index futures should be equal to the pricing of the synthetic index created by futures on the underlying stocks. However, due to market imperfections, the index futures may not exactly correspond to the synthetic index futures.

   The Index futures normally trades at a discount to the synthetic Index due to large volumes of stock hedging being done using the Index futures giving rise to arbitrage opportunities.

   The fund manager shall aim to capture such arbitrage opportunities by taking long positions in the Index futures and short positions in the synthetic index. The strategy is attractive if this price differential (post all costs) is higher than the investor’s cost-of-capital.

**Objective of the Strategy**

The objective of the strategy is to lock-in the arbitrage gains.

**Risks Associated with this Strategy**

- Lack of opportunity available in the market
- The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices:
- **Execution Risk:** The prices which are seen on the screen need not be the same at which execution will take place.

2. **Cash Futures Arbitrage:** (Only one way as funds are not allowed to short in the cash market).

   The scheme would look for market opportunities between the spot and the futures market. The cash futures arbitrage strategy can be employed when the price of the futures exceeds the price of the underlying stock.

   The scheme will first buy the stocks in cash market and then sell in the futures market to lock the spread known as arbitrage return.

   Buying the stock in cash market and selling the futures results into a hedge where the Scheme have locked in a spread and is not affected by the price movement of cash market and futures market. The arbitrage position can be continued till expiry of the future contracts. The future contracts are settled based on the last half an hour’s weighted average trade of the cash market. Thus there is a convergence between the cash market and the futures market on expiry. This convergence helps the Scheme to generate the arbitrage return locked in earlier. However, the position could even be closed earlier in case the price differential is realized before expiry or better opportunities are available in other stocks. The strategy is attractive if this price differential (post all costs) is higher than the investor’s cost-of-capital.
Objective of the Strategy
The objective of the strategy is to lock-in the arbitrage gains.

Risk Associated with this Strategy
- Lack of opportunity available in the market.
- The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Execution Risk: The prices which are seen on the screen need not be the same at which execution will take place.

3. Hedging and alpha strategy: The fund will use exchange-traded derivatives to hedge the equity portfolio. The hedging could be either partial or complete depending upon the fund managers' perception of the markets. The fund manager shall either use index futures and options or stock futures and options to hedge the stocks in the portfolio. The fund will seek to generate alpha by superior stock selection and removing market risks by selling appropriate index. For example, one can seek to generate positive alpha by buying an IT stock and selling IT Index future or a bank stock and selling Bank Index futures or buying a stock and selling the Index.

Objective of the Strategy
The objective of the strategy is to generate alpha by superior stock selection and removing market risks by hedging with appropriate index.

Risk Associated with this Strategy
- The stock selection under this strategy may under-perform the market and generate a negative alpha.
- The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Execution Risk: The prices which are seen on the screen need not be the same at which execution will take place.

4. Other Derivative Strategies: As allowed under the SEBI guidelines on derivatives, the fund manager will employ various other stock and index derivative strategies by buying or selling stock/index futures and/or options.

Objective of the Strategy
The objective of the strategy is to earn low volatility consistent returns.

Risk Associated with this Strategy
- The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices
- Execution Risk: The prices which are seen on the screen need not be the same at which execution will take place.
E. WHAT ARE THE INVESTMENT STRATEGIES?

The corpus of the Scheme will be invested predominantly in stocks constituting the benchmark of the Scheme and in exchange traded derivatives on S&P BSE Sensex Index. A small portion of the Scheme will be kept liquid to meet the redemption requirements.

The Scheme may also use derivatives for the purpose of portfolio rebalancing from time to time, as would be available and permitted by SEBI.

For the present, the Scheme does not intend to enter into underwriting obligations. However, if the Scheme enters into an underwriting agreement, it would do so after complying with the Regulations and with the prior approval of the Board of the AMC/Trustee.

The performance of the Scheme may not be commensurate with the performance of the benchmark S&P BSE Sensex Index on any given day or over any given period. Such variations are commonly referred to as the tracking error. The Scheme intends to maintain a low tracking error by actively managing the portfolio in line with the index.

The stocks comprising the S&P BSE Sensex Index are periodically reviewed by AIPL. A particular stock may be dropped or new securities may be included as a constituent of the index. In such an event, the Scheme will endeavor to reallocate its portfolio but the available investment/disinvestment opportunities may not permit precise mirroring of the Index benchmark immediately. Similarly, in the event of a constituent stock being demerged / merged / delisted from the exchange, the Scheme will reallocate the portfolio and seek to minimize the variation from the index.

Equities and equity related instruments:

The Scheme would invest in stocks comprising the S&P BSE Sensex Index and endeavor to track the benchmark index.

Fixed Income Securities:

The AMC aims to identify securities that offer superior levels of yield at lower levels of risks. With the aim of controlling risks, rigorous in depth credit evaluation of the securities proposed to be invested in will be carried out by the investment team of the AMC. The credit evaluation includes a study of the operating environment of the issuer, the past track record as well as the future prospects of the issuer, the short as well as longer-term financial health of the issuer.

In addition, the investment team of the AMC will study the macro economic conditions, including the political, economic environment and factors affecting liquidity and interest rates. The AMC would use this analysis to attempt to predict the likely direction of interest rates and position the portfolio appropriately to take advantage of the same.

The Scheme may invest in other index funds/exchange traded funds managed by the AMC or in the index schemes/exchange traded funds of any other Mutual Funds, provided it is in conformity to the investment objectives of the Scheme and in terms of the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments.

Investment in Derivatives:

The Scheme may take an exposure to equity derivatives of constituents of the underlying Basket when securities of the Basket are unavailable, insufficient or for rebalancing at the time of change in Basket or in case of corporate actions, for a short period of time. The Scheme may use derivative instruments such as stock futures or any other derivative instruments that are permissible or may be permissible in future under applicable regulations and such investments shall be in accordance with the investment objective of the Scheme.
Portfolio Turnover

Portfolio turnover is defined as the lower of purchases and sales after reducing all subscriptions and redemptions and derivative transactions there from and calculated as a percentage of the average assets under management of the Scheme during a specified period of time.

The AMC’s portfolio management style is conducive to a low portfolio turnover rate. However, the AMC will take advantage of the opportunities that present themselves from time to time because of the inefficiencies in the securities markets. The AMC will endeavour to balance the increased cost on account of higher portfolio turnover with the benefits derived there from.

ICICI Prudential Sensex Index Fund will follow a passive investment strategy, the endeavour will be to minimise portfolio turnover subject to the exigencies and needs of the Schemes. Generally, turnover will be confined to rebalancing of portfolio on account of new subscriptions, redemptions and change in the composition of S&P BSE Sensex Index.

POSITION OF EQUITY MARKET IN INDIA

The Indian stock market is one of the world’s largest stock markets on the basis of investor base and has a collective pool of about 27 million investor accounts.

There are two leading stock exchanges in India, i.e. BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). BSE was established in 1875 and is the oldest stock exchange in Asia. NSE, a more recent establishment which came into existence in 1992, is the largest and most advanced stock market in India and is also one of the biggest stock exchanges in Asia in terms of transactions. NSE's flagship index, NIFTY 50, is used extensively by investors in India and around the world to take exposure to the Indian equities market.

BSE has a large number of scrips which are listed. The Indian stock market scene really picked up after the opening up of the economy in the early nineties. NSE changed the way the Indian markets function, in the early nineties, by replacing floor based trading with nationwide screen based electronic trading, which took trading to the doorstep of the investor. NSE was mainly set up to bring in transparency in the markets. Instead of trading membership being confined to a group of brokers, NSE ensured that anyone who was qualified, experienced and met minimum financial requirements was allowed to trade. The price information which could earlier be accessed only by a handful of people could now be seen by a client in a remote location with the same ease. The paper based settlement was replaced by electronic depository based accounts and settlement of trades was always done on time. One of the most critical changes was that a robust risk management system was set in place, so that settlement guarantees could protect investors against broker defaults. The corporate governance rules were gradually put in place which initiated the process of bringing the listed companies at a uniform level.

POSITION OF DEBT MARKET IN INDIA

Indian debt markets, in the early nineties, were characterised by controls on pricing of assets, segmentation of markets and barriers to entry, low levels of liquidity, limited number of players, near lack of transparency, and high transactions cost. Financial reforms have significantly changed the Indian debt markets for the better. Most debt instruments are now priced freely on the markets; trading mechanisms have been altered to provide for higher levels of transparency, higher liquidity, and lower transactions costs; new participants have entered the markets, broad basing the types of players in the markets; methods of security issuance, and innovation in the structure of instruments have taken place; and there has been a significant improvement in the dissemination of market information. There are three main segments in the debt markets in India,
The debt market consists of Government Securities. Other instruments available currently include Corporate Debentures, Bonds issued by Financial Institutions, Commercial Paper, Certificates of Deposits and Securitized Debt. Securities in the Debt market typically vary based on their tenure and rating. Government Securities have tenures from one year to thirty years whereas the maturity period of the Corporate Debt now goes up to sixty years and more (perpetual). Perpetual bonds are now issued by banks as well. Securities may be both listed and unlisted and there is increasing trend of securities of maturities of over one year being listed by issuers. While in the corporate bond market, deals are conducted over telephone and are entered on principal-to-principal basis, due to the introduction of the Reserve Bank of India's NDS-Order Matching system a significant proportion of the government securities market is trading on the new system.

Procedure followed for Investment decisions

a) The Fund Manager of the scheme is responsible for making buy/sell decisions in respect of the securities in the scheme portfolios, subject to final approval by the Chief Investment Officer – Equity/Head – Fixed Income. The investment decisions are made and approved on daily basis keeping in view the market conditions and all relevant aspects.

b) The AMC has an Internal Investment Committee comprising of the Managing Director and Chief Executive Officer, the Chief Investment Officer – Equity and Fixed Income/Chief Investment Officer - Fixed Income, Fund Managers, Portfolio Managers, Credit Analysts and Head - Research who meet at periodic intervals. The Investment Committee, at its meetings, reviews the performance of the schemes and general market outlook and formulates broad investment strategy. The Managing Director and Chief Executive Officer attend the meeting at his discretion.

c) The Chief Investment Officer, who chairs the Investment Committee Meetings, guides the deliberations at Investment Committee. He, on an ongoing basis, reviews the portfolios of the schemes and gives directions to the respective fund managers, where considered necessary. It is the ultimate responsibility of the Chief Investment Officer to ensure that the investments are made as per the internal/Regulatory guidelines, Scheme investment objectives and in the best interest of the unitholders of the schemes.

d) Periodic presentations will be made to the Board of AMC to review the performance of the Schemes.

e) The Schemes are benchmarked against their respective benchmark. The performances are placed before the Investment Committee as well as the Board of Directors of the AMC and the Trustee Company in each of their meetings. The Trustee reserves right to change the benchmark for performance of any of the Schemes/Plans by suitable notification to the investors to this effect.

f) The Board is notified of any specific factors affecting the performance of the Schemes. The Board on consideration of all relevant factors may, if necessary, give directions to the AMC.
Similarly, the performance of the schemes is submitted to the Trustees. The details on Scheme’s performance vis-à-vis the benchmark returns is also explained to the Trustees.

g) Subsequent to the issue of Circular No. MFD/CIR/9/120/2000 dated November 24, 2000, the AMC constituted an internal committee to approve the investment in un-rated debt securities. All such investments, as and when are made, will be placed before the Board of Directors of AMC for its review. Also such investments are approved by the Board of Trustees.

h) The AMC has been recording investment decisions since the receipt of instructions from SEBI, in terms of SEBI’s circular no. MFD/CIR/6/73/2000 dated July 27, 2000.

i) The AMC shall ensure that the mutual fund complies with all the provisions of SEBI (Mutual Fund) Regulations, 1996, as amended from time to time, including all guidelines, circulars issued in relation thereto from time to time and that the investments made by the fund managers are in the interest of the unit holders and shall also be responsible for the overall risk management function of the mutual fund.

j) The Fund managers shall ensure that the funds of the Scheme/ schemes are invested to achieve the investment objectives of the schemes and in the interest of the unit holders.

F. FUNDAMENTAL ATTRIBUTES:

I. WHAT ARE THE INVESTMENT RESTRICTIONS?

As per the Trust Deed read with the SEBI (MF) Regulations, the following investment restrictions apply in respect of the Scheme at the time of making investments. however, all investments by the Scheme will be made in accordance with the investment objective, asset allocation and where will the schemes invest, described earlier, as well as the SEBI (MF) Regulations, including schedule VII thereof, as amended from time to time.

1. The Fund under all its Schemes shall not own more than 10% of any company’s paid up capital carrying voting rights.

   Provided, investment in the asset management company or the trustee company of a mutual fund shall be governed by clause (a), of sub-regulation (1), of regulation 7B.

2. Transfer of investments from one Scheme to another Scheme in the same Mutual Fund is permitted provided:
   • Such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
   • The securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
Further the inter Scheme transfer of investments shall be in accordance with the provisions contained in clause Inter-Scheme transfer of investments, contained in Statement of Additional Information.

3. The Scheme may invest in other Schemes under the same AMC or any other Mutual Fund without charging any fees, provided the aggregate inter-Scheme investment made by all the Schemes under the same management or in Schemes under management of any other asset management company shall not exceed 5% of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other Schemes of the Fund or in the Schemes of any other mutual fund.

4. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided further that the Mutual Fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the RBI in this regard

5. The Fund shall get the securities purchased transferred in the name of the Fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.

6. Pending deployment of funds of the Schemes in terms of the investment objective of the Schemes, the Mutual Fund may invest them in short term deposits of scheduled commercial banks in accordance with SEBI Circular no SEBI/IMD/CIR No. 1/91171/07 dated 16th April 2007 and SEBI/IMD/CIR No. 7/12959/08 dated June 23, 2008, following guidelines shall be followed for parking of funds in short term deposits of Scheduled commercial Banks pending deployment:
   a. “Short Term” for such parking of funds by mutual funds shall be treated as a period not exceeding 91 days.
   b. Such short term deposits shall be held in the name of the concerned Scheme.
   c. No mutual fund Scheme shall park more than 15% of the net assets in Short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with prior approval of the trustees. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the mutual fund in short term deposits.
   d. No mutual fund Scheme shall park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
   e. Trustees shall ensure that no funds of a Scheme may be parked in short term deposit of a bank which has invested in that Scheme.

These conditions are not applicable to term deposits placed as margins for trading in cash and derivative market.

f. Asset Management Company (AMC) shall not be permitted to charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks in case of liquid and debt oriented Schemes.

g. All funds parked in short term deposit(s) shall be disclosed in half yearly portfolio statements under a separate heading. Details such as name of the bank, amount of funds parked, percentage of NAV may be disclosed.

h. Trustees shall certify in the half-yearly reports that the provision of the Regulation pertaining to parking of funds in short term deposits - pending deployment is being complied with at all points of time. Further the AMC shall also certify the same in its bi-monthly compliance test report.

7. No mutual fund Scheme shall make any investments in;
   a) any unlisted security of an associate or group company of the sponsor; or
   b) any security issued by way of private placement by an associate or group company of the Sponsor; or
c) the listed securities of group companies of the Sponsor which is in excess of 25% of its net assets.

8. The scheme shall not invest in Fund of funds scheme.

9. Investments by index funds shall be in accordance with the weightage of the scrips in the specific index as disclosed in the SID.

10. A mutual fund scheme shall not invest more than 5% of its NAV in the unlisted equity shares or equity related instruments.

11. No loans for any purpose can be advanced by the Scheme.

12. The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase/ redemption of units or payment of interest and dividend to the unit holders. Such borrowings shall not exceed more than 20% of the net assets of the individual Scheme and the duration of the borrowing shall not exceed a period of 6 months.

13. If any company invests more than 5% of the NAV of any of the Schemes, investments made by that or any other schemes of the Mutual Fund in that company or its subsidiaries will be disclosed in accordance with the SEBI (MF) Regulations.

14. The Mutual Fund having an aggregate of securities which are worth Rs.10 crores or more, as on the latest balance sheet date, shall subject to such instructions as may be issued from time to time by the Board, settle their transactions entered on or after January 15, 1998 only through dematerialised securities. Further all transactions in government securities shall be in dematerialised form.

15. The Scheme will comply with provisions specified in Circular dated August 18, 2010 related to overall exposure limits applicable for derivative transactions as stated below:
   i. The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the scheme.
   ii. Mutual Funds shall not write options or purchase instruments with embedded written options.
   iii. The total exposure related to option premium paid must not exceed 20% of the net assets of the scheme.
   iv. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.
   v. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:
      a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
      b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point 1.
      c. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
      d. The quantity of underlying associated with the derivative position taken for hedging purpose does not exceed the quantity of the existing position against which hedge has been taken.
   vi. Mutual Funds may enter into plain vanilla interest rate swaps for hedging purposes. The counterparty in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme. Exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme.
   vii. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point (i) above.
viii. Definition of Exposure in case of Derivative Positions - Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

<table>

16. The Scheme will comply with any other Regulation applicable to the investments of mutual funds from time to time.

The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow or as deemed fit in the general interest of the unit holders.

All investment restrictions shall be applicable at the time of making investment.

The Trustee /AMC may alter the above stated limitations from time to time, and also to the extent the SEBI (MF) Regulations change, so as to permit the Schemes to make their investments in the full spectrum of permitted investments in order to achieve their investment objective.

* The Scheme can take exposure upto 20% of its net assets in stock lending. The Scheme shall also not lend more than 5% of its net assets to any counter party.

### Investment Objective

An open-ended index linked growth scheme seeking to track the returns of S&P BSE Sensex Index through investments in a basket of stocks drawn from the constituents of the above index.

The objective of the Scheme is to invest in companies whose securities are included in S&P BSE Sensex Index and subject to tracking errors, to endeavor to achieve the returns of the above index as closely as possible. This would be done by investing in all the stocks comprising the S&P BSE Sensex Index in approximately the same weightage that they represent in S&P BSE Sensex Index. The Scheme will not seek to outperform the S&P BSE Sensex Index or to underperform it. The objective is that the performance of the NAV of the Scheme should closely track the performance of the S&P BSE Sensex Index over the same period.

However, there can be no assurance that the investment objective of the Scheme will be realized.

<td><strong>Systematic Investment Plan (SIP)</strong> The Unitholders of the Scheme can benefit by investing specific Rupee amounts periodically, for a continuous period. At the time of registration the SIP allows the investors to invest a fixed equal amount of Rupees subject to minimum of Rs. 1,000/- and multiples of Re. 1 every month or Rs. 5,000/- and in multiples of Re. 1/- every quarter for purchasing additional Units of the Scheme at NAV based prices. Investors can enroll themselves for SIP in the Scheme by ticking appropriate box on the application form or by subsequently making a written request to that effect to the Registrar. Minimum number of installments for monthly frequency will be 6 and for quarterly frequency will be 4. Investors can choose any date of his/her preference to register under any frequency available under SIP facility. In case the date chosen for SIP falls on a Non-Business Day or on a day which is not available in a particular month, the SIP will be processed on the immediate next business day. Investors can subscribe through SIP by using Post Dated Cheques / Standing Instructions / NACH facilities offered by the Banks. The cheques should be in favour of “ICICI Prudential Sensex Index Fund” and crossed “Account Payee Only”, and the cheques must be payable at the centre where the applications are submitted to the Customer Service Centre. In case of fresh/additional purchases, if the name of the Scheme on the application form/transaction slip differs with the name on the Cheque/Demand Draft, then the AMC will allot units under the Scheme mentioned on the application form/transaction slip. In case of fresh/additional purchases, if the Scheme name is not mentioned on the application form/transaction slip, then the units will be allotted under the Scheme mentioned on the Cheque/Demand Draft. The Option that will be considered in such cases if not specified by the customer will be the default option of the Scheme as per the SID. However, in case additional purchase is under the same scheme as fresh purchase, then the AMC reserves</td>

the right to allot units in the option under which units were allotted at the time of fresh purchase.

Further, Investors/ unitholders subscribing for SIP are required to submit SIP request at least 30 days prior to the date of first debit date and SIP start date shall not be beyond 100 days from the date of submission of request for monthly and quarterly SIP.

All terms and conditions for SIP/STP, including Exit Load, if any, prevailing in the date of SIP/STP enrolment/ registration by the fund shall be levied in the Schemes.

Units will be allotted for the amount net of the bank charges, if any. On receipt of the post-dated cheques, the Registrar/AMC will send a letter to the Unitholder confirming that his/her name has been included in the Systematic Investment Plan. The cheques will be presented on the dates mentioned on the cheque and Units will be allotted accordingly. Within 3 Business Days of such allotment, a fresh Account Statement / Transaction Confirmation will be mailed to the Unitholder, indicating the new balance to his/her credit in the Account. An investor will have the right to discontinue the Systematic Investment Plan, subject to giving 30 days prior notice to the subsequent SIP date.

**Terms and conditions for SIP:**

- **New Investor** - If the investor fails to mention the scheme name in the SIP Mandate Form, then the Fund reserves the right to register the SIP as per the scheme name available in the main application. In case multiple schemes are mentioned in the main application form, Fund reserves the right to reject the SIP request.

- **Existing Investor** - If the investor fails to mention the scheme name in the SIP Mandate Form, then the Fund reserves the right to register the SIP in the existing scheme (Eligible for SIP) available in the investor’s Folio. In case Multiple Schemes or Equity Linked Savings Scheme (ELSS) are available in the folio then Fund reserves the right to reject the SIP request.

- In case SIP date is not selected, then the SIP will be registered on 10th (default date) of each Month/Quarter, as applicable. Further if multiple SIP dates are opted for or if the selection is not clear, then the sip will be registered for 10th of each Month/Quarter, as applicable.

- If the investor has not mentioned the SIP start Month, SIP will start from the next applicable month, subject to completion of 30 days lead time from the receipt of SIP request.

- In case the SIP ‘End period’ is incorrect OR not mentioned by the investor in the SIP form, then 5 years from the start date shall be considered as default End Period.

**SIP TOP UP Facility:**

a. Investors can opt for SIP TOP UP facility with Fixed Top Up option or Variable Top Up option, wherein the amount of the SIP can be increased at fixed intervals. In case the investor
opts for both options, the Variable Top Up option shall be triggered.
b. The Fixed TOP UP amount shall be in multiples of Rs. 500/-.  
c. Variable TOP UP would be available in at 10%, 15% and 20%  
and such other denominations (over and above 10%, 15%  
and 20%) as opted by the investor in multiples of 5%.  
d. The frequency is fixed at Yearly and Half Yearly basis. In case  
the TOP UP facility is not opted by ticking the appropriate box  
and frequency is not selected, the TOP UP facility may not be  
registered.  
e. In case of Quarterly SIP, only the Yearly frequency is available  
under SIP TOP UP.  
f. SIP Top-Up facility shall also be available for the existing  
investors who have already registered for SIP facility without Top-Up option.

**Top-Up Cap amount or Top-Up Cap month-year:**
Top-Up Cap amount: Investor has an option to freeze the SIP Top-Up  
amount once it reaches a fixed predefined amount. The fixed  
pre-defined amount should be same as the maximum amount  
mentioned by the investor in the bank mandate. In case of  
difference between the Cap amount & the maximum amount  
mentioned on Bank mandate, then amount which is lower of the  
two amounts shall be considered as the default amount of SIP Cap  
amount.

Top-Up Cap month-year: It is the date from which SIP Top-Up  
amount will cease and last SIP installment including Top-Up  
amount will remain constant from Cap date till the end of SIP  
tenure.

Investor shall have flexibility to choose either Top-Up Cap amount  
or Top-Up Cap month-year. In case of multiple selection, Top-Up  
Cap amount will be considered as default selection.

Top-Up Cap is applicable for Fixed Top Up option as well as  
Variable Top Up option.

All the investors of the fund availing the facility under SIP Variable  
Top-Up feature are hereby requested to select either Top-Up Cap  
amount or Top-Up Cap month-year. In case of no selection, the  
SIP Variable Top-Up amount will be capped at a default amount of  
Rs. 10 Lakhs.

Under the said facility, SIP amount will remain constant from Top-Up  
Cap date/ amount till the end of SIP Tenure.

**Micro Systematic Investment Plan (Micro SIP):**  
The unit holder will have the facility of MicroSIP under the current  
Systematic Investment Plan facility. The Minimum Investment  
amount per installment will be as per applicable minimum  
investment amount of the respective Scheme. The total investment  
under MicroSIP cannot exceed Rs. 50,000/-.. The minimum  
redemption amount will be Rs. 500/-.  

Micro Investment: With effect from October 30, 2012, where the  
aggregate of the lump sum investment (fresh purchase &  
additional purchase) and Micro SIP installments by an investor in a  
financial year i.e April to March does not exceed 50,000/- it shall be  
exempt from the requirement of PAN. However, requirements of
Know Your Customer (KYC) shall be mandatory. Accordingly, investors seeking the above exemption for PAN still need to submit the KYC Acknowledgement, irrespective of the amount of investment. This exemption will be available only to Micro investment made by the individuals being Indian citizens (including NRIs, Joint holders, minors acting through guardian and sole proprietary firms). PIOs, HUFs, QFIs and other categories of investors will not be eligible for this exemption.

**Mode of Payment for SIP:**
In case of SIP with payment mode as Standing Instruction / NACH, Investors shall be required to submit a cancelled cheque or a photocopy of a cheque of the bank account for which the debit mandate is provided.

The details of scheme-wise availability of SIP facility, minimum amount under SIP, minimum installments etc. are stated in para “Highlights of the Scheme”

Investors are requested to note that holding of units through Demat Option is also available under all open-ended equity and Debt schemes wherein SIP facility is available.

The units will be allotted based on the applicable NAV as per the SID and will be credited to investors’ Demat account on weekly basis upon realization of funds. For e.g. Units will be credited to investors’ Demat account every Monday for realization status received in last week from Monday to Friday.

The investors shall note that for holding the units in demat form, the provisions laid down in the SID and guidelines, procedural requirements as laid by the Depositories (NSDL/CDSL) shall be applicable. In case the investor wishes to convert the units held in non-demat mode to demat mode or vice versa at a later date, such request along with the necessary form should be submitted to their Depository Participant(s).

Units held in demat form will be freely transferable, subject to the applicable regulations and the guidelines as may be amended from time to time.

Investors/unitholders subscribing for SIP are required to submit SIP request at least 30 days prior to the date of first debit date and SIP start date shall not be beyond 100 days from the date of submission of request for monthly & Quarterly SIP.

**Facility of National Automated Clearing House (NACH) Platform in Systematic Investment Plan (SIP):**
In addition to existing facility available for payments through Postdated cheques/Standing Instructions for investments in SIP, the NACH facility can also be used to make payment of SIP installments NACH is a centralized system, launched by National Payments Corporation of India (NPCI) with an aim to consolidate multiple Electronic Clearing Service (ECS) mandates. This facility will enable the unit holders of the Fund to make SIP investments through NACH by filling up the SIP Registration cum mandate form. A Unique number will be allotted to every mandate registered under NACH called as Unique Mandate Reference Number (“UMRN”) which can be used for SIP transactions.
The NACH facility shall be available subject to terms and conditions contained in the Easy Pay Debit Mandate Form and as prescribed by NPCI from time to time.

**Systematic Withdrawal Plan (SWP)**

Unitholders of the Scheme have the benefit of enrolling themselves in the Systematic Withdrawal Plan. The SWP allows the Unitholder to withdraw a specified sum of money each month from his investments in the Scheme. SWP is ideal for investors seeking a regular inflow of funds for their needs. It is also ideally suited to retirees or individuals who wish to invest lump-sum and withdraw from the investment over a period of time. At the time of registration the minimum amount, which the Unitholder can withdraw, is Rs. 500 and in multiples of Re. 1. The Unitholder may avail of this facility by sending a written request to the Registrar.

Minimum number of installments for both monthly and quarterly will be 2.

The amount thus withdrawn by Redemption will be equated into Units at Applicable NAV based prices and the number of Units so arrived at will be subtracted from the Units balance to the credit of that Unitholder.

The SWP may be terminated on a written notice by a Unitholder of the Scheme and it will terminate automatically if all Units are liquidated or withdrawn from the account or upon the Funds receipt of notification of death or incapacity of the Unitholder.

All terms and conditions for SIP/STP, including Exit Load, if any, prevailing in the date of SIP/STP enrolment/registration by the fund shall be levied in the Scheme.

**Systematic Transfer Plan (STP)**

Systematic Transfer Plan (STP) is an option wherein Unit holders of designated schemes (Source Schemes) can opt to transfer a fixed amount at regular intervals and provide standing instructions to the AMC to switch the same into the designated schemes (Target Schemes). The source schemes refer to all open ended schemes [except (i) Exchange Traded Funds (ETFs) (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education and (iii)ICICI Prudential Long Tem Equity Fund(Tax Saving)], and the target schemes refer to all open ended schemes where subscription is allowed [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education]. The amount transferred under STP from Source scheme to the Target Scheme shall be done by redeeming Units of Source scheme at Applicable NAV, subject to exit load, if any; and subscribing to the Units of the Scheme at Applicable NAV as on specified date as given below:

In case these dates fall on a holiday or book closure period, the next Business Day will be considered for this purpose. In case of nil balance in the Source Scheme, STP for that particular due date will not be processed. STP will cease to be active upon five consecutive unsuccessful transactions or if all units are pledged or upon receipt of intimation of death of Unit holder. All requests for registering or discontinuing Systematic Transfer Plans shall be subject to an advance notice of 7 (seven) working days.

The provision of “Minimum Redemption Amount” specified in Scheme Information Document (SID)(s) of the respective Designated Source schemes and “Minimum Application Amount” applicable to the Scheme as specified in this document will not be applicable for Systematic Transfer Plan. At the time of registration the minimum amount for this facility is Rs. 1,000/- and in multiples of Re.1 for weekly, monthly and quarterly frequency and Rs.250 and in multiples of Rs.50 for daily frequency.

Minimum no. of instalments for daily, weekly and monthly frequency will be 6 and for quarterly frequency will be 4.

The Fund reserves the right to include/remove any of its Schemes under the category of ‘Designated Schemes available for STP’ from time to time by suitable display of notice on AMC’s Website.

The Scheme is available as a both Source and Target Scheme under this facility.

**Value STP**

The AMC had introduced ICICI Prudential Value Systematic Transfer Plan (Value STP) for the benefit of the Unitholders.

1) In this facility, unit holder(s) can opt to transfer an amount at regular intervals from a designated source scheme(s) of ICICI Prudential Mutual Fund ("Transferor Scheme") to the Growth option of designated target Scheme(s) of ICICI Prudential Mutual Fund ("Transferee Scheme"). It includes a feature of a ‘Reverse Transfer’ from the Transferee Scheme into the Transferor Scheme, in order to achieve the specified Target Investment Value [(first installment amount) X (number of installments paid; including the current installment)] on each transfer date in the Transferee Scheme, subject to the terms and conditions of Value STP.

2) In Value STP, transfers into the Transferee Scheme from the Transferor Scheme are made to achieve the Total Target Investment Value [(first installment amount) X (total no. of installments specified by the unitholders)] in the Transferee Scheme. This is done by transferring an amount at regular intervals in a way that it increases the Target Investment Value of units in the Transferee Scheme systematically, by a fixed amount (i.e. the first installment amount specified by the Unitholder) on the date of each transfer for the tenure of the Value STP. The amount to be transferred will be arrived at on the basis of the difference between the Target Investment Value and the Market Value of the...
holdings in the Transferee Scheme on the date of transfer.

3) Value STP offers a transfer facility at daily, Weekly, Monthly and Quarterly intervals. The Unit holder is free to choose the frequency of such transfers.

4) Value STP has the following features:
   i. Transfer: The first Value STP installment will be processed for the first installment amount specified by the Unitholder at the time of enrollment. From the second Value STP installment onwards, the transfer amount may be higher/lower than the first installment amount, as derived by the formula stated below:

\[
[(\text{First installment amount}) \times (\text{Number of installments paid including the current installment})] - (\text{Market Value of the investments transferred through VALUE STP in the Transferee Scheme on the date of transfer})
\]

In case the amounts (as specified above) to be transferred are not available in the Transferor Scheme in the unit holder's account, the residual amount will be transferred to the Transferee Scheme.

ii. Reverse Transfer: On the date of transfer, if the market value of the investments in the Transferee Scheme through Value STP is higher than the Target Investment Value for that month [(first installment amount) X (number of installments paid; including the current installment)], then a reverse transfer will be effected from the Transferee Scheme to the Transferor Scheme, to the extent of the difference in the amount, in order to arrive at the Target Investment Value for that month.

5)(a) The minimum amount per Value STP installment at the time of registration, shall be as follows:
   • Weekly, Monthly and quarterly frequency: Rs. 1,000 and in multiples of Re.1
   • Daily frequency: Rs. 250 and in multiples of Rs.50.

(b) There should be a minimum of 6 installments for enrolment under daily, Weekly and Monthly Value STP and 4 installments for Quarterly Value STP.

(c) The minimum unit holder's account balance or a minimum amount of application at the time of Value STP enrolment should be Rs. 12,000 in the Transferor Scheme.

6) Load Structure: In respect of units created under Value STP enrollments made in the above-mentioned Transferor and Transferee Scheme(s) (and in Transferor Scheme for instances of Reverse Transfer), the Load Structure prevalent at the time of enrolment shall govern the investors during the tenure of the Value STP

7) ICICI Prudential Sensex Index fund acts as both transferor and Transferee Scheme under this facility.

8) The redemption/switch-out of units allotted in the Transferee Scheme shall be processed on the ‘First In First Out” (FIFO) basis. In case there is a redemption / switch-out of any units allotted under Value STP in the Transferee Scheme by the Unit Holder, the balance installments under VALUE STP will be processed as a normal STP for the remaining installments by investing the amount indicated as first installment amount, on the date of each transfer over the balance tenure of the Value STP, subject to availability of unit balance in the Transferor Scheme.

9) In case of nil balance in the Transferor Scheme, Value STP for that particular due date will not be processed. Value STP will cease to be active upon five consecutive unsuccessful transactions or if all units are pledged or upon receipt of intimation of death of Unitholder.

10) This facility is available only for units held / to be held in a Non-demat Mode in the Transferor and the Transferee Scheme.
11) Only one registration (either Flex STP or Value STP) per target scheme in a folio would be allowed.

The Trustee reserves the right to change/modify the terms and conditions of Value STP or withdraw the Value STP at a later date. For the terms and conditions of Value STP, contact the nearest ISC or visit our website www.icicipruamc.com

**Flex STP**

The AMC has introduced ICICI Prudential Flex Systematic Transfer Plan (Flex STP). Under this facility unit holder(s) can opt to transfer variable amount(s) linked to value of investments under Flex STP on the date of transfer at pre-determined intervals from designated source Scheme(s) [referred to as Transferor Scheme(s)] to the Growth option of designated target Scheme(s) [referred to as Transferee Scheme(s)].

**Salient features of the facility:**

1. **Flex STP is available at Daily, Weekly, Monthly and Quarterly Intervals.**

</tr>
</tbody>
</table>

In case the date of transfer falls on a Non-Business Day or falls during a book closure period, the immediate following Business Day will be considered for the purpose of applicability of NAV.

2. **At the time of registration, the minimum amount under this facility is as follows:**

<table>
<thead>

3. **There should be a minimum of 6 installments for enrollment under daily, Weekly and Monthly Flex STP and 4 installments for Quarterly Flex STP. The minimum balance in unit holder's account or minimum amount of application at the time of enrollment for Flex STP should be Rs. 12,000/-**.

4. **Flex STP with Daily, Weekly, Monthly and Quarterly Frequency shall commence if the application is submitted at least 7 business days prior to the applicable date.**

5. **Under Flex STP, the amount sought to be transferred shall be calculated as follows:**

   Fixed Amount to be transferred per Installment or the amount as determined by the following formula [(fixed amount to be transferred per installment X by the number of installments including the current installment) - market value of the investments through Flex STP in the Transferee Scheme on the date of transfer] whichever is higher.

   In case the amount (as calculated basis above) to be transferred is not available in the Transferor Scheme in the unit holder's account, the residual amount will be transferred to the Transferee Scheme.

6. **The first Flex STP installment will be processed basis the fixed**
installment amount specified by the unit holder at the time of enrollment. Flex STP shall be applicable from second installment onwards.

7. The total Flex STP amount invested in the Transferee Scheme shall not exceed the total enrollment amount i.e. amount per installment X number of installments.

8. The redemption / switch-out of units allotted in the Transferee Scheme shall be processed on First In First Out (FIFO) basis. In case there is a redemption / switch-out of any units allotted under Flex STP, the balance installments under Flex STP will be processed for the fixed installment amount specified by the unitholder at the time of enrollment.

9. If the Flex STP Date and/or Frequency has not been indicated or multiple frequencies are selected, Monthly frequency shall be treated as Default frequency and last business day of the month shall be treated as Default Date.

10. Flex STP shall be applicable subject to payment of exit load, if any, in the Transferor Schemes.

11. In case of nil balance in the Transferor Scheme, Flex STP for that particular due date will not be processed. Flex STP will cease to be active upon five consecutive unsuccessful transactions or if all units are pledged or upon receipt of intimation of death of Unit holder.

12. In order to discontinue the facility, a written request must be submitted at least 7 business days prior to the next applicable transfer date for daily/Weekly/Monthly/Quarterly frequency.

13. For availing this facility, investors are required to submit ICICI Prudential Flex STP form duly complete in all respects.

14. ICICI Prudential Sensex Index fund acts as both transferor and Transferee Scheme under this facility.

15. Only one registration (either Flex STP or Value STP) per target scheme in a folio would be allowed.

Trustees reserve the right to change/modify the terms and conditions or withdraw this facility.

The provision of “Minimum Redemption Amount” specified in the SID(s) of the respective Designated Source Schemes and “Minimum Application Amount” applicable to the Scheme as specified in this document will not be applicable for STP.

This facility will ensure that the Unit Holder is able to systematically invest into equity Schemes and balanced Scheme without having to give any post dated cheque, unlike under SIP. The above list is subject to change from time to time. The Trustee reserves the right to change/modify the terms and conditions of Flex STP or withdraw the Flex STP at a later date. For the terms and conditions of Flex STP, contact the nearest ISC or visit our website www.icicipruamc.com.

All terms and conditions for SIP/STP, including Exit Load, if any, prevailing in the date of SIP/STP enrolment/registration by the fund shall be levied in the Scheme.
| **Flexible Lifetime Investment Programme** | The ability to switch part or all of a Unit holder’s investments between the open ended Schemes offered by the Fund is an important feature of this offer. Investors may choose to alter the allocation of their investment among the Schemes in order to meet their changed investment needs, risk profiles or changing circumstances during their lifetime. A Unit holder is therefore able to tailor his / her investment to his / her specific situation. |
| | **How to Switch?** On an on-going basis the Unit holders will have the option to switch all or part of their investment from one Scheme to any of the other Scheme offered by the Fund provided the switch option is available in the scheme. To effect a switch, a Unit holder must provide clear instructions. A request for a switch may be specified either in terms of amount or in terms of the number of units of the Scheme from which the switch is sought. Such instructions may be provided in writing or by completing the Switch Request Slip provided in the transaction booklet and lodging the same on any Business Day at any of the Customer Service Centers. An Account Statement reflecting the new holdings is proposed to be dispatched to the Unit holders within 5 Business Days of completion of switch transaction. The switch will be effected by redeeming Units from the Scheme in which the Units are held and investing the net proceeds in the other Scheme(s). The price at which the Units will be switched out of the Scheme will be based on the Applicable NAV of the relevant Scheme(s) and considering any exit loads that the Trustee may approve from time to time. Exit load applicable to redemption of units is also applicable to switch. For switches on an ongoing basis, the applicable NAV for effecting the switch out of the existing open-ended funds will be the NAV of the Business Day on which the switch request, complete in all respects, is received by the AMC, subject to the cut-off time and other terms specified in the SID of the respective existing open-ended Schemes. |
| **Consolidated Account Statement (CAS)** | 1. The Consolidated Account Statement (CAS) for each calendar month will be issued on or before tenth day of succeeding month to the investors who have provided valid Permanent Account Number (PAN). Further, CAS will be sent via email where any of the folios consolidated has an email id or to the email id of the first unit holder as per KYC records. 2. For folios not included in the Consolidated Account Statement (CAS), the AMC shall henceforth issue account statement to the investors on a monthly basis, pursuant to any financial transaction in such folios on or before tenth day of succeeding month. In case of a New Fund Offer Period (NFO), the AMC shall send confirmation specifying the number of units allotted to the applicant by way of a physical account statement or an email and/or SMS’s to the investor’s registered address and/or mobile number not later than five business days from the date of closure of the NFO. 3. In case of a specific request received from the unit holder, the AMC shall provide the account statement to the investors within 5 business days from the receipt of such request. 4. In the case of joint holding in a folio, the first named Unit holder shall receive the CAS/account statement. The holding pattern has to be same in all folios across Mutual Funds for CAS. |
Further, in case if no transaction has taken place in a folio during the period of six months ended September 30 and March 31, the CAS detailing the holdings across all Schemes of all mutual funds, shall be emailed at the registered email address of the unitholders on half yearly basis, on or before tenth day of succeeding month, unless a specific request is made to receive the same in physical form.

Each CAS issued to the investors shall also provide the total purchase value / cost of investment in each scheme.

Further, CAS issued for the half-year(September/ March) shall also provide:

a. The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor’s total investments in each MF scheme. The term ‘commission’ here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods and Services Tax (wherever applicable, as per existing rates), operating expenses, etc.

b. The scheme’s average Total Expense Ratio (in percentage terms) for the half-year period for each scheme’s applicable plan, where the concerned investor has actually invested in.

Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

In case of the units are held in dematerialized (demat) form, the statement of holding of the beneficiary account holder will be sent by the respective Depository Participant periodically.

CAS for investors having Demat account:
- Investors having MF investments and holding securities in Demat account shall receive a single Consolidated Account Statement (CAS) from the Depository.
- Consolidation of account statement shall be done on the basis of Permanent Account Number (PAN). In case of multiple holding, it shall be PAN of the first holder and pattern of holding. The CAS shall be generated on a monthly basis.
- If there is any transaction in any of the Demat accounts of the investor or in any of his mutual fund folios, depositories shall send the CAS within ten days from the month end. In case, there is no transaction in any of the mutual fund folios and demat accounts then CAS with holding details shall be sent to the investor on half yearly basis.
- In case an investor has multiple accounts across two depositories, the depository with whom the account has been opened earlier will be the default depository.

The dispatch of CAS by the depositories would constitute compliance by the AMC/ the Mutual Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations.
However, the AMC reserves the right to furnish the account statement in addition to the CAS, if deemed fit in the interest of investor(s).

<td><strong>(iii) Dividend Payout:</strong></td>
<td>As per the SEBI (MF) Regulations, the Mutual Fund shall despatch to the Unit Holders, dividend warrants within 30 days of declaration of the Dividend. Dividends will be payable to those Unit Holders whose names appear in the Register of Unit Holders on the date (Record Date). Dividends will be paid by cheque, net of taxes as may be applicable. Unit Holders will also have the option of direct payment of dividend to the bank account. The cheques will be drawn in the name of the sole/first holder and will be posted to the Registered address of the sole/first holder as indicated in the original application form. To safeguard the interest of Unit Holders from loss or theft of dividend cheques, investors should provide the name of their bank, branch and account number in the application form. Dividend cheques will be sent to the Unit Holder after incorporating such information. The minimum amount for dividend payout shall be Rs.100 (net of dividend distribution tax and other statutory levy, if any), else dividend would be mandatorily reinvested.</td>

Dividend Transfer Plan facility will be available under the Scheme.

The source schemes refer to all schemes where dividend option is available [except (i) Exchange Traded Funds (ETFs) (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education] and the target schemes refer to all open ended schemes where subscription is allowed [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education].

The Trustee reserves the right to declare dividends under the dividend option of the Scheme depending on the net distributable surplus available under the Scheme. It should, however, be noted that actual distribution of dividends and the frequency of distribution will depend, inter-alia, on the availability of distributable surplus and will be entirely at the discretion of the Trustee. There is no assurance or guarantee to the Unit holders as to the rate of Dividend Distribution nor that the Dividend will be paid regularly. If the Fund declares Dividend, the NAV of the Scheme will stand reduced by the amount of Dividend and Dividend Distribution tax (if applicable) paid. All the Dividend payments shall be in accordance and compliance with SEBI Regulations.

The dividend will be distributed in accordance with applicable SEBI Regulations and SEBI Circular no. SEBI/ IMD/ Cir No. 1/ 64057/06 dated April 4, 2006 on the procedure for Dividend Distribution.

The treatment of unclaimed redemption & dividend amount will be as per SEBI circular dated Feb 25, 2016.

The dividend warrants shall be dispatched to the unit holders within 30 days of the date of declaration of the dividend.

In the event of failure to dispatch dividend within 30 days, the AMC shall be liable to pay interest at 15% per annum to the unit holders.

For folios where dividend warrants are returned undelivered and/or the dividend warrants remains unclaimed on 3 (three) consecutive occasions, the AMC reserves the right to compulsorily reinvest the future dividend amounts; wherein reinvestment option is available under the respective scheme.
### Redemption of Units

The Units can be redeemed (i.e. sold back to the Fund) on every Business Day at the Redemption Price (hereinafter defined). The redemption request can be made for a minimum amount as mentioned in para “Highlights of the scheme”.

In case, a unit holder specifies the redemption amount as well as number of Units for redemption, (subject to the minimum redemption amount as mentioned above) the number of Units specified will be considered for deciding the redemption amount. If only the redemption amount is specified by the Unit holder, the Fund will divide the redemption amount so specified by the Applicable NAV based price to arrive at the number of Units.

If a unit holder submits a redemption/switch-out request mentioning only the name of the Scheme and folio number but not mentioning the units and the amount for redemption, the Fund shall assume that the redemption/switch-out request is for all the units under the stated folio from the Scheme and the option mentioned on the redemption/switch-out request and shall redeem all the units.

In case an investor has purchased Units on more than one Business Day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time) will be deemed to have been redeemed first i.e. on a First-in-First-Out basis.

The redemption will be at Applicable NAV based prices, subject to applicable exit load.

The Fund reserves the right to modify exit loads, at any time in future, on perspective basis. In such an event, the Redemption Price of the Units will be adjusted by using the following formula.

\[
\text{Redemption Price} = \text{Applicable NAV} \times \left(1 - \text{Exit Load}ight)
\]

The maximum load (exit) under the Scheme will not exceed the limits as prescribed under the Regulations.

The Fund shall ensure that the Redemption Price is not lower than 93% of the NAV and the Purchase Price is not higher than 107% of the NAV, provided that the difference between the Redemption Price and Purchase Price of the Units shall not exceed the permissible limit of 7% of the Purchase Price, as provided for under the Regulations.

Notice of the changes in the load structure (exit load) shall be made by a suitable display in the Customer Service Centers of the AMC and will be published in 2 daily newspapers.

**Payment of proceeds**

All redemption requests received prior to the cut-off time on any Business Day at the Official Points of Acceptance of Transactions will be considered accepted on that Business Day, subject to the redemption requests being complete in all respects, and will be priced on the basis of Redemption Price for that day. Requests received after the cut-off time will be treated as though they were accepted on the next Business Day.

As per the Regulations, the Fund shall dispatch redemption proceeds within 10 Business Days (working days) of receiving the redemption request.
Trustees reserve the right to alter or modify the number of days taken for redemption of Units under the Fund after taking into consideration the actual settlement cycle, when announced, as also the changes in the settlement cycles that may be announced by the Principal Stock Exchanges from time to time.

As per the guidelines issued by SEBI, in the event of failure to dispatch the redemption or repurchase proceeds within 10 working days, the AMC is liable to pay interest to the Unit holders @ 15% p.a. SEBI has further advised the mutual funds that in the event of payment of interest to the Unit holders, such Unit holders should be informed about the rate and the amount of interest paid to them.

If the Unit holder fails to provide the Bank mandate, the request for redemption would be considered as not valid and the Fund retains the right to reject/withhold the redemption until a proper bank mandate is furnished by the Unitholder and the provision with respect of penal interest in such cases will not be applicable/entertained.

The mode of payment may be direct credit/ECS/cheque or any other mode as may be decided by AMC in the interest of investors.

If the investor(s)/unitholder(s) submit(s) redemption request accompanied with request for change of Bank mandate or submits a redemption request within 7 days from the date submission of a request for change of Bank mandate details, the Asset Management Company will process the redemption but the release of redemption proceeds shall be deferred on account of additional verification, but will be within the regulatory limits as specified by Securities and Exchange Board of India time to time.

**Suspension of Sale and Redemption of Units**

Suspension or restriction of repurchase/ redemption facility under any scheme of the mutual fund shall be made applicable only after obtaining the approval from the Boards of Directors of the AMC and the Trustees. After obtaining the approval from the AMC Board and the Trustees,

Additionally, the following requirements shall need to be observed before imposing restriction on redemptions:

a) Restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constrains market liquidity or the efficient functioning of markets such as:

i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security.

ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies.

iii. Operational issues – when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in...
spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems.

b) Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period.

c) Any imposition of restriction would require specific approval of Board of AMC and Trustees and the same should be informed to SEBI immediately.

d) When restriction on redemption is imposed, the following procedure shall be applied:

1. No redemption requests up to INR 2 lakh shall be subject to such restriction.
2. Where redemption requests are above INR 2 lakh, AMCs shall redeem the first INR 2 lakh without such restriction and remaining part over and above INR 2 lakh shall be subject to such restriction.

**Right to Limit Redemptions**

Any Units, which by virtue of these limitations are not redeemed on a particular Business Day, will be carried forward for Redemption to the next Business Day, in order of receipt. Redemptions so carried forward will be priced on the basis of the Applicable NAV (subject to the prevailing load) of the Business Day on which Redemption is made. Under such circumstances, to the extent multiple Redemption requests are received at the same time on a single Business Day, Redemptions will be made on pro-rata basis, based on the size of each Redemption request, the balance amount being carried forward for Redemption to the next Business Day(s).

Suspension or restriction of repurchase/ redemption facility under any Scheme of the mutual fund shall be made applicable only after obtaining the approval from the Boards of Directors of the AMC and the Trustees. After obtaining the approval from the AMC Board and the Trustees, intimation would be sent to SEBI in advance providing details of circumstances and justification for the proposed action shall also be informed.

4) Photocopy of the bank pass book duly attested by the bank manager with designation, employee number and bank seal.
5) Photocopy of the bank statement/passbook/cheque duly attested by ICICI Prudential Asset Management Company Limited (the AMC) branch officials after verification of original bank statement/passbook shown by the investor or their representative.
6) Confirmation by the bank manager with seal, designation and employee number on the bank's letter head confirming the investor details and bank mandate information.

This condition is also applicable to all purchase transactions made by means of a Demand Draft. In case the application is not accompanied by the aforesaid documents, the AMC reserves the right to reject the application, also the AMC will not be liable in case the redemption/dividend proceeds are credited to wrong account in absence of above original documents.

In case the bank account details are not mentioned or found to be incomplete or invalid in a purchase application, then the AMC will consider the account details as appearing in the investment amount cheque and the same shall be updated under the folio as the payout bank account for the payment of redemption/dividend amount etc. The aforementioned updation of bank account shall however be subject to compliance with the third party investment guidelines issued by Association of Mutual Funds in India (AMFI) from time to time.

The AMC reserves the right to call for any additional documents as may be required, for processing of such transactions with missing/incomplete/invalid bank account details. The AMC also reserves the right to reject such applications.

In case an investor makes multiple requests in a transaction slip i.e. redemption/switch and Change of Address or redemption/switch and Change of Bank Mandate or any combination thereof, but the signature is appended only under one such request, then the AMC reserves the right to process the request under which signature is appended and reject the rest where signature is not appended.

Processing of Systematic Investment Plan (SIP) cancellation request(s):
The AMC will endeavour to have the cancellation of registered SIP mandate within 30 days from the date of acceptance of the cancellation request from the investor. The existing instructions/mandate will remain in force till such date that it is confirmed to have been cancelled.

Processing of Systematic Withdrawal Plan (SWP)/ Trigger facility request(s)
Registration / cancellation of SWP and Trigger facility request(s) will be processed within 7 days from the date of acceptance of the said request(s). Any existing registration will continue to remain in force until the instructions as applicable are confirmed to have been effected. All types of trigger will be available for all the plans/options/sub-options of the designated source and target schemes. The source schemes refer to all open ended schemes [except (i) Exchange Traded Funds (ETFs) (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education and (iii) ICICI Prudential Long Term Equity Fund (Tax Saving)] and the target schemes refer to all open ended schemes where subscription is allowed [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Liquid Fund for deployment of unclaimed amounts viz ICICI Prudential Liquid Fund - Unclaimed Redemption, ICICI Prudential Liquid Fund - Unclaimed Dividend, ICICI Prudential Liquid Fund - Unclaimed Redemption Investor Education and ICICI Prudential Liquid Fund - Unclaimed Dividend Investor Education].

Submission of separate forms/transaction slips for Trigger Option/ Systematic Withdrawal Plan (SWP) / Systematic Transfer Plan (STP) facility
Investors who wish to opt for Trigger Option/SWP/STP facility have to submit their request(s) in a separate designated forms/transaction slips. In case, if AMC do not receive such request in separate designated forms/transaction slips, it reserves the right to reject such request(s).
### Processing of Redemption/Switch/Systematic transaction request(s) where realization status is not available

The Fund shall place the units allotted to investor on hold for redemption / switch/ systematic transactions till the time the payment is realized towards the purchase transaction(s). The Fund also reserves the right to reject / partially process the redemption / switch /systematic transaction request, as the case may be, based on the realization status of the units held by the investor.

In both the above cases, intimation will be sent to the investor accordingly. Units which are not redeemed/switched will be processed upon confirmation of realization status and on submission of fresh redemption / switch request.

### Right to limit subscriptions

In the interest of the investors and in order to protect the portfolio from market volatility, the Trustees reserve the right to discontinue subscriptions under the Scheme for a specified period of time or till further notice.

### Non Acceptance/processing of Purchase request(s) due to repeated Cheque Bounce

With respect to purchase request submitted by any investor, if it is noticed that there are repeated instances of two or more cheque bounces, the AMC reserves the right to, not to accept/allot units for all future purchase of such investor(s).

### Reversal of cheques

Where the units under any scheme are allotted to investors and cheque(s) given by the said investors towards subscription of units are not realised thereafter or where the confirmation from the bankers is delayed or not received for non-realisation of cheque(s), the Fund reserves the right to reverse such units.

If the Investor redeems such units before the reversal of units, the fund reserves the right to recover the amount from the investor –
- out of subsequent redemption proceeds payable to investor.
- by way of cheque or demand draft or pay order in favour of Scheme if investor has no other units in the folio.

### Overwriting on application forms/transaction slips

In case of corrections/overwriting on key fields (as may be determined at the sole discretion of the AMC) of the application forms/transaction slips, the AMC reserves the right to reject the application forms/transaction slips in case the investor(s) have not countersigned in each place(s) where such corrections/overwriting have been made.

### Folio(s) under Lien

If the units are under lien at the time of redemption from the Scheme, then the AMC reserves the right to pay the redemption amount to the person/entity/bank/financial institution in whose favour the lien has been marked. An intimation of such payment will be sent to the investor. The AMC thereafter shall not be responsible for any claims made by the investor/third party on account of such payments.

### Seeding of Aadhaar

Please refer to Statement of Additional Information (SAI).
Pursuant to SEBI Circular No. Cir/ IMD/ DF/13/ 2011 dated August 22, 2011 the transaction charge per subscription of Rs.10,000/- and above may be charged in the following manner:

i. The existing investors may be charged Rs. 100/- as transaction charge per subscription of Rs.10,000/- and above;

ii. A first time investor may be charged Rs.150/- as transaction charge per subscription of Rs.10,000/- and above.

There shall be no transaction charge on subscription below Rs. 10,000/- and on transactions other than purchases/ subscriptions relating to new inflows.

In case of investment through Systematic Investment Plan (SIP), transaction charges shall be deducted only if the total commitment through SIP amounts to Rs. 10,000/- and above. The transaction charges in such cases shall be deducted in 4 equal installments.

However, the option to charge “transaction charges” is at the discretion of the distributors. Investors may note that distributors can opt to receive transaction charges based on ‘type of the Scheme’. Accordingly, the transaction charges would be deducted from the subscription amounts, as applicable.

Transaction charges shall also be deducted on purchases/subscriptions received through non-demat mode from the investors investing through a valid ARN holder i.e. AMFI Registered Distributor (provided the distributor has opted-in to receive the transaction charges) in respect of transactions routed through Stock Exchange(s) platform viz. NSE Mutual Fund Platform (“NMF-II”) and BSE Mutual Fund Platform (“BSE STAR MF”).

The aforesaid transaction charge shall be deducted by the Asset Management Company from the subscription amount and paid to the distributor, as the case may be and the balance amount shall be invested subject to deduction of Goods and Services Tax.

However, upfront commission to distributors will be paid by the investor directly to the distributor, based on his assessment of various factors including the service rendered by such distributor.

**Transaction Charges shall not be deducted if:**
- Purchase/Subscription made directly with the fund through any mode (i.e. not through any distributor/agent).
- Purchase/ subscription made in demat mode through stock Exchange, irrespective of investment amount.

CAS/ Statement of account shall state the net investment (i.e. gross subscription less transaction charge) and the number of units allotted against the net investment.
Pursuant to SEBI circular No. CIR/IMD/DF/9/2011 dated May 19, 2011, with effect from October 1, 2011, the unit holders who wish to hold the units in the demat form, should mention the demat account details of the first holder in the application form while subscribing for units and submit other necessary documents. In case if the demat details are not mentioned or details mentioned are incorrect, then the units will be issued in physical form. Investors may use the forms available at the branches for providing demat details, while subscription.

Investors are requested to note that holding of units through Demat Option is also available under all open ended equity and Debt schemes wherein SIP facility is available. The units will be allotted based on the applicable NAV as per the SID and will be credited to investors’ Demat account on weekly basis upon realization of funds. For e.g. Units will be credited to investors’ Demat account every Monday for realization status received in last week from Monday to Friday.

The option to hold the units in demat form shall not be available for daily/weekly/fortnightly dividend options.

Unitholders who intend to avail of the facility to trade in units in demat mode are required to have a demat Account.

If the Unit holder desires to hold the Units in a Dematerialized / Rematerialized form at a later date, the request for conversion of units held in Account Statement (non demat) form into Demat (electronic) form or vice versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants.

However, the Trustee / AMC reserves the right to change the dematerialization / rematerialization process in accordance with the procedural requirements laid down by the Depositories, viz. NSDL/ CDSL and/or in accordance with the provisions laid under the Depositories Act, 1996.

Normally no Unit certificates will be issued. However, if the applicant so desires, the AMC shall issue a non-transferable Unit certificate to the applicant within 5 Business Days of the receipt of request for the certificate. Unit certificate if issued must be duly discharged by the Unit holder(s) and surrendered alongwith the request for Redemption / Switch or any other transaction of Units covered therein.
Third party cheques

Investment/subscription made through third party cheque(s) will not be accepted for investments in the units of ICICI Prudential Mutual Fund.

Third party cheque(s) for this purpose are defined as:

i) Investment made through instruments issued from an account other than that of the beneficiary investor,

ii) in case the investment is made from a joint bank account, the first holder of the mutual fund folio is not one of the joint holders of the bank account from which payment is made.

Third party cheque(s) for investment/subscription shall be accepted, only in exceptional circumstances, as detailed below:

1. Payment by Parents/Grand-Parents/related persons on behalf of a minor in consideration of natural love and affection or as gift. However, this restriction will not be applicable for payment made by a guardian whose name is registered in the records of Mutual Fund in that folio.

2. Payment by Employer on behalf of employee under Systematic Investment Plans or lump sum/one-time subscription through Payroll deductions.

3. Custodian on behalf of a Foreign Institutional Investor (FII) or a client.

4. Payment made by the AMC to a Distributor empanelled with it on account of commission, incentive, etc. in the form of the Mutual Fund units of the Schemes managed by such AMC through SIP or lump sum/one time subscription, subject to compliance with SEBI Regulations and Guidelines issued by AMFI, from time to time.

5. Payment made by a Corporate to its Agent/Distributor/Dealer (similar arrangement with Principal-agent relationship) account of commission or incentive payable for sale of its goods/services, in the form of Mutual Fund units of the Schemes managed by such AMC through SIP or lump sum/one time subscription, subject to compliance with SEBI Regulations and Guidelines issued by AMFI, from time to time.

6. Payment by registered Stock brokers of recognized stock exchanges for their clients having demat accounts.

The above mentioned exception cases will be processed after carrying out necessary checks and verification of documents attached along with the purchase transaction slip/application form, as stated below:

1. Determining the identity of the Investor and the person making payment i.e. mandatory now Your Client (KYC) for Investor and the person making the payment.

2. Obtaining necessary declaration from the Investor/unitholder and the person making the payment. Declaration by the person making the payment should give details of the bank account from which the payment is made and the relationship with the beneficiary.

3. Verifying the source of funds to ensure that funds have come from the drawer’s account only.

*Equity Scheme(s) will also attract Securities Transaction Tax (STT) at applicable rates.

Notes:

1. Income of the Mutual Fund is exempt from income tax in accordance with the provisions of Section 10(23D) of the Income-tax Act, 1961 (the Act).

2. Under the terms of the Scheme Information Document, this Scheme is classified as "equity oriented fund". As per clause (a) of the explanation to section 112A, an "Equity oriented fund" has been defined to mean a fund set up under a scheme of a mutual fund specified under clause (23D) of section 10 and,—
   (i) in a case where the fund invests in the units of another fund which is traded on a recognised stock exchange,—
      (A) a minimum of ninety per cent of the total proceeds of such fund is invested in the units of such other fund; and
      (B) such other fund also invests a minimum of ninety per cent of its total proceeds in the equity shares of domestic companies listed on a recognised stock exchange; and
   (ii) in any other case, a minimum of sixty-five per cent of the total proceeds of such fund is invested in the equity shares of domestic companies listed on a recognised stock exchange

Further it is stated that the percentage of equity shareholding or unit held in respect of the fund, as the case may be, shall be computed with reference to the annual average of the monthly averages of the opening and closing figures.
3. If the total income of a resident investor (being individual or HUF) [without considering such Long-term capital gains / short term capital gains] is less than the basic exemption limit, then such Long-term capital gains/short-term capital gains should be first adjusted towards basic exemption limit and only excess should be chargeable to tax.

4. Non-resident investors may be subject to a separate tax regime / eligible to benefits under Tax Treaties, depending upon the facts of the case. The same has not been captured above.

5. A rebate of up to Rs. 2,500 is available for resident individuals whose total income does not exceed Rs. 3,50,000.

* For the purposes of determining the additional income-tax payable in accordance with section 115R, the amount of distributed income referred therein shall be increased to such amount as would, after reduction of the additional income-tax on such increased amount at the rate specified in section 115R, be equal to the amount of income distributed by the mutual fund. The rate provided is after grossing up.

**Aggregate long term capital gains exceeding one lakh rupees in a financial year, arising from the transfer of units of an ‘equity oriented fund’, equity shares and units of business trust are chargeable to tax at 10 per cent (plus the applicable surcharge, health and education cess).

#excluding applicable surcharge and cess.

For further details on taxation please refer to the Section on 'Tax Benefits of investing in the Mutual Fund' provided in 'Statement of Additional Information (‘SAI’).

D. COMPUTATION OF NAV

The NAV of the Units of the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date. The Fund shall value its investments according to the valuation norms, as specified in Schedule VIII of the Regulations, or such norms as may be prescribed by SEBI from time to time and as stipulated in the valuation policy and procedures of the Fund, provided in Statement of Additional Information (SAI).

The NAV of the Scheme shall be rounded off up to four decimals

NAV of units under the Scheme shall be calculated as shown below:

\[
\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme's investments} + \text{Current Assets} - \text{Current Liabilities and Provision}}{\text{No. of Units outstanding under Schemes}}
\]

The NAV will be calculated as of the close of every Business Day of the respective Scheme. The valuation of the Scheme’s assets and calculation of the Scheme’s NAV shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.
SECTION IV: FEES AND EXPENSES
This section outlines the expenses that will be charged to the Scheme.

A. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like marketing and advertising, registrar expenses, printing and stationary, bank charges etc.

In accordance with the provisions of SEBI Circular no. SEBI/IMD/CIR No. 1/64057/06 dated April 04, 2006, no New Fund Offer Expenses will be charged to the Scheme. New Fund Offer Expenses incurred for the Scheme would be borne by the AMC.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents’ fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated the following percentage of the daily net assets of the Scheme will be charged to the Schemes as expenses. For the actual current expenses being charged, the investor should refer to the website of the mutual fund. The mutual fund would update the current expense ratios on the website at least three working days prior to the effective date of the change. Investor can refer [https://www.iciciruamc.com/Downloads/total-expense-ratio.aspx](https://www.iciciruamc.com/Downloads/total-expense-ratio.aspx) for Total Expense Ratio (TER) details.

The aforesaid does not include Goods and Services Tax on investment management and advisory fees. The same is more specifically elaborated below.
ICICI Prudential Sensex Index Fund - Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc as compared to ICICI Prudential Sensex Index Fund and no commission for distribution of Units will be paid/charged under ICICI Prudential Sensex Index Fund - Direct Plan.

The aforesaid expenses are fungible within the overall maximum limit prescribed under SEBI (Mutual Funds) Regulations. This means that mutual fund can charge expenses within overall limits, without any internal cap on the aforesaid expenses head.

As per the Regulations, in case of Sensex Index Fund, maximum recurring expenses that can be charged shall be restricted to 1.50% of daily net assets.

The above expense percentage excludes additional expenses that can be charged towards: i) 20 bps under the Regulation 52(6A)(c), ii) 30 bps for gross new inflows from specified cities and iii) Goods and Services Tax on investment management and advisory fees. The same is more specifically elaborated below.

Pursuant to SEBI circular no. CIR/IMD/DF/21/2012 dated September 13, 2012, SEBI (Mutual Funds) Second Amendment Regulations, 2012 and SEBI/HO/IMD/DF2/CIR/P/2018/16 dated February 02, 2018 following additional costs or expenses may be charged to the scheme, namely:

(i) The AMC may charge Goods and Services Tax on investment and advisory fees to the scheme of the Fund in addition to the maximum limit of total expenses ratio as prescribed in Regulation 52 of the Regulations, whereas Goods and Services Tax on other than investment and advisory fees, if any, shall be borne by the scheme within the maximum limit as per Regulation 52 of the Regulations.

(ii) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from B30 cities as specified by the Securities and Exchange Board of India, from time to time are at least –

- 30 per cent of the gross new inflows into the scheme, or;
- 15 per cent of the average assets under management (year to date) of the scheme,

whichever is higher;

Provided that if inflows from B30 cities are less than the higher of the above, such expenses on daily net assets of the scheme shall be charged on proportionate basis;

Provided further that expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from B30 cities;

Provided further that amount incurred as expense on account of inflows from B30 cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment.

For above purposes, ‘B30 cities’ shall be beyond Top 30 cities as at the end of the previous financial year as communicated by AMFI.

(iii) Additional expenses, incurred towards different heads mentioned under sub-regulations (2) and (4) of Regulation 52 of the Regulations, not exceeding 0.05 per cent of daily net assets of the scheme. However, such additional expenses will not be charged if exit load is not levied or not applicable to the Scheme.

At least 2 basis points on daily net assets within the maximum limit of overall expense Ratio shall be annually set apart for investor education and awareness initiatives.
Further, the brokerage and transaction cost incurred for the purpose of execution of trade may be capitalized to the extent of 12bps and 5bps for cash market transactions and derivatives transactions respectively. Any payment towards brokerage and transaction cost, over and above the said 12 bps and 5bps for cash market transactions and derivatives transactions respectively may be charged to the scheme within the maximum limit of Total Expense Ratio as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996. Goods and Services Tax on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under regulation 52 of the Regulations.

Subject to Regulations, expenses over and above the prescribed limit shall be borne by the Asset Management Company.

C. LOAD STRUCTURE

Load is an amount, which is paid by the investor to subscribe to the units or to redeem the units from the Scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.icicipruamc.com) or may call your distributor.

Entry Load: Not Applicable.
In terms of SEBI circular no. SEBI/IMD/CIR No. 4/168230/09 dated June 30, 2009 has notified that, w.e.f. August 01, 2009 there will be no entry load charged to the Schemes of the Mutual Fund and the upfront commission to distributors will be paid by the investor directly to the distributor, based on his assessment of various factors including the service rendered by the distributor.

Exit Load: Nil.
The Trustees shall have a right to prescribe or modify the exit load structure with prospective effect subject to a maximum prescribed under the Regulations.

The exit load charged, if any, shall be credited back to the respective scheme. Goods and Services Tax on exit load shall be paid out of the exit load proceeds and exit load net of Goods and Services Tax shall be credited to the schemes.

Exit Load, if any, prevailing on the date of enrolment of SIP/STP/SWP/micro SIP/flex STP/value STP shall be levied in the Scheme.

Units issued on reinvestment of dividends shall not be subject to exit load.

The investor is requested to check the prevailing load structure of the Scheme before investing. For any change in load structure AMC will issue an addendum and display it on the
website/Investor Service Centres. Any imposition or enhancement in the load shall be applicable on prospective investments only.

Subject to the Regulations, the Trustee reserves the right to modify/alter the load structure on the Units subscribed/redeemed on any Business Day. Such changes will be applicable for prospective investments. The Trustee shall arrange to display a notice in the Customer Service Centers of the AMC before the change of the then prevalent load structure. The SID will be updated in respect of changes in the load structure as per the addendum issued. The addendum detailing the changes in the load structure will be published by AMC in 2 daily newspapers- one in regional language and the other in English language newspaper. Changes in the fundamental attributes may be stamped in the acknowledgement slip issued by the Fund after the changes in load structure.

D. WAIVER OF LOAD FOR DIRECT APPLICATIONS
Not Applicable

SECTION V: RIGHTS OF UNIT HOLDERS
Please refer to SAI for details.

SECTION VI: PENALTIES, PENDING LITIGATION OR PROCEEDINGS, FINDINGS OF INSPECTIONS OR INVESTIGATIONS FOR WHICH ACTION MAY HAVE BEEN TAKEN OR IS IN THE PROCESS OF BEING TAKEN BY ANY REGULATORY AUTHORITY

1) All disclosures regarding penalties and action(s) taken against foreign Sponsor(s) may be limited to the jurisdiction of the country where the principal activities (in terms of income / revenue) of the Sponsor(s) are carried out or where the headquarters of the Sponsor(s) is situated. Further, only top 10 monetary penalties during the last three years shall be disclosed.

Nil

2) In case of Indian Sponsor(s), details of all monetary penalties imposed and/ or action taken during the last three years or pending with any financial regulatory body or governmental authority, against Sponsor(s) and/ or the AMC and/ or the Board of Trustees /Trustee Company; for irregularities or for violations in the financial services sector, or for defaults with respect to share holders or debenture holders and depositors, or for economic offences, or for violation of securities law. Details of settlement, if any, arrived at with the aforesaid authorities during the last three years shall also be disclosed.

Cases pertaining to ICICI Bank Ltd. (the Bank):

- In November 2017, an overseas regulator imposed a composition sum of approximately USD 0.59 mn for non-adherence of rules under AML regulations at one of ICICI Bank’s overseas branches, resulting from regulatory inspection conducted in 2013 and pursuant to consultant’s review of records, relating to the period of May 2012 to April 2014. There were no dealings with sanctioned entities and the remediation primarily required improvement to the branch's AML/CFT controls, which has since been undertaken. The local regulator in that jurisdiction has also acknowledged the efforts undertaken by the branch in addressing the issues identified in these reports.

- The Bank is in receipt of three notices from Unique Identification Authority of India (UIDAI) in December 2017 under Regulation 25 of Aadhaar (Authentication) Regulations, 2016. The Bank has since responded to the notices and is awaiting further communication in this regard.

- As mentioned by RBI in its press release dated March 29, 2018, RBI has through an order dated March 26, 2018, imposed a monetary penalty of ₹ 589.0 million on ICICI Bank for non-compliance with directions/guidelines issued by RBI. This penalty has been imposed in exercise of powers vested in RBI under the provisions of Section 47A(1) (c) read with Section 46(4)(i) of the Banking Regulation Act, 1949. The Bank has
paid the penalty to RBI on April 9, 2018.

3) Details of all enforcement actions taken by SEBI in the last three years and/or pending with SEBI for the violation of SEBI Act, 1992 and Rules and Regulations framed thereunder including debarment and/or suspension and/or cancellation and/or imposition of monetary penalty/adjudication/enquiry proceedings, if any, to which the Sponsor(s) and/or the AMC and/or the Board of Trustees/Trustee Company and/or any of the directors and/or key personnel (especially the fund managers) of the AMC and Trustee Company were/are a party. The details of the violation shall also be disclosed.

Nil

4) Any pending material civil or criminal litigation incidental to the business of the Mutual Fund to which the Sponsor(s) and/or the AMC and/or the Board of Trustees/Trustee Company and/or any of the directors and/or key personnel are a party should also be disclosed separately.

Nil

5) Any deficiency in the systems and operations of the Sponsor(s) and/or the AMC and/or the Board of Trustees/Trustee Company which SEBI has specifically advised to be disclosed in the SID, or which has been notified by any other regulatory agency, shall be disclosed. – Nil

GENERAL INFORMATION

• Power to make Rules
Subject to the Regulations, the Trustee may, from time to time, prescribe such terms and make such rules for the purpose of giving effect to the Scheme with power to the AMC to add to, alter or amend all or any of the terms and rules that may be framed from time to time.

• Power to remove Difficulties
If any difficulties arise in giving effect to the provisions of the Scheme, the Trustee may, subject to the Regulations, do anything not inconsistent with such provisions, which appears to it to be necessary, desirable or expedient, for the purpose of removing such difficulty.

• Scheme to be binding on the Unitholders:
Subject to the Regulations, the Trustee may, from time to time, add or otherwise vary or alter all or any of the features of investment plans and terms of the Scheme after obtaining the prior permission of SEBI and Unitholders (where necessary), and the same shall be binding on all the Unitholders of the Scheme and any person or persons claiming through or under them as if each Unitholder or such person expressly had agreed that such features and terms shall be so binding.

Notwithstanding anything contained in this Scheme Information Document, the provisions of the SEBI (Mutual Funds) Regulations, 1996 and the guidelines thereunder shall be applicable.

Note: The Scheme under this Scheme Information Document (SID) was approved by the Directors of ICICI Prudential Trust Limited on August 03, 2016. The Trustees have ensured that the Schemes approved by them were new products offered by ICICI Prudential Mutual Fund and are not a minor modification of the exiting Schemes.
